respecting the provisions to be included within the Collective Agreement pursuant
to the Labour Relations Code,**

**NOW THEREFORE, this Agreement witnesseth that the terms of the Collective Agreement
between the Parties are as follows:**

PART A: APPLICABLE TO INDUSTRIAL WORK

When the phrases “this Agreement” or “this Collective Agreement” are used in this Part, they shall, as appropriate, be read as “this Part of this Collective Agreement”.

For the purpose of obtaining gender neutral language in this Agreement, in some instances, plural references shall be read to refer to the singular tense, for example “they” shall mean “he or she” in the singular, and “their” shall mean “his or her” in the singular.

ARTICLE ONE - DURATION

- 1.01** This Agreement shall be in full force and effect from the first day of May 2015, up to and including the 30th day of April 2019, and thereafter it shall be renewed from year to year unless notice for change or termination is given as set forth below.
- 1.02** Either party to this Agreement may, not less than sixty (60) days or more than one hundred and twenty (120) days, immediately preceding the expiry date of this Agreement, require by notice in writing to the other party by registered or certified mail, to commence Collective Bargaining for the revision, renewal or replacement of this Collective Agreement. If notice to negotiate has been given, this Agreement shall remain in full force and effect until the commencement of a lawful strike or lockout or until the date that a new Collective Agreement comes into effect.
- 1.03** Notwithstanding 1.02 above, either party to this Collective Agreement may, not less than sixty (60) days and not more than one hundred and twenty (120) days immediately preceding the expiry date of this Agreement, serve notice to the other party by registered or certified mail of its intent to terminate this Agreement on the expiry date listed in 1.01 above.
- 1.04** The Employer agrees that there shall be no lockout during the term of this Agreement.
- 1.05** The Union agrees that there shall be no strike, stoppage of work, slow down or work to rule or other collective action which would stop or interfere with the Employer's operations during the term of this Agreement.

ARTICLE TWO - GEOGRAPHICAL JURISDICTION

The jurisdiction of Local 92 shall also include that part of the Northwest Territories directly above the Provinces of Saskatchewan, Alberta, and British Columbia and that part of Nunavut Territory directly above the Provinces of Saskatchewan and Alberta.
- (b) **Local 1111** - That part of the Province of Alberta, north of the 49th parallel (U.S. border) to the south boundary line of Township 40, between the British Columbia and Saskatchewan borders.

ARTICLE THREE - SCOPE

3.02 Commercial and Institutional work for the purposes of this Collective Agreement shall be defined as that work within the scope of Registration Certificate #57 which is not included within the work defined under Article 3.01 of this Agreement.

3.03 The Employer recognizes the Union as the sole and exclusive bargaining agent for all of the Employer's Employees as listed under the wage classifications in this agreement, and including all Employees operating all hand, electric, or combustion motor driven tools or equipment, necessary for the performance of the

work of the above Employees, and also Labourers tending all crafts, including mixing, handling and conveying all materials used by other crafts.

- 3.04** The Union recognizes the Association as the sole bargaining agent for those Employers covered by this Agreement.

ARTICLE FOUR - TRADE JURISDICTION

- 4.01** This agreement covers the rate of pay, rules and working conditions for all Labourers and Labour Foremen engaged on work coming within the scope of Registration Certificate #57 including the tending of all crafts, and such work as has traditionally, historically or by area practice been the work of the Labourer.

ARTICLE FIVE - UNION RIGHTS (UNION SECURITY)

- 5.01** A Job Steward shall be recognized on all jobs and shall not be discriminated against. The Steward shall be one of the last (5) members employed provided they are qualified for the classification of the work being performed. The Employer will notify the Business Manager or Representative prior to the dismissal of the Steward, except for reasons of safety. Job Stewards shall be allowed sufficient time to perform their duties provided they have received approval from their immediate supervisor which shall not unreasonably be withheld. All Job Stewards shall be appointed by the Business Manager of the Local Union and the Employer shall be notified in writing.
- 5.02** An Official Representative of the Union shall have access to all jobs covered by this Agreement in carrying out their regular duties after first notifying the Superintendent or person in charge and upon the condition that they shall not interfere with the performance of the work and agrees to comply with all safety regulations on site. Information pertaining to jobsite locations shall be made available to the Union representative upon request.
- 5.03** The Union shall have the right to post approved notices at the designated places on the job. All such notices must be authorized by the Union and approved by the Employer's authorized Representative of the job.
- 5.04** The parties to this Agreement recognize the status of the individual Labourer as a Tradesperson. Neither party shall knowingly allow any Labourer to be discriminated against in respect to their rights under this Agreement, or their rights to fair treatment compared with other Trades in working conditions, camp facilities, transportation and travel time on all job sites. It is understood that this clause is not intended to amend any of the terms of this Collective Agreement.
- 5.05** Except in situations where immediate discharge is warranted, Employers are encouraged to follow a progressive discipline procedure.

- 5.06** Wherever practical, the Job Steward shall have completed a comprehensive training program dealing with the “Canadian Model Alcohol Guideline and Work Rules”.
- 5.07** The Employer agrees to deduct Union dues, including working dues and Building Trades Dues, as a condition of employment. Initiation fees and assessments shall be deducted immediately when the Employer is presented with the properly signed authorization. Such dues, initiation fees and assessments shall be received by the Secretary-Treasurer of the Union, accompanied by a list of the Employees for whom the deductions are made before the 15th day of the month following the month in which the deductions are made. These deductions shall be submitted to the Secretary-Treasurer of the appropriate Local Union.

