Such consent will not be unreasonably withheld. The work day shall normally be worked between 7:00 a.m. and 5:30 p.m. The Employer may vary the start/quit times by up to fifteen (15) minutes at his option. Variances of greater than fifteen (15) minutes shall be mutually agreed between the Employer and the Union.

This shall not apply in a circumstance where the overtime is projected to extend the work day beyond twelve (12) hours.

7.11 The parties (Trade Division, Employer & Union) understand and agree that on remote jobsites or where special conditions apply scheduling of extended work weeks/days off may be beneficial to the completion of the work and in those circumstances the parties will mutually agree to a work schedule to meet job conditions.

- 10.14** A copy of the Occupational Health and Safety Inspectors Report shall be posted at the project or jobsite lunch room(s).

ARTICLE ELEVEN - TRANSPORTATION, ACCOMMODATION AND LOCAL RESIDENTS

Throughout Article Eleven (11) wherever the phrases "centre of the cities", "hiring hall location" are used, the city (cities) or the location(s) referred to are Calgary, and/or Edmonton.

Notwithstanding the foregoing, the parties agree that for projects in the regions of the former local union centres (Medicine Hat, Lethbridge, Red Deer and Edson), after the Employer has exhausted the supply of local resident members that are qualified for the subject work, the Employer may hire other qualified persons from the local resident area before being obliged to accept into employment members resident outside of the local resident area. In the event non-members are hired, the requirements in respect to timely application for union membership shall apply.

11.01 DAILY COMMUTING

The following conditions will apply on jobs within daily commuting distance of Edmonton, Calgary, or any hiring hall location, and on jobs from which employees commute daily from temporary accommodation provided or paid for by the Employer.

- (a) A forty-five (45) kilometre radius free zone from the centers of the cities in which Local Unions are centered (Geodetic Monument), or around any place in which employees are temporarily domiciled by the Employer, shall be established. The location of the Geodetic Monument of Edmonton is 101st Street and Jasper Avenue and for Calgary, the Calgary Tower.

No transportation or travel allowance shall be applicable within the free zone.

It is agreed that if a major petroleum/petro-chemical project is undertaken in the area south of Redwater but north of the free zone such project will be deemed to be included within the free zone.

- (b) Notwithstanding the foregoing, on major construction projects located within the free zone, around the cities of Edmonton and Calgary, but beyond the city bus transportation system of those cities, where it is expected that the total construction workforce will exceed seven hundred fifty (750), the affected parties shall meet to discuss the viability of implementing a system of providing transportation to the site. The parties shall take into account such considerations as climate, seasons, road capacity, other projects and industries using the same corridors, workforce curves, and site infrastructure.
- (c) For projects beyond the forty-five kilometre (45 km) free zone for which daily travel is required, the Employer will have the following options;
 - to provide transportation and pay travel allowance, or
 - reimburse the employees, as a vehicle allowance, at the rate of thirty nine cents (\$0.39) per kilometre traveled, each way between the edge of the free zone and the project job site daily and pay travel allowance.

The travel allowance shall be calculated based on traveling at eighty (80) kilometres per hour, at the employee's applicable base rate, from the point where the edge of the forty-five (45) kilometre radius free zone intersects the road which takes the shortest, most appropriate route, to the project and return to the intersecting point.

Example: - A Journeyman member traveling to a project located forty (40) road kilometres from the edge of the free zone at eighty (80) kilometres per hour each way would receive the following for each day worked:

<u>Travel Allowance:</u>	
80 km @ 80 km./ hr. = 1 hour at base rate of \$27.56	= \$27.56
<u>Vehicle Allowance:</u> 80 km. @ \$0.39 cents per km.	= <u>\$31.20</u>
For a daily total of	= \$58.76

Where the employer provides the transportation the travel allowance would be paid but the vehicle allowance would not be payable.

- (d) When an employee is being paid subsistence allowance in accordance with Article **11.05(a)(iii)** or **(b)(iii)**, and when there is no accommodation available within forty-five (45) kilometres of the project on which the employee is

engaged, the employer shall determine the location of the nearest available accommodation, and shall determine the number of road kilometres beyond a forty-five (45) kilometre radius of the project that would be required to travel each way from the nearest available accommodation, and shall calculate the travel allowance in accordance with the above provisions. In the event accommodation within a forty-five (45) kilometre radius of the project becomes available, the payment of the travel allowance will cease.

