15.01 DAILY COMMUTING

The following conditions will apply on jobs within daily commuting distance of Edmonton, Calgary, or any location with a hiring hall, and on jobs from which employees commute daily from temporary accommodation provided or paid for by the Employer.

- (a) A forty-five (45) kilometre radius free zone from the center of the cities of Edmonton or Calgary (Geodetic Monument) or around any place in which

employees are temporarily domiciled by the Employer shall be established. The location of the Geodetic Monument of Edmonton is 101st Street and Jasper Avenue and for Calgary, the Calgary Tower.

No transportation or travel allowance shall be applicable within the free zone.

It is agreed that if a major petroleum/petro-chemical project is undertaken in the area south of Redwater but north of the free zone such project will be deemed to be included within the free zone.

(b) For projects beyond the forty-five kilometre (45 km) free zone for which daily travel is required, the Employer will have the following options;

- to provide transportation and pay travel allowance, or
- reimburse the employees, as a vehicle allowance, at the rate of thirty-four cents (\$0.34) per kilometer traveled, each way between the edge of the free zone and the project job site daily and pay travel allowance.

The travel allowance shall be calculated based on traveling at 80 km per hour, at the employee's applicable base rate, from the point where the edge of the 45 km radius free zone intersects the road which takes the shortest, most appropriate route, to the project and return to the intersecting point.

Example:

A Journeyman member traveling to a project located 40 road kilometers from the edge of the free zone at 80km per hour each way would receive the following for each day worked:

<u>Travel Allowance:</u> 80 km @ 80 km per hour	
1 hour at base rate of \$25.54 =	\$25.54
	+
<u>Vehicle Allowance:</u>	
80 km. @\$0.34 cents per km. =	<u>\$27.20</u>
For a daily total of:	<u>\$52.74</u>

Where the employer provides the transportation the travel allowance would be paid but the vehicle allowance would not be payable.

(c) Where the Employer is required to supply transportation, such transportation shall, at a minimum, be a safe, clean and modern means of transportation with sufficient seating for each person allowing adequate comfort for adults. When the size of the crew is such that the capacity of a coach-type bus is required, such bus transportation will be provided. Pick up points shall be mutually agreed upon.

- (d) Employees who are transported to a job site but who refuse to start work at the prescribed time due to a picket line or other form of labour relations dispute will not be paid transportation or travel allowance for that day.
- (e) When the transportation provided by the Employer for the conveyance of employees is delayed by circumstances beyond the control of the employees, the employees shall be paid for all such time, up to a limit of two (2) hours at the applicable straight time rate.
- (f) If an employee is required by the Employer to move from one job to another during working hours, the Employer shall provide the transportation or pay vehicle allowance at the rate of thirty-four cents (34¢) per kilometre travelled if the employee uses his own vehicle. The employee shall not suffer any loss of pay as a result of transferring between projects during working hours.
- (g) Employees required to travel out of a city or town to another job after working a shift, and before an eight (8) hour break occurs, shall be paid for all time travelled at the rate of time and one-half the normal rate. If still travelling the following day, the employee shall be paid the normal rate for time travelled during the regular working day only.

15.02 INITIAL AND RETURN TRANSPORTATION TO REMOTE SITES

- (a) Employees directed or dispatched to work sites located beyond a radius where daily commuting allowance under 15.01(b) would apply shall be paid travel allowance for initial travel and transportation to the project and return subject to the conditions in (b) below, based upon a radius from the cities of Edmonton or Calgary or other hiring hall location, as applicable, as follows:
 - (i) up to 200 kilometres - \$60.00 each way;
 - (ii) 200 kilometres to 300 kilometres - \$90.00 each way;
 - (iii) 300 kilometres to 375 kilometres, and the Empress area - \$110.00 each way;
 - (iv) over 375 kilometers to 475 kilometers \$165.00 each way, or actual airfare if suitable proof of air transport is provided to the employer.
 - (v) over 475 kilometers - as mutually agreed between the parties to this Agreement to a maximum of \$250.00 each way or air fare inclusive of taxes in the event this is the most practical method of accessing the project/job site.
- (b) Employees will qualify for and receive transportation allowance to the job site after being employed at the site for fifteen (15) calendar days and if the employee remains on the job until completion of thirty (30) calendar days, or until the job is completed, or until the employee is laid off, whichever occurs first, he shall be entitled to return transportation allowance.