ARTICLE SIX - UNION RECOGNITION AND HIRING PROCEDURE

- 6.01**
- (a) The Employer agrees to hire only members in good standing of Local 92 and Local 1111 through the services of the Union Hall when Employees are required. Members so hired shall be in possession of a referral slip from the Union or the Union agrees to provide necessary referral slips to the Employer before commencement of work. When the Employer calls the Union for workers and the Union is unable to supply competent workers within forty-eight (48) hours, exclusive of Saturdays, Sundays, and Holidays, the Employer may engage new workers directly on the understanding that they shall make application to become members of the Union within fifteen (15) days of commencement of employment. Any such Employee who has not made application to become a member of the Union within the allowed fifteen (15) days shall be terminated.
 - (b) The Employer agrees to make available a copy of each referral slip to the Union’s Job Steward. When workers are required, the employer shall call the Union for such workers. The Employer may recall former employees who have been employed by them in the previous eighteen (18) months provided that such employees received a bona fide layoff from their previous employer and are registered on the Local Unions out of work list.
 - (c) All Employees who are members in good standing of the Union and all Employees who become members shall, as a condition of employment, maintain their membership in good standing.
 - (d) Workers dispatched by the Union will be in possession of proof of required qualifications to meet the Employer's dispatch requirements including, but not limited to;
 - CSTS, basic Workplace Hazardous Materials Information System (WHMIS) training
 - OSSA Orientation, OSSA Fall Arrest (or equivalent), other safety or health related training to meet site specific requirements such as "H2S Alive", "Confined Space Entry", "First Aid", etc.

- (e) The parties are committed to eliminating unnecessary, duplicative safety training. Therefore, workers are expected to disclose to the Employer any current safety training certificates that may be required for that job, as identified by the employer at the point of dispatch. The Employer shall supply a single point of contact for the purpose of supplying this information by way of email, fax, or phone. Following the acceptance of a dispatch slip, workers shall promptly remit to the Employer, copies of any applicable safety certificates by fax, email, or personal presentation at an address of the Employer or any other method that will achieve this objective.
- (f) When the worker request is submitted, the employer will endeavor to ensure that the qualifications required by the worker in order to be appropriately assigned the expected tasks and duties are listed on the dispatch.
- (g) Employees who have no previous experience and are not members of the union must serve a probationary period of not less than (60) sixty calendar days. The probationary period may be extended for each (5) work days of absence due to illness/injury. The probationary period will serve as an opportunity for the parties to establish if the worker has the necessary knowledge, skills, and competency and is suitable to be successful in the industry. A probationary employee will have all rights under the collective agreement except for arbitration rights regarding termination.
- (h) Workers dispatched by the Union who do not possess the required qualifications, and who are not hired by the contractor for that reason, will not be entitled to show up pay or any traveling expenses or allowances."
- (i) When an Employee is terminated and is not eligible for rehire, if the Union is notified in writing by the Employer, such former Employee shall not be dispatched to that same Employer without the express prior permission of the Employer.
- (j) On certain projects where client specifications require the hiring of visible minorities a Pre-job meeting will be held between the Contractor, the Trade Division, and the Union in order to accommodate the client requirements.

6.02

The Employer has the right to name hire supervision and Employees provided such Employees are in good standing with the appropriate Local Union in accordance with the following; (the following numbers are in addition to supervision)

- (a) the Employer has the right to name hire the first twenty (20) Employees on any one site.
- (b) thereafter the Employer shall have the right to name hire one additional Employee out of every four Employees hired.

The above hiring ratio will not apply to a situation where an Employer has had to reduce their workforce on an individual job temporarily. In such cases the Employer will be able to hire their original Employees back for that job.

On a site where there are numerous contracts for work which involve Labourers, and contractors already on site are bidding for new work on that site in competition with a contractor who is not yet on site, the contractors on site may utilize the name hire provisions of this Clause for work on that contract in order to prevent the off-site contractors from having a competitive advantage due to more access to name hires.

6.03 On projects located beyond daily commuting distance of Calgary and Edmonton, an Employer may give local resident members of the Union first preference of employment. Where an owner/client places local content hiring preference conditions on multi-trade projects the Parties to this agreement will cooperate in working towards meeting such conditions.

6.04 The Parties to the Collective Agreement agree that they will undertake a monitoring process to evaluate the employment status of local resident member residing in the Wood Buffalo region, and such other region where a client expresses a concern during the term of the Agreement. If it is determined that there is an underutilization of local resident members the Parties will meet and address the issue.

ARTICLE SEVEN - MANAGEMENT RIGHTS

7.01 Subject only to the terms of this Agreement, the Union recognizes the right of the Employer to the management of its plant and the direction of the working forces, including the right to hire and select workers, promote and/or transfer any Employee or to discharge any Employee for just cause, and further recognizes the right of the Employer to operate and manage its business in accordance with its commitments and responsibilities including methods, processes and means of production or handling.

7.02 Employees party to this Agreement shall work under the conditions herein set out. The Employer shall be given preference in the supplying of Union Employees.

