The wage schedules in this Collective Agreement were calculated using negotiated increases in the second, third, and fourth years of the contract as follows:

May 4, 2008 the gross rate was increased by 5% of the gross rate in effect at the expiry of the 2003 to 2007 Agreement

May 4, 2009 the gross rate was increased by 6.5% of the gross rate in effect on May 4, 2008

May 2, 2010 the gross rate was increased by 5% of the gross rate in effect on May 4, 2008

Where the “CPI Alberta Rate” is used in this Agreement, it shall mean the percentage rate of change between the Consumer Price Index published for December of the year immediately prior to the effective date of the wage adjustment, and that for December of the year before that. Upon receipt of such notice the Parties will have until 60 days prior to the closest date noted above to reach agreement.

Failing agreement the dispute will automatically be submitted to an Arbitration Panel consisting of a mutually agreed upon Arbitrator and one nominee appointed by each Party whose names shall be provided to the other respective Party within two weeks of the notice to renegotiate being received.

The only matter in dispute can be the wages contained in this Clause.

The Arbitration Panel will conduct a hearing within 30 calendar days of having the dispute referred to them and will issue a decision prior to the closest of the two dates noted above. The Arbitration Panel will have the authority to determine the issues in dispute in the remaining term of the Collective Agreement only and can not make any decision having retroactive effect. The Arbitration Panel shall be restricted to choosing from one of the following three options;

1. The final offer for settlement of the dispute as made by the Union to the Trade Division prior to submitting the matter to Arbitration (provided such offer is consistent with the conditions stipulated and, if it is not, then the decision shall only relate to such portions of the offer that conform to the stipulated conditions above)

2. The final offer for settlement of the dispute as made by the Trade Division to the Union prior to submitting the matter to Arbitration (provided such offer is consistent with the conditions stipulated above, and if it is not, then the decision shall only relate to such portions of the offer that conform to the stipulated conditions above).

3. The Wage Schedule that is in the Collective Agreement produced by the calculations contained in this Memorandum of Agreement continues unchanged for the balance of the term of the Collective Agreement.

A notice to renegotiate may only be made once for this Clause during the life of this Agreement therefore if Notice is provided by either Party to renegotiate this Clause on the May 3/09 the result of that will be final for the term of the Agreement and cannot be reopened on May 2/10.

No more than one calendar week's pay may be held back. When a General Holiday falls on a payday, the day preceding the General Holiday shall be considered the payday for the pay period. Pay calculation and deduction slips shall be supplied for each regular pay period.

An employee may only opt out of direct deposit if they provide proof in writing that they are incapable of making arrangements for a bank account (i.e., denied or refused an account by the institutions).

Employers wanting to differ from the above payment conditions may make special arrangements with the Union.

- 6.02** When an employee is laid off or discharged, all documents such as Employment Insurance separation slip, the Apprenticeship Work Record Book, and/or any other documents or records required to be returned to the employee, shall be given or sent to the employee in accordance with Article 6.03.  - (b) If an employee is being paid by direct deposit, their records will be mailed to them no later than the working day following termination of employment, and they will receive their final pay by direct deposit on the next regular pay day for the pay period in which the pay was earned.
- 6.04** In the event of a layoff or discharge, one (1) hour notice shall be sufficient. One (1) hours pay may be given in lieu of notice. No notice is required for termination for just cause. When an employee is laid from an industrial site he shall be provided with a reasonable amount of time in which to pack up and return company tools and obtain camp room clearance wherever applicable.
- 6.05** When an employee quits they shall give their supervisor one (1) hours notice and their pay and records will be mailed or direct deposited to them or given to them at the central pay office of the employer on the next regular pay day for the pay period in which the pay was earned.

- 6.07** Employees engaged on an evening shift shall be paid on the Thursday shift unless the Employer is using the direct deposit method of payment.

6.08 An Employer shall at the end of each pay period provide to each Employee a separate or detachable statement with his pay cheque, this statement to show the items required.

- a. The hours worked.
- b. The amount of wages paid at a straight time rate.

- h. The issuing Employer's name.

6.09 **Payroll Failures.** Where there have been recent instances of payroll failures by an Employer affecting employees under the terms of this Agreement, the Union shall have the right to require that Employer to provide proof of financial responsibility or require that payment of wages and other payroll requirements be by cash or certified cheque paid weekly.

6.10 In the event payment is not made in accordance with the time frames set out in clauses 6.03 and 6.05 of this article, the employee shall be paid a late remittance amount of two (2) hours at the applicable basic hourly rate of pay for each twenty four (24) hour period of delay. Such intervals shall only be deemed to include working days and shall remain exclusive of weekends and holidays. It is understood, however, that extenuating circumstances can arise, and that despite all good faith efforts and for reasons beyond the control of the Employer, payments may be delayed. In such cases the onus shall be on the Employer to notify the Union, prior to the time by which the cheque is required to be available or required to be post marked, of the details of such circumstances. In such cases the payment of the late remittance amount shall be waived.

No payment for waiting time shall be applicable when a clerical and/or mathematical error is made in calculating monies due as stated under Articles 6.02 or 6.05. Corrections of one days pay or less will be made in the next pay period following the Employer being informed of the error.

Cheques issued pursuant to the application of Article 6.10 will be sent by registered mail, priority post, or courier.

