Settled pending ratification

Settled and ratified

For the other trades settled pending ratification, we understand the plans are as follows:

- Carpenters will be using a mailed ballot process, tallying the results on June 1st.
- Elevator Constructors plan to announce their ratification result on May 13th.
- Insulators plan to complete their voting by May 9th.
- Roofers expect to complete their voting in the first week of May.

Trade Tables

Boilermakers: The parties are discussing the path forward in the wake of the failed ratification vote.

Electricians: Discussions are continuing.

Other Developments

Collective Agreements

The respective REOs and Unions are working on the signing and distribution of the new collective agreements. The agreement for the Operating Engineers is available at www.clra.org.

Specialty Sector

Both trades in the Specialty Sector have settlements. On April 24th, the Operating Engineers announced a positive ratification vote for the Crane Rental collective agreement. Ratification proceedings are underway for the Prairies portion of the Non-Destructive Testing collective agreement.