7.03 Employees who are working or are offered the number of hours employment provided by this Agreement shall not engage in any other employment within the scope of this Agreement, or other work which interferes with their ability to perform their duties, for remuneration.

ARTICLE EIGHT - HOLIDAYS AND VACATIONS

8.01 All work performed on the following recognized holidays and any such day as may be declared by the Federal or Alberta Governments shall be paid for at the rate of double time (2x), plus any applicable shift differential as follows:

New Year's Day
Family Day
Good Friday
Victoria Day
Canada Day
Heritage Day

Labour Day
Thanksgiving Day
Remembrance Day
Christmas Day
Boxing Day

- 8.02** For the purposes of this section, a “regular work day” is a day for which straight time rates would apply and an “overtime day” is a day for which overtime rates would apply to all hours worked.

Where a General Holiday falls on an overtime day, the General Holiday will be observed on the next regular work day. Under these circumstances, work performed on the day on which the General Holiday falls will be paid at the overtime rates otherwise required by the Collective Agreement, and work performed on the day on which the General Holiday is then observed will be paid at double time.

- 8.03** No work shall be performed on Labour Day, except for the preservation of life or imminent danger to property.

- 8.04** The Employer shall pay to the Employee for each hour worked (not including any pay for time traveled) a vacation allowance equal to six (6) percent of the applicable rate of pay, and a holiday pay allowance equal to four (4) percent of the applicable rate of pay.

ARTICLE NINE - HOURS OF WORK

- 9.01** The following sections are designed to identify the regular hours of work, shift hours and overtime hours and are not to be construed as a guarantee of hours of work per day, per week or with respect to days in any week.

9.02 Work Week

The regular working week shall consist of forty (40) hours of employment.

- 9.03**
- (a) The regular working day shall consist of eight (8) hours of employment normally worked between 7:30 a.m. and 5:00 p.m., Monday through Friday. There shall be a lunch period of one (1) hour or one-half (½) hour duration.
 - (b) The Employer may vary the start/quit times by changing the scheduled starting time up to one hour at their option. Variances beyond one (1) hour shall be agreed mutually by the Employer and the Business Representative of the Union and the consent to variance will not be unreasonably withheld.
- 9.04**
- (a) Shift work is defined as a continuous operation but for lunch period, for which start times shall be between 12:00 noon and 4:00 a.m., for a minimum of two (2) consecutive working days.

- (b) There shall be a shift premium of \$3.00/hour, for a "second" or a "third" shift.
- (c) There shall be no pyramiding of premiums.

9.05

Overtime rates shall be as follows:

- (a) The first two hours worked beyond the regular or shift hours as defined in this Article will be paid at one and one-half times (1.5x) the applicable basic rate of pay. Overtime hours beyond two hours in a day, or any work on Saturdays, Sundays or General Holidays will be paid at two times (2x) the applicable basic rate of pay

When working a compressed work week pursuant to Clause 9.06 the first ten (10) hours worked on a compressed work week day off (either the Monday or Friday as applicable) will be paid at one and one-half times (1.5x) the applicable basic rate of pay. All other overtime hours will be paid at two times (2x) the applicable basic rate of pay.

- (b)
 - (i) It is accepted that a worker may, from time to time, require personal time off from work to deal with personal matters. An employee who has not been absent, including late arrivals or early quits, or granted leave in the previous calendar (30) days, and who gives the Employer at least three working days' notice of a request for leave of up to one day, will be granted the requested leave. Requests for time off that meet the above conditions will not be unreasonably denied subject to operational requirements.
 - (ii) A worker who is preauthorized to take personal time off pursuant to the above procedure, will qualify for overtime premiums for any work performed either preceding or following the normal scheduled hours of work on the day they take their personal absence regardless of whether or not they have worked the full eight or ten hours as scheduled for that shift. In the case of a worker on a compressed work week schedule they would also be paid normal overtime premiums for any hours worked on the compressed work week day off. It is also understood that, provided such absences conform to these conditions, the absence will not disqualify the worker from working overtime scheduled for that week.
 - (iii) Overtime premiums as specified in this Collective Agreement will be paid for all hours worked in excess of eight hours in a day. In the case of a compressed work week, overtime premiums will be paid for hours worked in excess of ten in a day or forty in a week. A worker that is absent from work without pre-authorization as per the above procedure, including late arrivals or early quits will be subject to discipline in accordance with their employer's policies and may also be disqualified from working scheduled overtime in

the week the absence occurs. Workers who are absent from work without pre-authorization, must work the minimum normal hours as stipulated above prior to overtime premiums being paid. Saturdays, Sundays, and Statutory Holidays will be paid as per the Collective Agreement premiums for all hours worked on those days.