Special Project needs will be addressed by the Parties in concert with other stakeholders in accordance with the process established by the Alberta Building Trades Council and the Coordinating Committee of Registered Employers' Organizations.

7.13 Work In Occupied Non-Industrial Premises

- 10.05** The tools of a member starting a new job shall be in good condition and shall be kept so on the Employer's time. One (1) hour's notice of discharge will be given by the Employer or one (1) hour's pay allowed in lieu thereof to enable him to get his tools gathered together and put in shape for the next job.
- 10.06** If the use of a patent miter box, power machines, power tools, laser beam level, transit, and surveyor's equipment, normally used by Carpenters are required on the job, they shall be supplied by the Employer and operated by a Carpenter Foreman, Journeyman Carpenter or Carpenter Apprentice covered by this Agreement.
- 10.07** All employees covered by this Agreement shall be permitted ten (10) minutes in the first half and ten (10) minutes in the second half of a shift for a coffee break on the job during regular working hours. If extended overtime is required, additional coffee breaks shall be permitted during such overtime after each two (2) hours following each overtime meal break.
- However, for "compressed work weeks" scheduled pursuant to Article 7.06, employees shall be permitted a break of fifteen (15) minutes in the first half and fifteen (15) minutes in the second half of such shifts.
- Wherever practicable, the coffee breaks should be scheduled near the mid-point of each half of the shift.”
- 10.08** Employees party to this Agreement shall work under the conditions herein set out. The Employers signatory to this Agreement shall be given preference in the supply of Union Members.
- 10.09** There shall be no restriction on the full use of proper tools or equipment and there shall not be any task work or piece work on projects covered by this Agreement.
- 10.10** It is understood and agreed that the parties to this Agreement shall at all times comply with the accident prevention regulations of the Occupational Health and Safety Act and any refusal on the part of an Employee to work in contravention of such regulations shall not be deemed to be a breach of this Agreement. Further, no member will be discharged because the Member insists on safe working conditions as set out in the regulations. Any refusal by an Employee to abide by the Occupational Health and

Safety regulations, after being duly warned, will be sufficient cause for dismissal.

10.11 Employees who are working, or are offered the number of hours of employment provided by this Agreement by the Employer, shall not engage in their trade or other work for payment on other projects after hours.

No carpenter will be permitted to use his own motor vehicle in a manner which is unfair to other members or against the best interest of the Union.

10.13 An Employee who is injured in the course of performing his duties while in the Employer's employment and said injury results in the employee needing medical attention, provided such need is confirmed to the Employer or later being placed on compensation, he shall be paid for that day which he was unable to continue work.

10.14 A copy of the Occupational Health and Safety Inspectors Report shall be posted at the project or jobsite lunch room(s).

ARTICLE ELEVEN - TRANSPORTATION, ACCOMMODATION AND LOCAL RESIDENTS

Throughout Article Eleven (11) wherever the phrases "centre of the cities", "hiring hall location" are used, the city (cities) or the location(s) referred to are Calgary, and/or Edmonton.

Notwithstanding the foregoing, the parties agree that for projects in the regions of the former local union centres (Medicine Hat, Lethbridge, Red Deer and Edson), after the Employer has exhausted the supply of local resident members that are qualified for the subject work, the Employer may hire other qualified persons from the local resident area before being obliged to accept into employment members resident outside of the local resident area. In the event non-members are hired, the requirements in respect to timely application for union membership shall apply.

INDUSTRIAL WORK - 11.01 to 11.05

11.01 DAILY COMMUTING

The following conditions will apply on jobs within daily commuting distance of Edmonton, Calgary, or any hiring hall location, and on jobs from which employees commute daily from temporary accommodation provided or paid for by the Employer.

- (a) A forty-five (45) kilometer radius free zone from the centers of the cities in which Local Unions are centered (Geodetic Monument), or around any place in which employees are temporarily domiciled by the Employer, shall be established. The location of the Geodetic Monument of Edmonton is 101st Street and Jasper Avenue and for Calgary, the Calgary Tower.

No transportation or travel allowance shall be applicable within the free zone.

It is agreed that if a major petroleum/petro-chemical project is undertaken in the area south of Redwater but north of the free zone such project will be deemed to be included within the free zone.

- (b) Notwithstanding the foregoing, on major construction projects located within the free zone, around the cities of Edmonton and Calgary, but beyond the city bus transportation system of those cities, where it is expected that the total construction workforce will exceed seven hundred fifty (750), the affected parties shall meet to discuss the viability of implementing a system of providing transportation to the site. The parties shall take into account such considerations as climate, seasons, road capacity, other projects and industries using the same corridors, workforce curves, and site infrastructure.
- (c) For projects beyond the forty-five kilometer (45 km) free zone for which daily travel is required, the Employer will have the following options;

- to provide transportation and pay travel allowance, or
- reimburse the employees, as a vehicle allowance, at the rate of forty seven cents (\$0.47) (forty nine cents (\$0.49) effective May 1, 2008) per kilometer traveled, each way between the edge of the free zone and the project job site daily and pay travel allowance.

The travel allowance shall be calculated based on traveling at eighty (80) kilometers per hour, at the employee's applicable base rate, from the point where the edge of the forty-five (45) kilometer radius free zone intersects the road which takes the shortest, most appropriate route, to the project and return to the intersecting point.