- (e) Where the Employer is required to supply transportation, such transportation shall, at a minimum, be a safe, clean and modern means of transportation with sufficient seating for each person allowing adequate comfort for adults. School buses shall not be used for such transportation. When the size of the crew is such that the capacity of a coach-type bus is required, such bus transportation will be provided. Pick up points shall be mutually agreed upon.
- (f) Employees who are transported to a job site but who refuse to start work at the prescribed time due to a picket line or other form of labour relations dispute will not be paid any transportation allowance for that day.
- (g) When the transportation provided by the Employer for the conveyance of employees is delayed by circumstances beyond the control of the employees, the employees shall be paid for all such time, up to a limit of two (2) hours at the applicable straight time rate.
- (h) If an employee is required by the Employer to move from one job to another during working hours, the Employer shall provide the transportation or pay vehicle allowance at the rate of thirty-nine cents (39¢) per kilometre traveled if the employee uses his own vehicle. The employee shall not suffer any loss of pay as a result of transferring between projects during working hours.
- (i) Employees required to travel out of a city or town to another job after working a shift, and before an eight (8) hour break occurs, shall be paid for all time traveled at the rate of time and one-half the normal rate. If still traveling the following day, the employee shall be paid the normal rate for time traveled during the regular working day only.

11.02 Initial and Return Transportation to Remote Sites

- (a) Employees directed or dispatched to work sites located beyond a radius where daily commuting allowance under Article **11.01(b)** would apply shall be paid travel allowance for initial travel and transportation to the project and return subject to the conditions in **(b)** below, based upon a radius from the cities of Edmonton or Calgary or other hiring hall location, as applicable, as follows:

- (i) up to 200 kilometres - \$70.00 each way;
 - (ii) 200 kilometres to 300 kilometres - \$100.00 each way;

- (c)
- When transportation is provided by means of weekly bussing, an employee, at the time of dispatch, will be allowed to elect to use the bus or to receive collective agreement initial / return / rotation allowances. Buses must comply with Article **11.01(e)**.
 - An employee who has elected collective agreement initial / return / rotation allowances will no longer be paid any such payments not yet received if a new bus route is established and the employee elects to use it. Such an employee will not be required to return payments received to that point.
 - An employee who has elected collective agreement initial / return / rotation allowances and who is found using bus transportation will become disentitled to further collective agreement initial / return / rotation allowances, as one consequence.
 - If a person who elects collective agreement initial / return / rotation allowances uses bus transportation for his initial trip that person will not receive the initial allowance payment. This circumstance will not be a violation as discussed in the previous point.
 - Regulations shall be established for the use of bus transportation governing behaviour and the use of, e.g., alcohol, tobacco and other substances.
 - Notwithstanding the foregoing, an employee who has elected to use provided busses, and who is hired, laid off, or terminated on a day when weekly bussing is not available shall be reimbursed the cost of a one-way commercial bus ticket to Edmonton or Calgary, whichever is applicable, and

transportation from the site to the nearest commercial bus terminal, or equivalent taxi fare.

- (d)
- An Employee will qualify for, and receive with the next regular pay, transportation allowance to the job site after being employed at the site for fifteen (15) calendar days.
 - If the employee remains on the job until completion of thirty (30) calendar days, the employee shall qualify for return transportation allowance to be paid with his final pay at the subject site.
 - If, prior to having qualified for either transportation allowance, the employee is laid off, or the job is completed, or the employee is transferred to a different work site which is outside the area for which the transportation allowance was to apply, that employee will be paid any outstanding transportation allowance(s) with their next regular pay.