9.06

Compressed Work Weeks

- (a) The Employer may schedule the regular work week in four (4) consecutive ten (10) hour days, at straight time rates, provided only that the four (4) ten (10) hour days are scheduled during the Monday through Friday period. The Employer may vary the start/quit times by changing the scheduled starting time up to thirty minutes at their option. Variances beyond thirty minutes shall be agreed mutually by the Employer and the Business Representative of the Union.
- (b) A ten (10) on and four (4) off schedule may also be established as a compressed work week schedule and when utilized, the straight time days will be Tuesday through Friday in one week followed by Monday through Thursday in the subsequent week. Should an Employee work on the scheduled days off, the Friday and Monday will be paid at time and one half (1½x) and the Saturday and Sunday will be paid at double time (2x).
- (c) When a ten (10) on and four (4) off schedule is utilized, overtime on the Saturday and Sunday that fall in the middle of the schedule will be optional. Employees will be required to give at least three working days' notice of their intention not to work such overtime. Failure to provide the required notice and to report for work shall be considered absenteeism. Exercising this option will not preclude an Employee's opportunity to work other premium days when available.
- (d) When job circumstance merit a change in the hours of work the Employer shall notify the Union Office at least seven (7) calendar days, where practical, before such change becomes effective.
- (e) When a Statutory Holiday falls in a work week then the Union and the Employer shall mutually agree to the work schedule for that week.
- (f) The parties understand and agree that on remote jobsites or where special conditions apply scheduling or extended work weeks/days off may be beneficial to the completion of the work and, in those circumstances, the parties will mutually agree to a work schedule to meet job conditions.

9.07

Work Breaks:

- (a) When a regular work week and/or work day (see 9.02 and 9.03) is being worked then two (2) work breaks of ten (10) minutes duration will be allowed each day during normal working hours, one in the first half and one in the second half of each shift or shifts. If extended overtime is

required, additional work breaks shall be permitted during such overtime after each two (2) hours following each overtime meal break.

- (b) For compressed work weeks (see 9.06) Employees shall be permitted a break of fifteen (15) minutes in the first half and fifteen (15) minutes in the second half of such shifts.
- (c) When ten (10) hour shifts are worked, in lieu of the work breaks and lunch breaks provided herein, the Employer shall have the option of scheduling two breaks of one half ($\frac{1}{2}$) hour each, paid at the applicable rate, approximately equally spaced in the ten (10) hour shift. In the event an employee is not able to take a break, the employee shall be paid at applicable overtime rates for the missed break. When the hour before and the hour following the missed break are at straight time, time and one half ($1\frac{1}{2} \times$) shall be paid for the missed break. This option shall not be applicable to compressed work weeks for which work days are regularly scheduled in excess of ten (10) hours. A change in the scheduling of breaks will normally be communicated to the affected employees prior to the end of the work cycle before the change.

9.08 A non-paid **lunch break** of either one-half ($\frac{1}{2}$) hour or one (1) hour duration will be taken half way through each shift. However, if job conditions require, the lunch break may be moved up to one (1) hour in either direction.

If employees are not provided time to commence their lunch period between one (1) hour before and one (1) hour after the mid-point of the shift, they shall be paid at the applicable overtime rate for working through their lunch period.

9.09 No Employee shall work more than one (1) straight time shift in each consecutive twenty-four (24) hour period. An Employee shall continue to receive the overtime rate after each shift until a break of eight (8) consecutive hours occurs.

9.10 Reporting and Call Out Pay

- (a) When an Employee reports to work at the regular starting time and such Employee is not put to work, the Employee so affected shall be entitled to a minimum of two (2) hours pay at the applicable rate of pay.
- (b) In order to qualify for show up time, Employees must remain on the jobsite unless otherwise directed by the Employer. Where the Employee(s) are directed to remain at the jobsite for more than two (2) hours they shall be paid for such time at the applicable rate.
- (c) Employee(s) affected shall be paid daily travel, transportation, subsistence or receive camp accommodation as is applicable.
- (d) An Employee is not entitled to show up time if the Employer notifies the Employee that no work is available at least two (2) hours prior to the commencement of the normal work day. Employees working on a jobsite where they are accommodated in a camp facility, will not be entitled to

show up time if they are notified that no work is available, at breakfast time, and notices are posted on the bulletin boards in the camp kitchen.

- (e) When an Employee reporting for work qualifies for show up time such time shall include the regular shift premium when applicable.
- (f) Call Out Pay – Employees called out for work at other than the regular reporting time shall receive a minimum of two (2) hours pay at the Employee's applicable rate in addition to travel time and transportation if applicable. The Employer may require an Employee to perform work during the full two (2) hour call out.

ARTICLE TEN - OVERTIME MEALS

10.01 When Employees are required to work extended daily hours in excess of eleven (11) hours, the Employer shall be required, following the tenth (10) hour, to provide a meal at no cost to the Employees, for those involved. The Employee will be paid for the time spent consuming the meal at the applicable hourly rate of pay or alternatively the foreman can designate a one-half hour meal period at straight time rates. If no meal is provided the worker shall be permitted a fifteen (15) minute break at applicable rates. Should an Employee be required to continue work, then an additional meal shall be supplied for work in excess of every four (4) hours under the same conditions as above.

Should an employee not be provided with meals as set out in the preceding paragraph, he shall receive thirty (\$30.00) in lieu of each meal and the time spent to consume it. For camp residents, if a meal is available upon return to the camp residence then no meal allowance is to be paid.

10.02 When Employees are required to bring their own overtime meals, they will be allowed one-half hour to consume the meal and will be paid for the said time at the applicable hourly rate of pay.

10.03 Recognizing emergency situations do arise, if the Employer has not scheduled in excess of the eleven (11) hour shift, the Employer shall be granted a one (1) hour extension where the Employer need not supply a meal referred to above.