Transportation allowance shall be paid on the first pay in respect to employment at the site, and deducted from final cheque if the employee does not qualify.

15.03 ROTATIONAL LEAVE (TURNAROUNDS)

(a) On jobs located beyond a Three Hundred (300) km radius to a maximum of Four Hundred and Seventy-Five (475) km from the centre of Edmonton or Calgary or other hiring hall location, the Employer shall:

(i) Pay an allowance of One Hundred and Twenty-Five Dollars (\$125.00) after thirty-five (35) calendar days of employment on the job and thereafter for each subsequent thirty-five (35) calendar days of employment on the job.

Where the Employee accepts Employer supplied transportation he shall not be entitled to the above allowance.

(ii) Allow Employees Five (5) working days leave after each thirty-five (35) calendar days of employment on the job.

(b) On jobs located beyond a Four Hundred and Seventy-Five (475) km radius from the centre of Edmonton or Calgary or other hiring hall location, the Employer shall:

(i) Provide a negotiated transportation allowance, not to exceed scheduled air line air fare where scheduled air service is available, or pay an allowance of Two Hundred and Twenty-Five Dollars (\$225.00) where airline service is not available, after thirty-five (35) calendar days of employment on the job and thereafter for each subsequent thirty-five (35) calendar days of employment on the job.

(ii) Allow Employees Five (5) working days leave after each thirty-five (35) calendar days of employment on the job.

(c) It is further understood and agreed that the above described trips be on a rotation basis and at no time more that twenty-five percent (25%) of the working force shall be on such home leave.

15.04 Local Residents

(a) A local resident is an individual who resides within a seventy-five (75) kilometer radius of the centre of a job site which is beyond daily commuting distance from Edmonton or Calgary or other locations where a hiring hall is located, and has resided within such radius of the site for a period of not less than six months prior to being engaged on the project. It is understood that the hiring of local residents shall be subject to the hiring procedures and prerogatives set out in this agreement.

(b) Local Residents residing within a forty-five (45) km. radius of the job site shall not be entitled to receive transportation or vehicle allowance, travel

allowance, initial and return travel allowance, room and board or subsistence, or camp accommodations, or rotational leave provisions.

Local residents residing between a forty-five (45) km radius and a seventy-five (75) km radius of the job site shall not be entitled to receive initial and return travel allowance, room and board or subsistence, or camp accommodations, or rotational leave provisions, but shall be paid a travel allowance of twenty-seven dollars (\$27.00) per day worked to cover transportation expenses and travel allowance, or if transportation is supplied by the Employer, a daily travel allowance of thirteen dollars and fifty cents (\$13.50) will be paid for each day worked.

- (c) Where a Camp Kitchen is established, a Local Resident Employee shall be entitled to a noon meal provided without cost to himself.
- (d) Where a Local Resident Employee is required to work overtime, he shall be entitled to overtime meals in accordance with this Agreement.
- (e) The parties agree that the early participation of qualified local resident employees in work undertaken under this agreement is most desirable and will be strongly promoted. In support of this the Union agrees that local qualified tradesmen will be given an opportunity to join the Union and will be dispatched to the job when positions become available, subject to the mutual agreement of the parties.

15.05 Accommodation, Room & Board

- (a) Applicable within a 475 kilometer radius of the centre of Edmonton or Calgary or other hiring hall location (but excluding National Parks)

When an employee is directed or dispatched to work on an out-of-town job, the employer will provide:

- (i) camp accommodation, which shall be available seven days per week; or
- (ii) mutually agreed room and board; or
- (iii) for each day worked, reimbursement toward the expense of the employee's board and lodging, and any goods and services tax paid by the employee in the purchase of board and lodging, by way of a subsistence allowance in the amount of seventy-five dollars (\$75.00) throughout the Province of Alberta except for:
 - the Hinton region during the June through September period during which the rate will be \$85.00
 - the Fort McMurray region where the rate will be \$90.00
 - the Peace River and Grande Prairie region where the rate will be \$85.00
 - the Grande Cache region where the rate will be \$80.00
 - the Cold Lake region where the rate will be \$80.00