11.03 Rotational Leave (Turnarounds)

- (a) On jobs located beyond a three hundred (300) kilometre radius to a maximum of four hundred and seventy-five (475) kilometres from the centre of Edmonton or Calgary or other hiring hall location, the Employer shall:
- (i) Pay an allowance of one hundred and forty dollars (\$140.00) after thirty-five (35) calendar days of employment on the job and thereafter for each subsequent thirty-five (35) calendar days of employment on the job.
- Where the Employee accepts Employer supplied transportation he shall not be entitled to the above allowance.
- (ii) Allow Employees Five (5) working days leave after each thirty-five (35) calendar days of employment on the job.
- (b) On jobs located beyond a four hundred and seventy-five (475) kilometre radius from the centre of Edmonton or Calgary or other hiring hall location, the Employer shall:
- (i) Provide a negotiated transportation allowance, not to exceed scheduled air line air fare where scheduled air service is available, or pay an allowance of two hundred and fifty dollars (\$250.00) where airline service is not available, after thirty-five (35) calendar days of employment on the job and thereafter for each subsequent thirty-five (35) calendar days of employment on the job.

- (ii) Allow Employees Five (5) working days leave after each thirty-five (35) calendar days of employment on the job.
- (c) It is further understood and agreed that the above described trips be on a rotation basis and at no time more that twenty-five percent (25%) of the working force shall be on such home leave.
- (d) Where the Employer supplies transportation the Employee shall not be entitled to the above allowances, subject to the provisions of Article **11.02(c)** above.

11.04 Local Residents

- (a) A local resident is an individual who resides within a seventy-five (75) kilometre radius of the centre of a job site which is beyond daily commuting distance from Edmonton or Calgary or other locations where a hiring hall is located, and has resided within such radius of the site for a period of not less than six months prior to being engaged on the project. It is understood that the hiring of local residents shall be subject to the hiring procedures and prerogatives set out in this agreement.
- (b) Local Residents residing within a forty-five (45) kilometre radius of the job site shall not be entitled to receive transportation or vehicle allowance, travel allowance, initial and return travel allowance, room and board or subsistence, or camp accommodations, or rotational leave provisions.

Local residents residing between a forty-five (45) kilometre radius and a seventy-five (75) kilometre radius of the job site shall not be entitled to receive initial and return travel allowance, room and board or subsistence, or camp accommodations, or rotational leave provisions, but shall be paid a travel allowance of thirty dollars (\$30.00) per day worked to cover transportation expenses and travel allowance, or if transportation is supplied by the Employer, a daily travel allowance of fifteen dollars (\$15.00) will be paid for each day worked.

- (c) Where a Camp Kitchen is established and where all workers, generally, on the project who are not Local Residents attend at the Camp Kitchen to eat their lunches, a Local Resident Employee shall be provided the same noon meal arrangements without cost to himself. In those instances where bagged lunches are provided to camp residents and hot soup is provided on the job site, local residents shall also be entitled to receive hot soup.

- (d) Where a Local Resident Employee is required to work overtime, he shall be entitled to overtime meals in accordance with this Agreement.
- (e) The parties agree that the early participation of qualified local resident employees in work undertaken under this agreement is most desirable and will be strongly promoted. In support of this the Union agrees that local qualified tradesmen will be given an opportunity to join the Union and will be dispatched to the job when positions become available, subject to the mutual agreement of the parties.

11.05 Accommodation, Room & Board

- (a) Applicable within a four hundred seventy-five (475) kilometre radius of the centers of the cities in which Local Unions are located (but excluding National Parks)

When an employee is directed or dispatched to work on an out-of-town job, the employer will provide:

- (i) camp accommodation, which shall be available seven days per week; or
- (ii) mutually agreed room and board; or
- (iii) for each day worked, reimbursement toward the expense of the employee's board and lodging, and any goods and services tax paid by the employee in the purchase of board and lodging, by way of a subsistence allowance in the amount of eighty-five dollars (\$85.00) per day except for
 - the **Fort McMurray** region where the rate will be one hundred dollars (\$100.00).

** Pursuant to the completion of a subsistence review process as outlined in this Article of this agreement, **effective May 28, 2001**, the Industrial subsistence allowance rate for Fort McMurray as indicated in this Article, has been adjusted to one hundred fifteen dollars (**\$115.00**).
- (iv) On a project / jobsite located over two hundred and fifty (250) radius kilometres from the geographic centers of the cities in which Local Unions are located (as applicable) one additional day's subsistence shall be paid for the use of accommodation for the night following the last day worked, provided that the Employee presents a bona-fide commercial receipt to his Employer for each occasion the accommodation is used. Where the Employer or his client is providing a free bus trip back to the

city on the same day as the last shift of the week, this provision shall not be applicable.