The Coordinating Committee and the Alberta Building Trades Council shall examine, during January of each year of the Collective Agreement, the information published by Canada Revenue Agency respecting the

vehicle allowance amounts that will not be treated as taxable income, and that will be permitted as business expenses for employers. Such information normally establishes a maximum rate for the first 5,000 km, and a lower rate for additional kilometers. The Coordinating Committee and the Council shall determine a rate that is midway between those two rates. The above vehicle allowance rate shall be adjusted, effective on the first pay period following May 1 of each year, to the rate so determined by the Coordinating Committee and the Council.

Example: - A Journeyman member traveling to a project located forty (40) road kilometers from the edge of the free zone at eighty (80) kilometers per hour each way would receive the following for each day worked:

Travel Allowance:

80 km @ 80 km./ hr. = 1 hour at base rate of \$33.46 = \$33.46

Vehicle Allowance: 80 km. @ \$0.47 cents per km. = \$37.60

For a daily total of = \$71.06

Where the employer provides the transportation the travel allowance would be paid but the vehicle allowance would not be payable.

- (d) When an employee is being paid subsistence allowance in accordance with Article 11.05(a)(iii) or (b)(iii), and when there is no accommodation available within forty-five (45) kilometers of the project on which the employee is engaged, the employer shall determine the location of the nearest available accommodation, and shall determine the number of road kilometers beyond a forty-five (45) kilometer radius of the project that would be required to travel each way from the nearest available accommodation, and shall calculate the travel allowance in accordance with the above provisions. In the event accommodation within a forty-five (45) kilometer radius of the project becomes available, the payment of the travel allowance will cease.
- (e) Where the Employer is required to supply transportation, such transportation shall, at a minimum, be a safe, clean and modern means of transportation with sufficient seating for each person allowing adequate comfort for adults. School buses shall not be used for such transportation. When the size of the crew is such that the capacity of a coach-type bus is required, such bus transportation will be provided. Pick up points shall be mutually agreed upon.
- (f) Employees who are transported to a job site but who refuse to start work at the prescribed time due to a picket line or other form of labour relations dispute will not be paid any transportation allowance for that day.

- (g) When the transportation provided by the Employer for the conveyance of employees is delayed by circumstances beyond the control of the employees, the employees shall be paid for all such time, up to a limit of two (2) hours at the applicable straight time rate.
- (h) If an employee is required by the Employer to move from one job to another during working hours, the Employer shall provide the transportation or pay vehicle allowance at the rate of forty-seven cents (\$0.47) per kilometer (forty nine cents (\$0.49) effective May 1, 2008) traveled if the employee uses his own vehicle. The employee shall not suffer any loss of pay as a result of transferring between projects during working hours.
- (i) Employees required to travel out of a city or town to another job after working a shift, and before an eight (8) hour break occurs, shall be paid for all time traveled at the rate of time and one-half the normal rate. If still traveling the following day, the employee shall be paid the normal rate for time traveled during the regular working day only.

11.02 Initial and Return Transportation to Remote Sites

- (a) Employees directed or dispatched to work sites located beyond a radius where daily commuting allowance under Article 11.01(b) would apply shall be paid travel allowance for initial travel and transportation to the project and return subject to the conditions in
- (b) below, based upon a radius from the cities of Edmonton or Calgary or other hiring hall location, as applicable, as follows:
 - (i) up to 200 kilometres - \$77.00 each way (effective May 3, 2009, \$84.00);
 - (ii) 200 kilometres to 300 kilometres - \$110.00 each way (effective May 3, 2009, \$120.00);
 - (iii) 300 kilometres to 375 kilometres - \$132.00 each way (effective May 3, 2009, \$144.00);
 - (iv) over 375 kilometres to 475 kilometres \$198.00 each way (effective May 3, 2009, \$216.00), or actual airfare if suitable proof of air transport is provided to the employer.
 - (v) over 475 kilometres - as mutually agreed between the parties to this Agreement to a maximum of \$303.00 each way (effective May 3, 2009, \$330.00) or air fare inclusive

of taxes in the event this is the most practical method of accessing the project/jobsite.

- (b) Notwithstanding the provisions of (a) above, when transportation is provided by the Employer, no travel allowance will be paid, subject to the provisions of Article 11.02(c) below.
- (c)
- When transportation is provided by the employer by way of air, bus, or other surface transportation acceptable to the Union and the Employer, prior to the commencement and following the conclusion of a work cycle (being scheduled days of work for which there is no more than one day of rest scheduled within consecutive scheduled days), an employee, at the time of dispatch, will be allowed to elect to use the employer provided transportation or to receive collective agreement initial/return/rotation allowances. Buses must comply with Article 11.01(e).
 - An employee who has elected collective agreement initial / return / rotation allowances will no longer be paid any such payments not yet received if a new bus route is established and the employee elects to use it. Such an employee will not be required to return payments received to that point.
 - An employee who has elected collective agreement initial / return / rotation allowances and who is found using bus transportation will become disentitled to further collective agreement initial / return / rotation allowances, as one consequence.
 - If a person who elects collective agreement initial / return / rotation allowances uses bus transportation for his initial trip that person will not receive the initial allowance payment. This circumstance will not be a violation as discussed in the previous point.
 - Regulations shall be established for the use of bus transportation governing behavior and the use of, e.g., alcohol, tobacco and other substances.
 - Notwithstanding the foregoing, an employee who has elected to use provided busses, and who is hired, laid off, or terminated on a day when weekly bussing is not available shall be reimbursed the cost of a one-way commercial bus ticket to Edmonton or Calgary, whichever is applicable, and transportation from the site to the nearest commercial bus terminal, or equivalent taxi fare.
- (d)
- An Employee will qualify for, and receive with the next regular pay, transportation allowance to the job site after being employed at the site for fifteen (15) calendar days.