- (iv) On a project / jobsite located over two hundred and fifty (250) radius kilometers from the geographic centre of Edmonton or Calgary or other hiring hall location (as applicable) one additional day's subsistence shall be paid for the use of accommodation for the night following the last day worked, provided that the Employee presents a bona-fide commercial receipt to his Employer for each occasion the accommodation is used. Where the Employer or his client is providing a free bus trip back to the city on the same day as the last shift of the week, this provision shall not be applicable.

Board and room will be supplied or the daily expense allowance will be paid for any Statutory Holiday which falls on a scheduled work day other than a Monday or Friday (Thursday where a compressed work week schedule is in effect) provided the employee reports for work on the work day immediately preceding and following the Statutory Holiday.

- (b) Applicable beyond a 475 kilometer radius of the centre of Edmonton or Calgary or other hiring hall location (excluding National Parks and Northwest Territories)

When an employee is directed or dispatched to work on an out-of-town job which will last at least five days, the employer will provide, on a seven (7) days per week basis:

- (i) camp accommodation; or
- (ii) mutually agreed room and board; or
- (iii) reimbursement toward the expense of the employee's board and lodging, and any goods and services tax paid by the employee in the purchase of board and lodging, by way of a subsistence allowance in the amount of seventy-five dollars (\$75.00) throughout the Province of Alberta except for:
- the Hinton region during the June through September period during which the rate will be \$85.00
 - the Fort McMurray region where the rate will be \$90.00
 - the Peace River and Grande Prairie region where the rate will be \$85.00
 - the Grande Cache region where the rate will be \$80.00
 - the Cold Lake region where the rate will be \$80.00

Employees failing to report for work on the work day immediately preceding and following a week-end or Statutory Holiday will receive the above for days worked only.

- (c) In the event that any difference arises respecting the adequacy of accommodation provided by the employer pursuant to clauses 15.05(a)(ii) or 15.05(b)(ii) above, the difference shall be referred to a balanced committee of appointees of the Building Trades Council and the

Coordinating Committee of Registered Employers' Organizations, which committee shall make a final and binding decision within five days from the date of referral.

- (d) The parties agree that wherever practical and workable in all of the circumstances of the project, camp accommodation is preferable to the provision of room and board, and that the provision of room and board is preferable to the payment of subsistence allowance. However, any of these three options will satisfy the employer's obligations pursuant to this article.
- (e) (i) In certain situations, employees may be dispatched or directed to work on projects which are in an area where the cost of available suitable single room accommodation and/or meals may be in excess of the daily rate of subsistence set out in this Article. In such a case, the employer shall provide one of the following options:
- provide suitable room and board; or
 - directly pick up the cost of the room and pay a meal allowance to be determined as is set out in this Article; or
 - the subsistence allowance shall be reviewed and, if necessary, adjusted by the following procedure:
- (ii) Either the subsistence allowance may be adjusted by mutual consent between the Employer and the Union, or the Business Manager of the Union may request that the President of the Alberta Building Trades Council issue a formal written request to the Coordinating Committee of Registered Employers' Organization that a Subsistence Review Committee be established. Upon formal written request the Subsistence Review Committee shall meet within five (5) working days of such request.
- (iii) The Subsistence Review Committee will consist of one (1) representative appointed by the Alberta Building Trades Council and one (1) representative appointed by the Employers' Coordinating Committee. Neither appointee shall be directly involved with the issue at hand.

The Subsistence Review Committee will undertake such investigation as is necessary to determine whether the allowance paid will allow an Employee to purchase available accommodation and three (3) meals per day in the community or communities where Employees will be domiciled. In the event that the Committee determines that the allowance is insufficient to purchase such lodging and meals the Committee shall determine

the amount by which the subsistence allowance shall be adjusted. A decision of the Committee as to whether the allowance is sufficient or whether a specified adjustment is necessary shall be final and binding provided that both appointees mutually agree with the resolve. Any such mutually agreed upon decision shall be issued within five (5) days from the date of referral, or such longer period as may be agreed by the Coordinating Committee and the Building Trades.