Board and room will be supplied or the daily expense allowance will be paid for any Statutory Holiday which falls on a scheduled work day other than a Monday or Friday (Thursday where a compressed work week schedule is in effect) provided the employee reports for work on the work day immediately preceding and following the Statutory Holiday.

- (b) Applicable beyond a four hundred seventy-five (475) kilometre radius of the centers of the cities in which Local Unions are located (excluding National Parks and Northwest Territories)

When an employee is directed or dispatched to work on an out-of-town job which will last at least five days, the employer will provide, on a seven (7) days per week basis:

- (i) camp accommodation; or
- (ii) mutually agreed room and board; or
- (iii) reimbursement toward the expense of the employee's board and lodging, and any goods and services tax paid by the employee in the purchase of board and lodging, by way of a subsistence allowance in the amount of eighty-five dollars (\$85.00) per day except for:

- the **Fort McMurray** region where the rate will be one hundred dollars (\$100.00).

** Pursuant to the completion of a subsistence review process as outlined in this Article of this agreement, **effective May 28, 2001**, the Industrial subsistence allowance rate for Fort McMurray as indicated in this Article, has been adjusted to one hundred fifteen dollars (**\$115.00**).

Employees failing to report for work on the work day immediately preceding and following a week-end or Statutory Holiday will receive the above for days worked only.

- (c) In the event that any difference arises respecting the adequacy of accommodation provided by the employer pursuant to clauses **11.05(a)(ii)** or **11.05(b)(ii)** above, the difference shall be referred to a balanced committee of appointees of the Building Trades Council and the Coordinating Committee of registered employers' organizations, which committee shall make a final and binding decision within five days from the date of referral.

- (d) The parties agree that wherever practical and workable in all of the circumstances of the project, camp accommodation is preferable to the provision of room and board, and that the provision of room and board is preferable to the payment of subsistence allowance. However, any of these three options will satisfy the employer's obligations pursuant to this article.
- (e) (i) In certain situations, employees may be dispatched or directed to work on projects which are in an area where the cost of available suitable single room accommodation and/or meals may be in excess of the daily rate of subsistence set out in this Article. In such a case, the employer shall provide one of the following options:
- provide suitable room and board; or
 - directly pick up the cost of the room and pay a meal allowance to be determined as is set out in this Article; or
 - the subsistence allowance shall be reviewed and, if necessary, adjusted by the following procedure:
- (ii) Either the subsistence allowance may be adjusted by mutual consent between the Employer and the Union, or the Business Manager of the Union may request that the Executive Director of the Alberta Building Trades Council issue a formal written request to the Coordinating Committee of Registered Employers' Organization that a Subsistence Review Committee be established. Upon formal written request the Subsistence Review Committee shall meet within five (5) working days of such request.
- (iii) The Subsistence Review Committee will consist of one (1) representative appointed by the Alberta Building Trades Council and one (1) representative appointed by the Employers' Coordinating Committee. Neither appointee shall be directly involved with the issue at hand.

The Subsistence Review Committee will undertake such investigation as is necessary to determine whether the allowance paid will allow an Employee to purchase available accommodation and three (3) meals per day in the community or communities where Employees will be domiciled. In the event that the Committee determines that the allowance is insufficient to purchase such lodging and meals the Committee shall determine the amount by which the subsistence allowance shall be adjusted. A decision of the Committee as to whether

the allowance is sufficient or whether a specified adjustment is necessary shall be final and binding provided that both appointees mutually agree with the resolve. Any such mutually agreed upon decision shall be issued within five (5) days from the date of referral, or such longer period as may be agreed by the Coordinating Committee and the Building Trades.

In the event the Committee fails to make the required determination or determinations within the period allowed, the meal and lodging costs ascertained by the Committee shall be referred, together with such other relevant evidence and argument as may be submitted by the parties, to an Umpire who shall be appointed within five (5) days in accordance with the provisions of Articles **12.02 (b)** and **(c)**. The Umpire shall render a final and binding decision as to whether the subsistence allowance is sufficient to allow an Employee to purchase accommodation and meals in the subject community or communities, and if it is not the amount by which the allowance should be adjusted to afford the purchase of available lodging and meals. The decision of the Umpire shall be rendered within five (5) full days of the Umpire's appointment, or such longer period as may be agreed by the Coordinating Committee and the Building Trades. The decision of the Umpire shall have the same binding effect and shall be subject to the same limited review as a decision of an arbitrator in grievance proceedings. The fees and disbursements of the Umpire shall be borne equally by the Coordinating Committee and the referring Union.