- If the employee remains on the job until completion of thirty (30) calendar days, the employee shall qualify for return transportation allowance to be paid with his final pay at the subject site.
- If, prior to having qualified for either transportation allowance, the employee is laid off, or the job is completed, or the employee is transferred to a different work site which is outside the area for which the transportation allowance was to apply, that employee will be paid any outstanding transportation allowance(s) with their next regular pay.
- If the Employee is transferred to a different work site which is outside the same geographical region for which the transportation allowance was to apply (e.g. the Fort McMurray region, the Cold Lake Region, etc.), that Employee will be paid any outstanding transportation allowance(s) with their next regular pay. If the Employee is transferred to a different work site that is within the same geographical region to which the transportation allowance was to apply, the Employee's employment on that different work site shall be deemed to be a continuation of employment on the original work site for the purposes of accumulation of entitlement to transportation allowances and rotational allowances where applicable. Should an Employee choose not to accept a transfer, he/she shall be paid all applicable travel allowances and be considered to be laid off.

11.03 Rotational Leave (Turnarounds)

- (a) On jobs located beyond a three hundred (300) kilometer radius to a maximum of four hundred and seventy-five (475) kilometers from the centre of Edmonton or Calgary or other hiring hall location, the Employer shall:
 - (i) Pay an allowance of one hundred and fifty-four dollars (\$154.00) (effective May 3, 2009, one hundred sixty-eight dollars (\$168.00)) after thirty-five (35) calendar days of employment on the job and thereafter for each subsequent thirty-five (35) calendar days of employment on the job.

Where the employee accepts Employer supplied transportation he shall not be entitled to the above allowance.
 - (ii) Allow employees five (5) working days leave after each thirty-five (35) calendar days of employment on the job.

- (b) On jobs located beyond a four hundred and seventy-five (475) kilometre radius from the centre of Edmonton or Calgary or other hiring hall location, the Employer shall:
 - (i) Provide a negotiated transportation allowance, not to exceed scheduled air line air fare where scheduled air service is available, or pay an allowance of two hundred and seventy-five dollars (\$275.00) (effective May 3, 2009, three hundred dollars (\$300.00)) where airline service is not available, after thirty-five (35) calendar days of employment on the job and thereafter for each subsequent thirty-five (35) calendar days of employment on the job.
 - (ii) Allow Employees Five (5) working days leave after each thirty-five (35) calendar days of employment on the job.
- (c) It is further understood and agreed that the above described trips be on a rotation basis and at no time more that twenty-five percent (25%) of the working force shall be on such home leave.
- (d) Where the Employer supplies transportation the Employee shall not be entitled to the above allowances, subject to the provisions of Article 11.02(c) above.
- (e) Time spent away from a jobsite due to a jobsite closure, scheduled vacation or rotational leave days taken of one work week (5 days or 4 days as the case may be) or longer will not be credited towards the accumulation of calendar days for earning a turnaround leave.

11.04 Local Residents

- (a) A local resident is an individual who resides within a seventy-five (75) kilometer radius of the centre of a job site which is beyond daily commuting distance from Edmonton or Calgary or other locations where a hiring hall is located, and has resided within such radius of the site for a period of not less than six months prior to being engaged on the project. It is understood that the hiring of local residents shall be subject to the hiring procedures and prerogatives set out in this agreement.
- (b) Local Residents residing within a forty-five (45) kilometer radius of the job site shall not be entitled to receive transportation or vehicle allowance, travel allowance, initial and return travel allowance, room and board or subsistence, or camp accommodations, or rotational leave provisions.

Local residents residing between a forty-five (45) kilometer radius and a seventy-five (75) kilometer radius of the job site shall not be entitled to receive initial and return travel allowance, room and board or subsistence, or camp accommodations, or rotational leave provisions, but shall be paid a travel allowance of thirty dollars (\$30.00) per day worked to cover transportation expenses and travel allowance, or if transportation is supplied by the Employer, a daily travel allowance of fifteen dollars (\$15.00) will be paid for each day worked.

(c) Guidelines for Determining “Real Residency”

In making the determination as to whether a person is a “Local Resident” for the purposes of the Project Terms, the following factors, as appropriate to the determination, will be taken into consideration:

- (a)** the dwelling place of the person’s spouse and dependents;
- (b)** personal property and social ties to the community;
- (c)** residential ties elsewhere;
- (d)** permanence and purpose of residence in a particular community;
- (e)** documentation of:
 - (i)** property tax or rent receipts, telephone, gas or other utility receipts;
 - (ii)** driver’s license;
 - (iii)** vehicle registration or pink card;
 - (iv)** income tax;
 - (v)** unemployment insurance documents;
 - (vi)** voters’ list registration;
 - (vii)** employee benefit fund administration registration.