- (iv) In the event the Committee fails to make the required determination or determinations within the period allowed, the meal and lodging costs ascertained by the Committee shall be referred, together with such other relevant evidence and argument as may be submitted by the parties, to an Umpire who shall be appointed within five (5) days in accordance with the provisions of Article 17.04. The Umpire shall render a final and binding decision as to whether the subsistence allowance is sufficient to allow an Employee to purchase accommodation and meals in the subject community or communities, and if it is not the amount by which the allowance should be adjusted to afford the purchase of available lodging and meals. The decision of the Umpire shall be rendered within five (5) full days of the Umpire's appointment, or such longer period as may be agreed by the Coordinating Committee and the Building Trades. The decision of the Umpire shall have the same binding effect and shall be subject to the same limited review as a decision of an arbitrator in grievance proceedings. The fees and disbursements of the Umpire shall be borne equally by the Coordinating Committee and the referring Union.
- (v) The Subsistence Review Committee and/or the Umpire shall enter into a review when determining subsistence costs and in order to come to the conclusions that are necessary to carry out the objects of this clause some guidelines are included;
- In the appropriate case the ability to decide on whether or not an increase in subsistence allowance shall be made retroactively to the date the matter was submitted to the Subsistence Review Committee.
 - To determine seasonal adjustments due to tourism, availability of rooms, etc. which may affect the rate of subsistence over the entire course of a job; i.e. an increase in costs during the tourism season followed by a decrease at the end of tourism season or some other such situation.

- Determine an appropriate accommodation cost based on what hotel rooms are available, how many such rooms are available, what hotels/motels to look at.
- The cost of meals based upon the range of standard camp meals routinely served in a camp pursuant to the Camp Rules, which are adopted in this Collective Agreement, over an average weekly period.
- Such other reasonable and ancillary powers as may be necessary to achieve the purpose of this clause.

There shall be no more than one reference of these matters to a Subsistence Review Committee Umpire with respect to any community in any calendar year unless it can be shown that there has been a material change of circumstances within that calendar year. Such a review within the calendar year may be made by either the Employer or the Union.

- (f) Applicable to all Regions
 - (i) Employees unable to work due to legitimate illness, material shortage, job-site conditions, or inclement weather shall receive their board and room or daily allowance.
 - (ii) All camps must meet the specifications as negotiated by Alberta Provincial Building Trades Council and Alberta Construction Labour Relations Association 1999 - 2008 camp rules and regulations.
 - (iii) All grievances concerning a camp will be resolved through the grievance procedure provided in the A.B.T.C. / C.L.R.A. Camp Rules and Regulations.

15.06

A seventy (70) kilometer free zone shall be established around the center of every city, town or village in which employees reside and around every place where accommodation is provided and/or paid for by the Employer. This zone shall apply to all persons covered by this Agreement except local residents.

The following conditions shall apply to all employees engaged in work that is not industrial work, except local residents, within the following radial zones:

Zone 1 Within the Free Zones as noted above, all employees shall be responsible for their own transportation to and from the work site except that where, on remote job sites, conditions are such that private and public transportation is not available and the work area is beyond reasonable walking distance, then the Employer shall provide transportation.

Zone 2 The area lying within the next one hundred (100) kilometers beyond the boundary of the free zones established above, is Zone 2. For any job site situated within this area the Employer shall supply transportation to and from the work site to the place of accommodation or established central pick-up points, or, at his option, expressed by the Employer in writing, pay vehicle allowance at the rate of thirty-four cents (34¢) per kilometer from the edge of the free zone, to the job and back, to each employee who, by arrangement with the Employer uses his own vehicle to provide transportation outside the free zone.

At the Employer's option, camp or other board and room accommodations as provided for in Zone 3, may be provided in this zone for each day worked.

Zone 3 The area lying within the next one hundred (100) kilometers beyond the boundary of Zone 2 as established above, is Zone 3. For any job site situated within this area, the Employer shall provide at his option for each day worked:

- (i) camp accommodation which conforms with the ACLRA/ABTC Camp Rules and Regulations or successor standards;
- or
- (ii) reasonable room and board;
- or
- (iii) agreed subsistence allowance.