- (v) The Subsistence Review Committee and/or the Umpire shall enter into a review when determining subsistence costs and in order to come to the conclusions that are necessary to carry out the objects of this clause some guidelines are included;
- In the appropriate case the ability to decide on whether or not an increase in subsistence allowance shall be made retroactively to the date the matter was submitted to the Subsistence Review Committee.
 - To determine seasonal adjustments due to tourism, availability of rooms, etc. which may affect the rate of subsistence over the entire course of a job; i.e. an increase in costs during the tourism season followed by a decrease at the end of tourism season or some other such situation.

- Determine an appropriate accommodation cost based on what hotel rooms are available, how many such rooms are available, what hotels/motels to look at.
- The cost of meals based upon the range of standard camp meals routinely served in a camp pursuant to the Camp Rules, which are adopted in this Collective Agreement, over an average weekly period.
- Such other reasonable and ancillary powers as may be necessary to achieve the purpose of this clause.

There shall be no more than one reference of these matters to a Subsistence Review Committee Umpire with respect to any community in any calendar year unless it can be shown that there has been a material change of circumstances within that calendar year. Such a review within the calendar year may be made by either the Employer or the Union.

(f) Applicable to all Regions

(i)

- Employees unable to work due to legitimate illness, material shortage, job-site conditions, or inclement weather, and for whom it is not practical to return to their respective primary Alberta residences, shall receive their board and room or daily allowance for those work days that they were scheduled to work (or other days as set out in Article **11.05(b)**).
- To be eligible for board and room or daily allowance in these circumstances the Employee must have been unable to return to his primary Alberta residence due to the medical, work, site or weather conditions.
- In the event return to the employee's primary Alberta residence becomes reasonably possible and prudent, the entitlement to subsistence allowance shall cease.
- It is expected that circumstances to which this provision applies will be of short duration.
- For the purposes of this Article, for an employee who does not maintain a primary residence in Alberta, that employee's primary Alberta residence shall be deemed to be Edmonton or Calgary, whichever is the nearest.

- (ii) If an Employee chooses to leave before the completion of the shift without the consent of the Employer he will not be entitled to subsistence allowance for that day (and may be subject to other disciplinary or corrective measures). If an Employee chooses to leave before the completion of the shift with the consent of the Employer he will be paid a full day's subsistence if at least half the shift is worked and half a day's subsistence if less than half a shift is worked.
- (iii) All camps must meet the specifications as negotiated by Alberta Provincial Building Trades Council and Alberta Construction Labour Relations Association 1999 - 2008 camp rules and regulations, or any successor thereto.
- (iv) All grievances concerning a camp will be resolved through the grievance procedure provided in the A.B.T.C. / C.L.R.A. Camp Rules and Regulations.
- (v) If an employee, who is housed in a camp, is required by the Employer to transfer from one camp room to another, the employee shall be paid two hour's pay at the straight time basic hourly rate as full compensation for the time to move belongings.
- (vi) An inconvenience allowance of fifteen dollars (\$15.00) per day worked shall be paid to employees who are required to travel between the MRC or PTI camps and the Suncor site, or between the Suncor camps and the Aurora 1 or 2, or MRC sites. (This is a "pure" allowance, and is not to be considered part of earnings for the purposes of any calculations.) Similar situations not expressly mentioned in this clause which may arise in the future will be subject to discussion by the Parties to determine if the situation warrants consideration for similar treatment.

ARTICLE TWELVE - GRIEVANCE PROCEDURE

12.01 In the event that either the Employer, Trade Division, or the Union wish to process a grievance covering the interpretation, application, operation, or an alleged violation of this Agreement, such grievance shall be reduced to writing and shall be submitted by the one party to the other within twenty (20) days of the event giving rise to the grievance and proceed to step (d) below.