For the purposes of determining local residents in the Fort McMurray area, residents of Anzac and Saprae Creek will be considered to be residents of Fort McMurray for projects north of Fort McMurray and residents of Fort

McKay will be considered to be residents of Fort McMurray for projects located south of Fort McMurray.

- (e) Where a Camp Kitchen is established and where all workers, generally, on the project who are not Local Residents attend at the Camp Kitchen to eat their lunches, a Local Resident Employee shall be provided the same noon meal arrangements without cost to himself. In those instances where bagged lunches are provided to camp residents and hot soup is delivered to the job site, local residents shall also be entitled to receive hot soup.
- (f) Where a Local Resident Employee is required to work overtime, he shall be entitled to overtime meals in accordance with this Agreement.
- (g) The parties agree that the early participation of qualified local resident employees in work undertaken under this agreement is most desirable and will be strongly promoted. In support of this the Union agrees that local qualified tradesmen will be given an opportunity to join the Union and will be dispatched to the job when positions become available, subject to the mutual agreement of the parties.

The Parties to the Collective Agreement agree that they will undertake a monitoring process to evaluate the employment status of Local Resident Members residing in the Wood Buffalo region, and such other region where a client expresses a concern during the term of the Agreement. If it is determined that there is an underutilization of Local Resident Members the Parties will meet and address the issue.

When an employee is directed or dispatched to work on an out-of-town job, the employer will provide:

- (i) camp accommodation, which shall be available seven days per week; or

Where the Employer or his client is providing a free bus trip back to the city on the same day as the last shift of the week, this provision shall not be applicable.

Board and room will be supplied or the daily expense allowance will be paid for any Statutory Holiday which falls on a scheduled work day other than a Monday or Friday (Thursday where a compressed work week schedule is in effect) provided the employee reports for work on the work day immediately preceding and following the Statutory Holiday.

- (b) Applicable beyond a four hundred seventy-five (475) kilometer radius of the centers of the cities in which Local Unions are located (excluding National Parks and Northwest Territories)

When an employee is directed or dispatched to work on an out-of-town job which will last at least five days, the employer will provide, on a seven (7) days per week basis:

Employees failing to report for work on the work day immediately preceding and following a week-end or Statutory Holiday will receive the above for days worked only.

- (c) In the event that any difference arises respecting the adequacy of accommodation provided by the employer pursuant to clauses 11.05(a)(ii) or 11.05(b)(ii) above, the difference shall be referred to a balanced committee of appointees of the Building Trades

Council and the Coordinating Committee of registered employers' organizations, which committee shall make a final and binding decision within five days from the date of referral.

- (d) The parties agree that wherever practical and workable in all of the circumstances of the project, camp accommodation is preferable to the provision of room and board, and that the provision of room and board is preferable to the payment of subsistence allowance. However, any of these three options will satisfy the employer's obligations pursuant to this article.
- (e) (i) In certain situations, employees may be dispatched or directed to work on projects which are in an area where the cost of available suitable single room accommodation and/or meals may be in excess of the daily rate of subsistence set out in this Article. In such a case, the employer shall provide one of the following options:
- provide suitable room and board; or
 - directly pick up the cost of the room and pay a meal allowance to be determined as is set out in this Article; or
 - the subsistence allowance shall be reviewed and, if necessary, adjusted by the following procedure:
- (ii) Either the subsistence allowance may be adjusted by mutual consent between the Employer and the Union, or the Business Manager of the Union may request that the Executive Director of the Alberta Building Trades Council issue a formal written request to the Coordinating Committee of Registered Employers' Organization that a Subsistence Review Committee be established. Alternatively an Employer may request that the Coordinating Committee of Registered Employers' Organizations issue a formal written request to the Executive Director of the Alberta Building Trades Council that a Subsistence Review Committee be established. Upon formal written request the Subsistence Review Committee shall meet within five (5) working days of such request.
- (iii) The Subsistence Review Committee will consist of one (1) representative appointed by the Alberta Building Trades Council and one (1) representative appointed by the

Employers' Coordinating Committee. Neither appointee shall be directly involved with the issue at hand.

The Subsistence Review Committee will undertake such investigation as is necessary to determine whether the allowance paid will allow an Employee to purchase available accommodation and three (3) meals per day in the community or communities where Employees will be domiciled. In the event that the Committee determines that the allowance is insufficient to purchase such lodging and meals the Committee shall determine the amount by which the subsistence allowance shall be adjusted. A decision of the Committee as to whether the allowance is sufficient or whether a specified adjustment is necessary shall be final and binding provided that both appointees mutually agree with the resolve. Any such mutually agreed upon decision shall be issued within five (5) days from the date of referral, or such longer period as may be agreed by the Coordinating Committee and the Building Trades.

In the event the Committee fails to make the required determination or determinations within the period allowed, the meal and lodging costs ascertained by the Committee shall be referred, together with such other relevant evidence and argument as may be submitted by the parties, to an Umpire who shall be appointed within five (5) days in accordance with the provisions of Articles 12.02 (b) and (c). The Umpire shall render a final and binding decision as to whether the subsistence allowance is sufficient to allow an Employee to purchase accommodation and meals in the subject community or communities, and if it is not the amount by which the allowance should be adjusted to afford the purchase of available lodging and meals. The decision of the Umpire shall be rendered within five (5) full days of the Umpire's appointment, or such longer period as may be agreed by the Coordinating Committee and the Building Trades. The decision of the Umpire shall have the same binding effect and shall be subject to the same limited review as a decision of an arbitrator in grievance proceedings. The fees and disbursements of the Umpire shall be borne equally by the Coordinating Committee and the referring Union.