Zone 4 The area lying within the next one hundred (100) kilometers beyond the boundary of Zone 3, is Zone 4. For any job situated within this area, the Employer shall provide at his option on the seven (7) day a week basis:

- or
- (ii) reasonable room and board;
- or
- (iii) agreed subsistence allowance.

Zone 5 The area lying beyond the outer boundary of Zone 4, or areas within the above noted zones which are inaccessible by automobile, is Zone 5. On jobs within Zone 5 only, the Employer will allow a return trip to the city in which the Local Union is centered (whichever is closer) after each sixty (60) days of employment on the project and shall grant leave from work for a maximum period of five (5) calendar days. Such trips shall be paid one way upon leaving the job site and reimbursed for the return upon reporting to the job. Rate of reimbursement shall be the equivalent train, bus or air fare only as appropriate.

On remote job sites (i.e. those within Zone 5) and when requested by the employee due to having insufficient funds to return to point of hire, the Employer shall arrange transportation for the employee to point of hire or supply him with an advance on wages due to him.

15.07 Effect of unauthorized absence on Room and Board Entitlement.

1. When an employee fails to report when work is available on the working day immediately preceding or following bad weather or recognized holidays other than for unavoidable causes, he shall forfeit room and board for such absenteeism and for the bad weather days or recognized holidays. When Saturday is not a working day and an employee fails to report to work on Friday when work is available, he shall forfeit room and board for Friday, Saturday and Sunday. When Sunday is not a working day and an employee fails to report to work on Monday when work is available, he shall forfeit room and board for Sunday and for Monday. An employee shall also forfeit room and board for absenteeism on any working day for other than unavoidable causes.
2. Unavoidable cause shall be deemed any illness or injury other than caused by consumption of liquor and/or illicit drugs. The Employer may request proof of illness or injury by way of a letter from a medical doctor.
3. In cases of illness or injury the Employer may choose to provide transportation expenses to point of hire rather than provide room and board entitlements.
4. Where the Employer's costs are fixed (as for Camp accommodation or long term room leases) the employee shall not be back-charged for such fixed costs, but, where subsistence allowance is paid then the employee shall not be paid for days missed as detailed above.

15.08 Where the transportation prescribed in Article 15.12 is not provided by the Employer to an employee employed pursuant to this Collective Agreement, the Employer shall pay to the employee a daily vehicle allowance, being the product of twice the distance in kilometers from the edge of the relevant free zone to the subject project times thirty-four cents (34¢) per kilometer on work that is not industrial.

Local Residents

15.09 The parties agree that the early participation of qualified Local Resident Employees in work undertaken under this Agreement is most desirable and will be strongly promoted.

15.10 A Local Resident Employee shall be defined as a Union Member who has maintained his domicile within a seventy (70) kilometer radius of a job site, for a minimum of six (6) months.

15.11 A Local Resident Employee shall not be entitled to the subsistence pay, turnaround leave & expenses, and initial and return travel provisions of the Collective Agreement.

The job superintendent or other senior Employer's representative on the job shall be notified of the name of the job steward and the names of any assistant stewards appointed. Time shall be given to the job steward to carry out his duties.

18.02 The Business Agent is to have access to all jobs covered by this collective agreement in carrying out his regular duties, after first notifying the superintendent or other senior representative of the Employer. This access is not to be refused unless justifiable circumstances warrant this action.

18.03 The Union shall have the right to post notices at the designated places on any job affected by this agreement. All such notices must be signed by the proper officer of the Local Union and submitted to the management of the Employer for his approval.

18.04 The Employer recognizes the Local Union as the exclusive bargaining agent of those employees of the Employer for whom each Local Union has established and retained or subsequently establishes and retains the right of collective bargaining, to the extent that the said employees are engaged in the territories and trade jurisdiction to which this Agreement applies.