10.04 Where a supervisor is required to

- (i) start up to one (1) hour earlier, or
- (ii) finish up to one (1) hour later, or
- (iii) start up to one half (½) hour earlier and finish up to one half (½) hour later

than the supervisor's crew, for the purposes of organizing work or facilitating a transition to another shift, the provisions of 10.01 and 10.02 will not apply unless those provisions are applicable to the rest of the crew.

ARTICLE ELEVEN - TRANSPORTATION, BOARD AND ROOM

11.01 The following conditions as listed in clauses 11.01 to 11.03 will apply on jobs within daily commuting distance of Edmonton, Calgary, or any location with a hiring hall, and on jobs from which Employees commute daily from temporary accommodation provided or paid for by the Employer.

(a) A forty-five (45) kilometer radius free zone from the center of the cities of Edmonton or Calgary; (Geodetic Monument) or around any place in which Employees are temporarily domiciled by the Employer shall be established. The location of the Geodetic Monument for Edmonton is 101st Street and Jasper Avenue and for Calgary, the Calgary Tower. No transportation or travel allowance shall be applicable within the free zone [subject to 11.01 (a)(i) and 11.01 (a)(ii)].

(i) The time in transit on buses between the site and the camp shall be determined by representatives of the Building Trades of Alberta and of the Coordinating Committee of Registered Employers' Organizations, based on an average during a reference week of five (5) test runs each way, conducted coincident with the times when workers are in transit. This determination should be carried out twice per year, with any adjustment resulting from a determination applicable until the next determination. Workers shall be paid an allowance for time regularly and routinely in excess of forty five (45) minutes each way, for travel within the applicable free zone. The allowance shall be calculated on the regular straight time base rate of each worker. The allowance will be paid only to workers who ride on the provided buses, and only for the days on which they ride the buses.

(ii) Notwithstanding the foregoing, on major construction projects located within the free zone, around the cities of Edmonton and Calgary, but beyond the city bus transportation system of those cities, where it is expected that the total construction workforce will exceed (500), the affected parties shall meet to discuss the viability of implementing a system of providing transportation to the site. The parties shall take into account such considerations as climate, seasons, road capacity, other projects and industries using the same corridors, workforce curves, and site infrastructure.

11.02 (a) (i) For projects beyond the forty-five kilometer (45 km) free zone for which daily travel is required, the Employer will have the following options;

- to provide transportation and pay travel allowance, or
- reimburse the Employees, as a vehicle allowance, at the rate of fifty-two cents (\$0.52) per kilometer traveled, each way between the edge of the free zone and the project job site daily and pay travel allowance.

The travel allowance shall be calculated based on traveling at (80) km per hour, at the Employee's applicable base rate, from the point where the edge of the 45 km radius free zone intersects the road which takes the shortest, most appropriate route, to the project and return to the intersecting point.

E.G --A Labourer traveling to a project located (40) road kilometers from the edge of the free zone at (80) km per hour each way would receive the following for each day worked:

Travel Allowance:

80 km @ 80 km/hr. = 1 hr. @ base rate of \$35.74/hr. = \$35.74

Vehicle Allowance:

80 km. @ \$0.52 per km. = \$41.60
for a daily total of \$77.34

Where the Employer provides the transportation the travel allowance would be paid but the vehicle allowance would not be payable.

The Coordinating Committee and the Alberta Building Trades Council shall examine, during January of each year of the Collective Agreement, the information published by Canada Customs and Revenue Agency respecting the vehicle allowance amounts that will not be treated as taxable income, and that will be permitted as business expenses for Employers. Such information normally establishes a maximum rate for the first (5,000) km, and a lower rate for additional kilometers. The Coordinating Committee and the Council shall determine a rate that is midway between those two rates. The above vehicle allowance rate shall be adjusted, effective on the first pay period following May 1 of each year, to the rate so determined by the Coordinating Committee and the Council.

- (ii) When an Employee is being paid subsistence allowance in accordance with Article 11.04 (a)(iii) or (b)(iii), and where there is no accommodation available within (45) km. of the project on which the Employee is engaged, the Employer shall determine the location of the nearest available suitable accommodation, and shall determine the number of road kilometers beyond a (45) kilometer radius of the project that would be required to travel each way from the nearest available suitable accommodation with the above provisions. In the event suitable accommodation within a (45) kilometer radius of the project becomes available, the payment of the travel allowance will cease.

- (b) Where the Employer supplies the transportation, such transportation shall, at a minimum, be a safe, clean and modern means of transportation with sufficient seating for each person allowing adequate comfort for adults. School buses shall not be used for such transportation. Where the

Employer is supplying transportation, and when the size of the crew is such that the capacity of a coach-type bus is required, such bus transportation will be provided. Pick up points shall be mutually agreed upon.