- (v) The Subsistence Review Committee and/or the Umpire shall enter into a review when determining subsistence costs and in order to come to the conclusions that are necessary to carry out the objects of this clause some guidelines are included;

- In the appropriate case the ability to decide on whether or not an increase in subsistence allowance shall be made retroactively to the date the matter was submitted to the Subsistence Review Committee.
- To determine seasonal adjustments due to tourism, availability of rooms, etc. which may affect the rate of subsistence over the entire course of a job; i.e. an increase in costs during the tourism season followed by a decrease at the end of tourism season or some other such situation.
- Determine an appropriate accommodation cost based on what hotel rooms are available, how many such rooms are available, what hotels/motels to look at.
- The cost of meals based upon the range of standard camp meals routinely served in a camp pursuant to the Camp Rules, which are adopted in this Collective Agreement, over an average weekly period.
- Such other reasonable and ancillary powers as may be necessary to achieve the purpose of this clause.

There shall be no more than one reference of these matters to a Subsistence Review Committee Umpire with respect to any community in any calendar year unless it can be shown that there has been a material change of circumstances within that calendar year. Such a review within the calendar year may be made by either the Employer or the Union.

(f) Applicable to all Regions

(i)

Employees unable to work due to legitimate illness, material shortage, job-site conditions, or inclement weather, and for whom it is not practical to return to their respective primary Alberta residences, shall receive their board and room or daily allowance for those work days that they were scheduled to work (or other days as set out in Article 11.05(b)).

- To be eligible for board and room or daily allowance in these circumstances the Employee must have been unable to return to his primary

Alberta residence due to the medical, work, site or weather conditions.

- In the event return to the employee's primary Alberta residence becomes reasonably possible and prudent, the entitlement to subsistence allowance shall cease.
 - It is expected that circumstances to which this provision applies will be of short duration.
 - For the purposes of this Article, for an employee who does not maintain a primary residence in Alberta, that employee's primary Alberta residence shall be deemed to be Edmonton or Calgary, whichever is the nearest.
- (ii) If an Employee chooses to leave before the completion of the shift without the consent of the Employer he will not be entitled to subsistence allowance for that day (and may be subject to other disciplinary or corrective measures). If an Employee chooses to leave before the completion of the shift with the consent of the Employer he will be paid a full day's subsistence if at least half the shift is worked and half a day's subsistence if less than half a shift is worked.
- (iii) All camps must meet the specifications as negotiated by Alberta Provincial Building Trades Council and Alberta Construction Labour Relations Association 1999 - 2008 camp rules and regulations, or any successor thereto.
- (iv) All grievances concerning a camp will be resolved through the grievance procedure provided in the A.B.T.C. / C.L.R.A. Camp Rules and Regulations.
- (v) If an employee, who is housed in a camp, is required by the Employer to transfer from one camp room to another, the employee shall be paid two hour's pay at the straight time basic hourly rate as full compensation for the time to move belongings. Should the request to move from one room to another come from authorized persons employed by the Camp Manager or the Client, the employee must inform the Employer of the move by the following work day to be eligible for this payment.

NON-INDUSTRIAL - 11.06 to 11.14

Local Residents

- 11.06** The parties agree that the early participation of qualified Local Resident Employees in work undertaken under this Agreement is most desirable and will be strongly promoted.
- 11.07** A Local Resident Employee shall be defined as a Union Member who has maintained his domicile within a seventy five (75) kilometer radius of a jobsite, for a minimum of six (6) months.
- 11.08** A Local Resident Employee shall not be entitled to the subsistence pay, turnaround leave, and initial & return travel provisions of the Collective Agreement.
- 11.09** The above Article shall not apply to any project for which daily travel applies from any of the cities in which Local Unions are centered (i.e. Edmonton or Calgary).
- 11.10** Where a Camp Kitchen is established and where all workers, generally, on the project who are not Local Residents attend at the Camp Kitchen to eat their lunches, a Local Resident Employee shall be provided the same noon meal arrangements without cost to himself. In those instances where bagged lunches are provided to camp residents and hot soup is delivered to the job site, local residents shall also be entitled to receive hot soup.
- 11.11** Where a Local Resident Employee is required to work overtime, he shall be entitled to overtime meals in accordance with this Agreement.

Transportation and Accommodation

- 11.12** A seventy five (75) kilometer free zone shall be established around the center of every city, town or village in which employees reside and around every place where accommodation is provided and/or paid for by the employer. This zone shall apply to all persons covered by this Agreement except local residents.

The following conditions shall apply to all employees except local residents, within the following radial zones:

Zone 1

Within the Free Zones as noted above, all employees shall be responsible for their own transportation to and from the work site except that where, on remote jobsites, conditions are such that private and public transportation is not available and the work area is beyond reasonable walking distance, then the Employer shall provide transportation.