In the event of any dispute arising out of this Agreement between the Employer and an employee, the following procedure will be followed:

The Arbitration Board shall be comprised of one (1) member appointed by each of the parties and a neutral chairman appointed by the members. Each party shall bear the expense of their appointee and the expense of the chairman shall be shared equally by the parties.
- (e) If either party fails to appoint a member to the Arbitration Board within ten (10) days, or if the appointed members cannot agree on a neutral chairman within fourteen (14) days of the appointment of the second member, such appointments shall be made in accordance with the Labour Relations Code.
- (f) The Arbitration Board shall be vested with the authority to decide whether any matter referred to it is arbitrable. It shall make its decision within fourteen (14) days of the appointment of the Chairman.

It shall not alter, amend, or change the terms of this Agreement. The majority decision of the Arbitration Board shall be final and binding on both parties but if there is no majority award, the decision of the Chairman shall be the award.

- (g) By mutual consent of the parties the foregoing time limits may be extended.

12.02 Alternate Grievance Procedure. As an alternative procedure to that outlined, commencing with Article **12.01(d)** the following procedure shall be used if mutually agreed in writing between the parties.

- (a) The steps prescribed in Article **12.01(a), (b)** and **(c)** shall apply.

- (b) If the matter of complaint is not then settled within seven (7) days (excluding Saturdays, Sundays and holidays), it shall be referred to a single arbitrator who shall be selected and agreed upon by the parties.
- (c) Should the parties fail to agree on the appointment of a single arbitrator within fourteen (14) days from the date of referral, the appointment shall be made by the Minister of Labour.
- (d) The single arbitrator shall have the same authority as an arbitration board and shall make his decision within fourteen (14) days of his appointment.
- (e) The costs of and in connection with the single arbitrator shall be borne equally by each party.

The single arbitrator shall not alter, amend or change the terms of this Agreement. The decision of the arbitrator shall be final and binding on both parties.

- (f) By mutual consent of the parties the foregoing time limits may be extended.

The Job Superintendent or Foreman shall be notified by the Union of the name or names of such Job Steward(s) and in the event of a lay-off or reduction in the work force, the Job Steward shall be one of the last three employees laid off on the project, provided the Job Steward is qualified to perform the remaining work. Before the Job Steward is terminated or transferred the Business Manager and/or Business Representative shall be notified in writing of the reasons for termination or transfer.

Time shall be given to the Job Steward to carry out Job Steward duties, but the Steward shall not abuse that privilege.

The Steward shall not be discriminated against respecting the fulfillment of his proper duties as a Steward. Without restricting the generality of the foregoing, the Steward

shall not be discriminated against respecting work assignment, or the scheduling of overtime work, for which the Steward is qualified.

Where possible, the Union will be notified of new Employees hired after the forty-eight (48) hours. Employees so employed shall, within fifteen (15) days after their commencement of work, apply to the Union for membership.

This clause shall also apply to Carpenter Apprentices and Carpenter Foremen.

As a hiring resource for the Employer, the Union shall maintain hiring halls (or their equivalent) in Calgary, and Edmonton.

In the event non-members are hired, the requirements in respect to timely application for union membership shall apply.

- 13.07** Business Managers and/or Business Representatives shall have access to all projects or jobsites covered by this Agreement in the carrying out of their regular duties, after first notifying the Employer, Superintendent or person in charge, of his presence on the project. Nothing in this Clause shall be interpreted to restrict the right of the Employer or his Representative to temporarily refuse entry if circumstances warrant.

ARTICLE FOURTEEN - MANAGEMENT RIGHTS

14.01 The Union recognizes the right of the Employer to the management of its plant and the direction of the working forces, including right to select, hire, promote, transfer, or discharge any Employee for just cause, and further recognizes the right of the Employer to operate and manage its business in accordance with its commitments and responsibilities including methods, processes and means of production or handling in accordance with the terms of this Agreement, except as expressly provided herein or by statute, the Employer is deemed to have retained the traditional rights of management.

This zone shall apply to all persons covered by this Agreement except local residents.

The following conditions shall apply to all employees except local residents, within the following radial zones:

Zone 1 Within the Free Zones as noted above, all employees shall be responsible for their own transportation to and from the work site except that where, on remote jobsites, conditions are such that private and public transportation is not available and the work area is beyond reasonable walking distance, then the Employer shall provide transportation.