The Employer shall give preference to sub-contractors who have contractual relations with the Union. If sub-contractors bound by this Agreement are not available and other sub-contractors are engaged on such "industrial" work, the conditions of this Agreement relating to hours of work, wage rates, overtime, vacation pay & statutory holiday pay, health and welfare, pension, and training contributions shall apply to the said sub-contractors.
- 20.02** For "non-industrial" work, being work which does not fall within the scope of Article 5.02, the Employer agrees that it will not subcontract out Cement Masons' work, which is regularly and routinely performed by the Employer's own forces, unless such work is to a Contractor that agrees to be bound by the terms and conditions of this Agreement. Subcontractors who also do work that the Employer normally does not use its own work force to perform are not covered by this prohibition.

ARTICLE TWENTY-ONE - SPECIAL PROJECTS

- 21.01** On projects where the existing Collective Agreement does not adequately cover working conditions, a pre-job meeting may be held.
- 21.02** Any proposed modifications to the existing Agreement resulting from such pre-job meeting must, prior to their implementation, be ratified by the parties to the existing Collective Agreement.

ARTICLE TWENTY-TWO - ENABLING

- 22.01** It is recognized that from time to time certain terms and conditions of employment for Cement Masons may require alteration from those contained in this collective agreement in order to enable the Contractor to obtain certain work or execute certain work in a manner that is deemed to be prudent. Any request to alter terms and condition of employment can be initiated by the Employer, Local Union, or Association.
- 22.02** Any modification to terms and conditions of employment will be finalized in writing by the Business Manager of the local Union, or his designate, plus a Representative of Construction Labour Relations - An Alberta Association. All enabled conditions will be available to any signatory contractor applying for enabling and bidding the work on which enabled conditions apply.

22.03 Where mutual agreement is not achieved such request to modify terms and conditions of employment will not be subject to resolution through the grievance and arbitration process.

22.04 **"Blanket Enabling" for Commercial/Institutional Projects:** Notwithstanding the foregoing, any Employer who wishes to apply a rate to a commercial/institutional project (i.e. work that is not encompassed by the definition of industrial work set out in Article 5.02) that is less than the rate set out in this Agreement respecting such a project shall so advise the Registered Bargaining Agent for the Employers (the Association) of the minimum journeyman base rate necessary to be competitive in the tendering of the identified project. In the event only one such Contractor so contacts the Association respecting the project identified, the Association shall advise the Union of the project and of the rate determined for that project prior to the tendering respecting the said project, and the rate so identified shall be the minimum rate for the journeyman employees of the said Employer who are engaged on the said project and the minimum rates for other employees of the said Employer on the said project shall be calculated on the said minimum journeyman rate.

In the event more than one Employer advises the Association of an intent to apply a lesser minimum journeyman base rate to a particular project, then the Association shall convene a meeting of the Employers who so advise the Association of such intent, and the minimum journeyman base rate to be applied to such project shall be decided by the meeting of such Employers. The Association shall advise the union of the project and of the rate so determined for that project prior to the tendering respecting the said project, and the rate so identified shall be the minimum rate for the journeyman employees of the said Employers who are engaged on the said project and the minimum rates for other employees of the said Employers on the said project shall be calculated on the said minimum journeyman rate.

ARTICLE TWENTY-THREE - CONSULTATIVE COMMITTEE

23.01 The parties mutually agree that there shall be a Consultative Committee set up consisting of not less than four (4) members or more than six (6) members with equal representation from both parties. One member shall be a representative of the C. L. R. - A. and one member shall be the Business Representative of the Union. Equal voting rights for both parties to this Agreement shall be maintained at each meeting of the Committee.

23.02 The objective of this Committee is to attempt to resolve problems such as Agreement obsolescence, and matters not specifically outlined in this Agreement, and alleged violation of this Agreement.

23.03 In the event of an alleged violation of the Agreement which has not been settled in the Grievance Procedure and is received by the Consultative Committee, the Committee shall meet and hear the complaint within five (5) days of receiving notice prior to the grievance proceeding to arbitration.