Zone 2

The area lying within the next one hundred (100) kilometers beyond the boundary of the free zones established above, is Zone 2. For any jobsite situated within this area the Employer shall supply transportation to and from the work site to the place of Accommodation or established central pick-up points, or, at his option, expressed by the employer in writing, pay vehicle allowance at the rate of thirty-nine cents (39¢) per kilometer from the edge of the free zone, to the job and back, to each employee who, by arrangement with the Employer uses his own vehicle to provide transportation outside the free zone.

At the Employer's option, camp or other board and room accommodations as provided for in Zone 3, may be provided in this zone for each day worked.

Zone 3

The area lying within the next one hundred (100) kilometers beyond the boundary of Zone 2 as established above, is Zone 3. For any jobsite situated within this area, the Employer shall provide at this option for each day worked:

- (i) camp accommodation which conforms with the CLRA/ABTC Camp Rules and Regulations or successor standards;
- or
- (ii) reasonable room and board;
- or
- (iii) agreed subsistence allowance.

Zone 4

The area lying within the next one hundred (100) kilometers beyond the boundary of Zone 3, is Zone 4. For any job situated within this area, the Employer shall provide at his option on the seven (7) day a week basis:

- or
- (ii) reasonable room and board;
- or
- (iii) agreed subsistence allowance.

Zone 5

On jobs within Zone 5 only, the Employer will allow a return trip to the city in which the Local Union is centered (whichever is closer) after each sixty (60) days of employment on the project and shall grant leave from work for a maximum period of five (5) calendar days. Such trips shall be paid one way upon leaving the jobsite and reimbursed for the return upon reporting the job. Rate of reimbursement shall be the equivalent train, bus or airfare only as appropriate.

On remote jobsites (i.e. those within Zone 5) and when requested by the employee due to having insufficient funds to return to point of hire, the Employer shall arrange transportation for the employee to point of hire or supply him with an advance on wages due to him.

11.13 (a)

- Employees unable to work due to legitimate illness, material shortage, job-site conditions, or inclement weather, and for whom it is not practical to return to their respective primary Alberta residences, shall receive their board and room or daily allowance for those work days that they were scheduled to work (or other days as set out for Zones 4 and 5).
- To be eligible for board and room or daily allowance in these circumstances the Employee must have been unable to return to his primary Alberta residence due to the medical, work, site or weather conditions.
- In the event return to the employee's primary Alberta residence becomes reasonably possible and prudent, the entitlement to subsistence allowance shall cease.
- It is expected that circumstances to which this provision applies will be of short duration.
- For the purposes of this Article, for an employee who does not maintain a primary residence in Alberta, that employee's primary Alberta residence shall be deemed to be Edmonton or Calgary, whichever is the nearest.

- (b)** If an Employee chooses to leave before the completion of the shift without the consent of the Employer he will not be entitled to subsistence allowance for that day (and may be subject to other disciplinary or corrective measures). If an Employee chooses to leave before the completion of the shift with the consent of the Employer he will be paid a full day's subsistence if at least half the

shift is worked and half a day's subsistence if less than half a shift is worked.

- (c) Effect of unauthorized absence on Room and Board Entitlement.
 - (i) When an employee fails to report when work is available on the working day immediately preceding or following bad weather or recognized holidays other than for unavoidable causes, he shall forfeit room and board for such absenteeism and for the bad weather days or recognized holidays. When Saturday is not a working day and an employee fails to report to work on Friday when work is available, he shall forfeit room and board for Friday, Saturday and Sunday. When Sunday is not a working day and an employee fails to report to work on Monday when work is available, he shall forfeit room and board for Sunday and for Monday. An employee shall also forfeit room and board for absenteeism on any working day for other than unavoidable causes.
 - (ii) Unavoidable cause shall be deemed any illness or injury other than caused by consumption of liquor and/or illicit drugs. The Employer may request proof of illness or injury by way of a letter from a medical doctor.
- (d) In cases of illness or injury the Employer may choose to provide transportation expenses to point of hire rather than provide room and board entitlements.
- (e) Where the Employer's costs are fixed (as for Camp accommodation or long term room leases) the employee shall not be back-charged for such fixed costs, but, where subsistence allowance is paid then the employee shall not be paid for days missed as detailed above.

Vehicle Allowance

- 11.14** Where the transportation prescribed in Articles 11.07 is not provided by the Employer to an employee employed pursuant to this Collective Agreement, the Employer shall pay to the employee a daily vehicle allowance, being the product of twice the distance in kilometers from the edge of the relevant free zone to the subject project times forty-seven cents (\$0.47) (forty nine cents (\$0.49) effective May 1, 2008) per kilometer.

- (iii) Such Joint Grievance Panel will consist of two appointees of the Employer and two appointees of the Union. No person shall be appointed who has a direct personal interest in the subject matter of the grievance, and/or has had a

 - (vii) In the event either Party determines that it is not prepared to accept the recommendation of the JGP, either Party may then refer the matter to Arbitration within 10 days (excluding Saturdays, Sundays, and Statutory Holidays) of receipt of the JGP recommendations.
 - (viii) No lawyers shall be permitted to participate in the JGP proceedings.
- (d) If the complaint is not settled within ten (10) days (excluding Saturdays, Sundays and holidays) it shall be referred to an Arbitration Board; by mutual consent of the parties this time limit may be extended. The Arbitration Board shall be comprised of one (1) member appointed by each of the parties and a neutral chairman appointed by the members. Each party shall bear the expense of their appointee and the expense of the chairman shall be shared equally by the parties.
- (e) If either party fails to appoint a member to the Arbitration Board within ten (10) days, or if the appointed members cannot agree on

a neutral chairman within fourteen (14) days of the appointment of the second member, such appointments shall be made in accordance with the Labour Relations Code.