Zone 2 The area lying within the next one hundred (100) kilometres beyond the boundary of the free zones established above, is Zone 2. For any jobsite situated within this area the Employer shall supply transportation to and from the work site to the place of Accommodation or established central pick-up points, or, at his option, expressed by the employer in writing, pay vehicle allowance at the rate of thirty-nine cents (39¢) per kilometre from the edge of the free zone, to the job and back, to each employee who, by arrangement with the Employer uses his own vehicle to provide transportation outside the free zone.

At the Employer's option, camp or other board and room accommodations as provided for in Zone 3, may be provided in this zone for each day worked.

Zone 3 The area lying within the next one hundred (100) kilometres beyond the boundary of Zone 2 as established above, is Zone 3. For any jobsite situated within this area, the Employer shall provide at this option for each day worked:

(i) camp accommodation which conforms with the CLRA/ABTC Camp Rules and Regulations or successor standards;

or

(ii) reasonable room and board;

or

- (iii) agreed subsistence allowance.

Zone 4 The area lying within the next one hundred (100) kilometres beyond the boundary of Zone 3, is Zone 4. For any job situated within this area, the Employer shall provide at his option on the seven (7) day a week basis:

On jobs within Zone 5 only, the Employer will allow a return trip to the city in which the Local Union is centered (whichever is closer) after each sixty (60) days of employment on the project and shall grant leave from work for a maximum period of five (5) calendar days. Such trips shall be paid one way upon leaving the jobsite and reimbursed for the return upon reporting the job. Rate of reimbursement shall be the equivalent train, bus or airfare only as appropriate.

On remote jobsites (i.e. those within Zone 5) and when requested by the employee due to having insufficient funds to return to point of hire, the Employer shall arrange transportation for the employee to point of hire or supply him with an advance on wages due to him.

11.08 (a)

- Employees unable to work due to legitimate illness, material shortage, job-site conditions, or inclement weather, and for whom it is not practical to return to their respective primary Alberta residences, shall receive their board and room or daily allowance for those work days that they were scheduled to work (or other days as set out for Zones 4 and 5).
- To be eligible for board and room or daily allowance in these circumstances the Employee must have been unable to return to his primary Alberta residence due to the medical, work, site or weather conditions.
- In the event return to the employee's primary Alberta residence becomes reasonably possible and prudent, the entitlement to subsistence allowance shall cease.

- It is expected that circumstances to which this provision applies will be of short duration.
 - For the purposes of this Article, for an employee who does not maintain a primary residence in Alberta, that employee's primary Alberta residence shall be deemed to be Edmonton or Calgary, whichever is the nearest.
- (b) If an Employee chooses to leave before the completion of the shift without the consent of the Employer he will not be entitled to subsistence allowance for that day (and may be subject to other disciplinary or corrective measures). - (c) **Effect of unauthorized absence on Room and Board Entitlement.**
- (i) When an employee fails to report when work is available on the working day immediately preceding or following bad weather or recognized holidays other than for unavoidable causes, he shall forfeit room and board for such absenteeism and for the bad weather days or recognized holidays. When Saturday is not a working day and an employee fails to report to work on Friday when work is available, he shall forfeit room and board for Friday, Saturday and Sunday. When Sunday is not a working day and an employee fails to report to work on Monday when work is available, he shall forfeit room and board for Sunday and for Monday. An employee shall also forfeit room and board for absenteeism on any working day for other than unavoidable causes.
 - (ii) Unavoidable cause shall be deemed any illness or injury other than caused by consumption of liquor and/or illicit drugs. The Employer may request proof of illness or injury by way of a letter from a medical doctor.
- (d) In cases of illness or injury the Employer may choose to provide transportation expenses to point of hire rather than provide room and board entitlements.
- (e) Where the Employer's costs are fixed (as for Camp accommodation or long term room leases) the employee shall not be back-charged for such fixed costs, but, where subsistence allowance is paid then the employee shall not be paid for days missed as detailed above.

Vehicle Allowance

11.09 Where the transportation prescribed in Articles **11.07** is not provided by the Employer to an employee employed pursuant to this Collective Agreement, the Employer shall pay to the employee a daily vehicle allowance, being the product of twice the distance in kilometres from the edge of the relevant free zone to the subject project times thirty-nine cents (39¢) per kilometre.