- (c) Employees who are transported to a job site but who refuse to start work at the prescribed time due to a picket line or other form of labour relations dispute will not be paid transportation or travel allowance for that day.
- (d) When the transportation provided by the Employer for the conveyance of Employees is delayed by circumstances that are reasonably within the control of the Employer or the bussing company, the Employees shall be paid for all such time in excess of fifteen (15) minutes beyond the scheduled arrival time, up to a limit of two (2) hours at the applicable straight time rate.
- (e) If an Employee is required by the Employer to move from one job to another during working hours, the Employer shall provide the transportation or pay vehicle allowance at the rate calculated pursuant to 11.02 (a)(i) above per kilometer traveled if Employees use their own vehicle. Employees shall not suffer any loss of pay as a result of transferring between projects during working hours.
- (f) Employees required to travel out of a city or town to another job after working a shift, and before an eight (8) hour break occurs, shall be paid for all time traveled at the rate of time and one-half the normal rate. If still traveling the following day, the Employee shall be paid the normal rate for time traveled during the regular working day only.

11.03 LOCAL RESIDENTS

- (a) A local resident is an individual who resides within a seventy-five (75) kilometer radius of the centre of a job site which is beyond daily commuting distance from Edmonton or Calgary or other locations where a hiring hall is located, and has resided within such radius of the site for a period of not less than six months prior to being engaged on the project and whose residence is the place where he or she, in the settled routine of his or her life, regularly, normally or customarily lives, with the underlying premise that everyone must be a resident somewhere. It is understood that the hiring of local residents shall be subject to the hiring procedures and prerogatives set out in this agreement.

For the purposes of determining local residents in the Fort McMurray area, residents of Anzac and Sapræ Creek will be considered to be residents of Fort McMurray for projects north of Fort McMurray and residents of Fort McKay will be considered to be residents of Fort McMurray for projects located south of Fort McMurray.

Process for Determining Local Status

Where a question arises as to whether a candidate for employment qualified as a local resident, the designated representatives of the Council and of the Coordinating Committee, shall determine the individual's acceptability as to residency only. The Liaison Committee may provide direction in addition to the guidelines set out below to determine the "real residency" test for those people wishing to be designated as local residents.

Guidelines for Determining "Real Residency"

In making the determination as to whether a person is a "Local Resident" for the purposes of the Project Terms, the following factors will be taken into consideration:

- (a) the dwelling place of the person's spouse and dependents;
 - (b) personal property and social ties to the community;
 - (c) residential ties elsewhere;
 - (d) permanence and purpose of residence in a particular community;
 - (e) documentation of:
 - (i) property tax or rent receipts, telephone, gas or other utility receipts;
 - (ii) driver's license;
 - (iii) vehicle registration or pink card;
 - (iv) income tax
 - (v) unemployment insurance documents;
 - (vi) voters' list registration;
 - (vii) employee benefit fund administration registration.
- (b) Local residents residing within a forty-five (45) km radius of the job site shall not be entitled to receive transportation or vehicle allowance, travel allowance, initial and return travel allowance, room and board or subsistence, or camp accommodations, or rotational leave provisions.

Local residents residing between a forty-five (45) km radius and a seventy-five (75) km radius of the job site shall not be entitled to receive initial and return travel allowance, room and board or subsistence, or camp accommodations, or rotational leave provisions, but shall be paid a travel allowance of \$36.00 per day worked to cover transportation expenses and travel allowance, or if transportation is supplied by the Employer, a daily travel allowance of \$19.00 will be paid for each day worked.
- (c) Where a Camp Kitchen is established and where all workers, generally, on the project who are not Local Residents attend at the Camp Kitchen to eat their lunches, local resident employees shall be provided the same noon meal arrangements without cost to themselves. In those instances where bagged lunches are provided to camp residents and hot soup is provided on the job site, local residents shall also be entitled to receive hot soup.
- (d) Where a local resident employee is required to work overtime, they shall be entitled to overtime meals in accordance with this Agreement.

- (e) The parties agree that the early participation of qualified local resident employees in work undertaken under this agreement is most desirable and will be strongly promoted. In support of this the Union agrees that local qualified tradespeople will be given an opportunity to join the Union and will be dispatched to the job when positions become available, subject to the mutual agreement of the parties.

ACCOMMODATION, ROOM & BOARD

11.04 (a) Applicable within a 475 kilometer radius of the Cities of Edmonton and Calgary (excluding National Parks)

When an Employee is directed or dispatched to work on an out-of-town job, the Employer will provide:

- (i) camp accommodation, which shall be available seven days per week; or
- (ii) mutually agreed room and board; or
- (iii) for each day worked, reimbursement toward the expense of the Employee's board and lodging, and any goods and services tax paid by the Employee in the purchase of board and lodging, by way of a subsistence allowance in the amount of one hundred and ten dollars (\$110.00) per day except for subsistence rates established for specific communities and regions as posted at www.clra.org.
- (iv) On a project / jobsite located over two hundred and fifty (250) radius kilometers from the geographic centers of either the City of Edmonton or Calgary (as applicable) one additional day's subsistence shall be paid for the use of accommodation for the night following the last day worked, provided that Employees presents a bona-fide commercial receipt to their Employer for each occasion the accommodation is used. Where the Employer or their client is providing a free bus trip back to the city on the same day as the last shift of the week, this provision shall not be applicable.

Board and room will be supplied or the daily expense allowance will be paid for any statutory holiday observed on a regularly scheduled work day immediately preceding and following work days normally paid at straight time rates provided the employee reports for work on the work day immediately preceding and following the statutory holiday.