- (f) The Arbitration Board shall be vested with the authority to decide whether any matter referred to it is arbitrable. It shall make its decision within fourteen (14) days of the appointment of the Chairman.

It shall not alter, amend, or change the terms of this Agreement. The majority decision of the Arbitration Board shall be final and binding on both parties but if there is no majority award, the decision of the Chairman shall be the award.

- (g) By mutual consent of the parties the foregoing time limits may be extended.

12.02 Alternate Grievance Procedure. As an alternative procedure to that outlined, commencing with Article 12.01(d) the following procedure shall be used if mutually agreed in writing between the parties.

- (a) The steps prescribed in Article 12.01(a), (b) and (c) shall apply.
- (b) If the matter of complaint is not then settled within seven (7) days (excluding Saturdays, Sundays and holidays), it shall be referred to a single arbitrator who shall be selected and agreed upon by the parties.
- (c) Should the parties fail to agree on the appointment of a single arbitrator within fourteen (14) days from the date of referral, the appointment shall be made by the Minister of Labour.
- (d) The single arbitrator shall have the same authority as an arbitration board and shall make his decision within fourteen (14) days of his appointment.
- (e) The costs of and in connection with the single arbitrator shall be borne equally by each party.

The single arbitrator shall not alter, amend or change the terms of this Agreement. The decision of the arbitrator shall be final and binding on both parties.

Without restricting the generality of the foregoing, the Steward shall not be discriminated against respecting work assignment, or the scheduling of overtime work, for which the Steward is qualified.

Wherever practical, the Job Steward shall have completed a comprehensive training program dealing with the "Canadian Model Alcohol and Drug Guidelines and Work Rule".

13.03 The Union shall have the right to post notices at the designated place on any project or jobsite. All such notices must be signed by the proper officer of the Local Union and submitted to the Management and/or Superintendent of the Company for their approval.

Employees dispatched from the relevant hiring hall to projects affected by this part of this Agreement shall be in possession of a dispatch slip. Dispatch slips may be sent to the Employer by fax or electronically when it is more practical to do so. If the Local Union cannot supply Members within forty-eight (48) hours after the request (excluding Saturdays, Sundays and holidays or days in lieu thereof), the Employer may obtain Carpenters elsewhere. Where possible, the Union will be notified of new Employees hired after the forty-eight

(48) hours. Employees so employed shall, within fifteen (15) days after their commencement of work, apply to the Union for membership.

This clause shall also apply to Carpenter Apprentices and Carpenter Foremen.

As a hiring resource for the Employer, the Union shall maintain hiring halls (or their equivalent) in Calgary, and Edmonton.

Notwithstanding any other provisions of this Collective Agreement, the parties agree that for projects in the regions of the former local union centres (Red Deer, Medicine Hat, Lethbridge, and Edson), after the Employer has exhausted the supply of local resident members that are qualified for the subject work, the Employer may hire other qualified persons from the local resident area before being obliged to accept into employment members resident outside of the local resident area. In the event non-members are hired, the requirements in respect to timely application for union membership shall apply.

13.05 No member covered by the terms of this Agreement shall be refused work or membership in the Union on account of age, sex, color, race or religious belief.

13.06 There shall be a Safety Committee on all projects and a Carpenter shall be a member of the Safety Committee where a predominate or substantial number of Carpenters are employed on the project.

The Parties agree that the Canadian Model for Providing a Safe Workplace – Alcohol and Drug Guidelines and Work Rule (as amended from time to time) will apply on all work sites.

13.07 Business Managers and/or Business Representatives shall have access to all projects or jobsites covered by this Agreement in the carrying out of their regular duties, after first notifying the Employer, Superintendent or person in charge, of his presence on the project. (b) The Employer shall be responsible for the enforcement of this Article.

Re: Province Wide Dispatch System Requirements

Whereas the Parties have entered into a Collective Agreement which shall remain in effect from January 02nd 2008, 2004 to April 30, 2011 as set out in the said Collective Agreement, and

Whereas, the Parties mutually desire to implement and enhance the efficiency of a province-wide dispatch system, and

Whereas the Parties have agreed that it is necessary for the functioning and efficiency of the dispatch system that the Dispatcher and the relevant steward receive timely information respecting reporting for employment and termination of employment,

Now Therefore It Is Agreed between the Parties hereto that:

Such notification shall be given as soon as practicably possible after the respective quit, lay off, or termination. Failure to provide such notification in a timely fashion will not affect or negate the severance of employment.

- 2 The Employer shall give to the Steward a copy of any dispatch slips for employees hired by the Employer.
- 3 In each case (notification of termination of employment, and copy of the dispatch slip), the Parties shall devise efficient and convenient ways of carrying out the requirements.
- 4 This Letter of Understanding shall be reviewed after April 30th, 2011, and shall be amended and/or continued by mutual agreement, or terminated by either or both Parties in the event it is deemed to be ineffective or otherwise unsatisfactory.
- 5 This Letter of Understanding shall be attached to and part of the Collective Agreement between the parties hereto.