- 23.04** The Consultative Committee shall render its decision within two (2) days after hearing the complaints.
- 23.05** The Committee shall have full powers to investigate any and all complaints, obtain such evidence as the Committee deems necessary, and recommend such action as the Committee deems appropriate.
- 23.06** The Committee may agree to recommend changes to the provisions of this Agreement to provide for greater uniformity and/or to meet conditions unique to the special needs of the industry. Any changes to the Agreement must be ratified by the Parties to the Agreement before they are implemented.
- 23.07** The Committee shall have joint chairmanship; one co-chairman from the Union and one from the Trade Division. The co-chairmen shall each chair alternate meetings.
- 23.08** The Committee shall meet at the call of either of the co-chairmen but shall attempt to meet at least once per year.

ARTICLE TWENTY-FOUR - ASSOCIATION DUES ASSESSMENT

24.01 EMPLOYERS' ORGANIZATION DUES

In satisfaction of the Employers' obligations under section 163 of the Labour Relations Code and in satisfaction of the Employers' obligations under this collective agreement, the Employer shall pay to the Association the hourly dues levied by the Association pursuant to section 163 of the Code. The rate of dues levied by the Association as of the effective date of this collective agreement shall be twelve (12¢) per hour for each and every hour worked by employees of the employer that are affected by registration certificate no. 14 and by this collective agreement. In the event of a failure on the part of any Employer to contribute to the Association the dues required to be contributed pursuant to section 163 of the Labour Relations Code and pursuant to this article of this collective agreement, the Association may, at the sole choice and prerogative of the Association, collect the dues as a debt payable by application to the Labour Relations Board and/or by other civil action, or may collect the dues by way of a grievance filed, notwithstanding any other provision of this collective agreement, by the Association against the subject Employer. The Association may not, however, simultaneously pursue a violation of this Article through application to the Labour Relations Board and/or other civil action and through the grievance procedure.

24.02 ALBERTA BUILDING TRADES COUNCIL CHECK-OFF

- (a) The Employer shall deduct five cents (5¢) per hour worked as a check-off to the Alberta and Northwest Territories (District of MacKenzie) Building and Construction Trades Council (the "Council"). Such deduction shall be paid for each and every employee covered by the terms of and operation of this Collective Agreement. The moneys so deducted shall be remitted in the same manner as Union dues are remitted under this Collective Agreement and within the same time frames. At the option of the Employer, the Employer may remit such moneys directly to an account designated by the Council, under the same timings and conditions as are in force for submission to the Local Union.
- (b) The moneys deducted by the Employer for the Council check-off shall be deemed to be in trust. Where the Employer chooses to remit the check-offs to the Union the same shall be remitted by the Employer and received by the Union in trust for the Council.
- (c) In any event the Employer shall report to the Council, either as part of the Employer's report to the Union or as noted below, in the same manner and timing as are in force for submission of dues to the Union, a list for each month for which the deductions are made, which shall include:
 - (1) the name and social insurance number for each employee on whose behalf the deduction was made;
 - (2) the number of hours worked;
 - (3) the amount of money deducted;
 - (4) the employee's trade union affiliation;
 - (5) a nil return where applicable.

In making this report directly to the Council, the Employer may use his own computer or hand generated records or may use of forms supplied the council, such forms to be available to the Employer on request and at no cost to the Employer.

ARTICLE TWENTY-FIVE - PROHIBITION OF STRIKES OR LOCKOUTS

25.01 The Employer agrees that there will be no lockout or breach of this Agreement during its term.

25.02 The Union agrees that there shall be no strike, stoppage of work, slowdown, work to rule or other action that would stop or interfere with the Employer's operations during the term of this Agreement.

ARTICLE TWENTY-SIX - SAVING CLAUSE

26.01 In the event that any part of this Agreement is found to be invalid by any Court of Law or by any Federal or Provincial administration agency or tribunal, then it is distinctly understood that the remainder and balance of this Agreement shall remain in full force and effect for the term of this Agreement and such findings shall not affect the balance of this Agreement. It is further agreed that the Parties to this Agreement may mutually agree to re-negotiate such provision or provisions of this Agreement for the purposes of making them conform to the statutes violated.

ARTICLE TWENTY-SEVEN - FILING OF COPIES

27.01 Copies of this Agreement shall be filed with the Director of Mediation Services as required by the Labour Relations Code.