- (b) **Applicable beyond a 475 kilometer radius of the Cities of Edmonton and Calgary (excluding National Parks and Northwest Territories)**

When an Employee is directed or dispatched to work on an out-of-town job which will last at least five days, the Employer will provide, on a seven (7) days per week basis:

- (i) camp accommodation; or
- (ii) Mutually agreed room and board, or subsistence allowance as follows.
- (iii) reimbursement toward the expense of the Employee's board and lodging, and any goods and services tax paid by the Employee in the purchase of board and lodging, by way of a subsistence allowance in the amount of one hundred and ten dollars (\$110.00) per day except for subsistence rates established for specific communities and regions as posted at www.clra.org.

Employees failing to report for work on the work day immediately preceding and following a week-end or Statutory Holiday will receive the above for days worked only.

- (c) In the event that any difference arises respecting the adequacy of accommodation provided by the Employer pursuant to clauses 11.04(a)(ii) or 11.04(b)(ii) above, the difference shall be referred to a balanced committee of appointees of the Building Trades Council and the Coordinating Committee of registered Employers' organizations, which committee shall make a final and binding decision within five days from the date of referral.
- (d) The parties agree that wherever practical and workable in all of the circumstances of the project, camp accommodation is preferable to the provision of room and board, and that the provision of room and board is preferable to the payment of subsistence allowance. However, any of these three options will satisfy the Employer's obligations pursuant to this article.
- (e)
 - (i) In certain situations, Employees may be dispatched or directed to work on projects which are in an area where the cost of available suitable single room accommodation and/or meals may be in excess of the daily rate of subsistence set out in this Article. In such a case, the Employer shall provide one of the following options:
 - provide suitable room and board; or
 - directly pick up the cost of the room and pay a meal allowance to be determined as is set out in this Article; or
 - the subsistence allowance shall be reviewed and, if necessary, adjusted by the following procedure:
 - (ii) Either the subsistence allowance may be adjusted by mutual consent between the Employer and the Union, or the Business

Manager of the Union may request that the Executive Director of the Alberta Building Trades Council issue a formal written request to the Coordinating Committee of Registered Employers' Organization that a Subsistence Review Committee be established. Alternatively, an Employer may request that the Coordinating Committee of Registered Employers' Organizations issue a formal written request to the Executive Director of the Alberta Building Trades Council that a Subsistence Review Committee be established. Upon formal written request the Subsistence Review Committee shall meet within five (5) working days of such request.

(iii) The Subsistence Review Committee will consist of:

- **One (1) representative appointed by the Building Trades of Alberta;**
- **One (1) representative appointed by the Coordinating Committee of Registered Employers' Organizations;**
- **One (1) representative appointed by the National Maintenance Council; and**
- **One (1) representative appointed by the Boilermaker Contractors Association on behalf of Contractors signatory to the National Maintenance Agreement and / or the General Presidents Agreement.**

Appointees shall not be directly involved with the issue at hand.

The Subsistence Review Committee will undertake such investigation as is necessary to determine whether the allowance paid will allow an Employee to purchase available accommodation and three (3) meals per day in the community or communities where Employees will be domiciled. In the event that the **majority of the Committee** determines that the allowance is insufficient to purchase such lodging and meals the Committee shall determine the amount by which the subsistence allowance shall be adjusted. A decision of the Committee as to whether the allowance is sufficient or whether a specified adjustment is necessary shall be final and binding provided that the **majority of the Committee** agrees with the resolve. Any such mutually agreed upon decision shall be issued within five (5) days from the date of referral, or such longer period as may be agreed by the Coordinating Committee and the Building Trades.

- (iv) In the event the Committee fails to make the required determination or determinations within the period allowed, the meal and lodging costs ascertained by the Committee shall be referred, together with such other relevant evidence and argument as may be submitted by the parties, to an Umpire who shall be appointed within five (5) days in accordance with the provisions of**

Article 15.06. The Umpire shall render a final and binding decision as to whether the subsistence allowance is sufficient to allow an Employee to purchase accommodation and meals in the subject community or communities, and if it is not the amount by which the allowance should be adjusted to afford the purchase of available lodging and meals. The decision of the Umpire shall be rendered within five (5) full days of the Umpire's appointment, or such longer period as may be agreed by the Coordinating Committee and the Building Trades. The decision of the Umpire shall have the same binding effect and shall be subject to the same limited review as a decision of an arbitrator in grievance proceedings. The fees and disbursements of the Umpire shall be borne equally by the Coordinating Committee and the referring Union.

(v) The Subsistence Review Committee and/or the Umpire shall enter into a review when determining subsistence costs and in order to come to the conclusions that are necessary to carry out the objects of this clause some guidelines are included;

- In the appropriate case the ability to decide on whether or not an increase in subsistence allowance shall be made retroactively to the date the matter was submitted to the Subsistence Review Committee.
- To determine seasonal adjustments due to tourism, availability of rooms, etc. which may affect the rate of subsistence over the entire course of a job; i.e. an increase in costs during the tourism season followed by a decrease at the end of tourism season or some other such situation.
- Determine an appropriate accommodation cost based on what hotel rooms are available, how many such rooms are available, what hotels/motels to look at
- The cost of meals based upon the range of standard camp meals routinely served in a camp pursuant to the Camp Rules, which are adopted in this Collective Agreement, over an average weekly period.
- Such other reasonable and ancillary powers as may be necessary to achieve the purpose of this clause.

There shall be no more than one reference of these matters to a Subsistence Review Committee Umpire with respect to any community in any calendar year unless it can be shown that there has been a material change of circumstances within that calendar year. Such a review within the calendar year may be made by either the Employer or the Union.

(f) Applicable to all Regions

(i)

- Employees unable to work due to legitimate illness, material shortage, job-site conditions, or inclement weather and for whom it is not practical to return to their respective primary Alberta residences, shall receive their board and room or daily allowance for those work days that they were scheduled to work (or other days as set out in 11.04 (b)).
- To be eligible for board and room or daily allowance in these circumstances Employees must have been unable to return to their primary Alberta residence due to the medical, work , site or weather conditions.
- In the event return to the Employee's primary Alberta residence becomes reasonably possible and prudent, the entitlement to subsistence allowance shall cease.
- It is expected that circumstances to which this provision applies will be of short duration.
- For the purposes of this Article, for an Employee who does not maintain a primary residence in Alberta, that Employee's primary residence shall be deemed to be Edmonton or Calgary, which ever is nearest.

(ii) If an Employee chooses to leave before the completion of the shift without the consent of the Employer they will not be entitled to subsistence allowance for that day (and may be subject to other disciplinary or corrective measures). If an Employee chooses to leave before the completion of the shift with the consent of the Employer they will be paid a full day's subsistence if at least half the shift is worked and half a day's subsistence if less than half a shift is worked.

(iii) All camps must meet the specifications as negotiated by Building Trades of Alberta and Construction Labour Relations, an Alberta Association 2010 - 2018 camp rules and regulations, or any successor thereto.

(iv) All grievances concerning a camp will be resolved through the grievance procedure provided in the B.T.A. / C.L.R.A. Camp Rules and Regulations.

(v) If an Employee who is housed in a camp, is required by the Employer to transfer from one camp room to another, the Employee shall be paid two hours pay at the straight time base rate as full compensation for the time to move belongings.

11.05 INITIAL AND RETURN TRANSPORTATION TO REMOTE SITES

(a) Employees directed or dispatched to a project / jobsite from which they do not return daily shall be paid travel allowance for initial travel and transportation to

 - (ii) 201 kilometers to 300 kilometers - **\$124.00** each way;
 - (iii) 301 kilometers to 375 kilometers, and the Empress area **\$150.00**;

 - (v) over 475 kilometers - as mutually agreed between the Parties to this Agreement to a maximum of \$344.00 each way or air fare inclusive of taxes in the event this is the most practical method of accessing the project / jobsite.
 - (vi) The Initial and Return Transportation Allowances set out herein shall be subject to review in January of each year of the agreement. In the event that there is an adjustment in the vehicle allowance, pursuant to article 11.02 (a)(i) each allowance amount shall be adjusted by the same percentage adjustment as the vehicle allowance adjustment, effective the first pay period following May 1st of the respective year. For example, if for 2016, the vehicle allowance is increased by 4%, each allowance shall be increased by 4%, rounded to the nearest dollar, and effective on the first pay period following the 1st of May, 2016.
- (b) Notwithstanding the provisions of (a) above, when transportation is provided by the Employer, no travel allowance will be paid.
 - (c) When transportation is provided by the employer by way of air, bus, or other acceptable surface transportation, prior to the commencement and following the conclusion of a work cycle (being scheduled days of work for which there is no more than a one day of rest scheduled within consecutive scheduled days), an employee, at the time of dispatch, will be allowed to elect to use the provided transportation or to receive collective agreement initial/return/rotation allowances. Buses must comply with Article **11.02(b)**.
 - (d) An employee who has elected collective agreement initial/return/rotation allowances will no longer be paid any such payments not yet received if transportation is established and the employee elects to use it. Such an employee will not be required to return payments received to that point.
 - (e) An employee who has elected collective agreement initial/return/rotation allowances and who is found using employer provided transportation will become disentitled to further collective agreement initial/return/rotation allowances, as one consequence.

- (f) If a person who elects collective agreement initial/return/rotation allowances uses employer provided transportation for his initial trip that person will not receive the initial allowance payment. This circumstance will not be a violation as discussed in the previous point.
- (g) Regulations shall be established for the use of employer provided transportation governing behaviour and the use of, e.g., alcohol, tobacco and other substances.
- (h) Notwithstanding the foregoing, an employee who has elected to use employer provided transportation and who is hired, laid off, or terminated on a day when such transportation is not available shall be reimbursed the cost of a one-way commercial bus ticket to Edmonton or Calgary, whichever is applicable, and transportation from the site to the nearest commercial bus terminal, or equivalent taxi fare.
- (i) Employees will qualify for, and receive with the next regular pay, transportation allowance to the job site after being employed at the site for fifteen (15) calendar days.
- (j) If the Employee remains on the job until the completion of thirty (30) calendar days, the Employee shall qualify for return transportation allowance to be paid with their final pay at the subject site.
- (k) If prior to having qualified for either transportation allowance, the Employee is laid off, or the job is completed, or the Employee is transferred to a different work site which is outside the area for which the transportation allowance was to apply, that Employee will be paid any outstanding transportation allowance(s) with their next regular pay.
- (l) If the Employee is transferred to a different work site that is within the area to which the transportation allowance was to apply, the Employee's employment on that different work site shall be deemed to be a continuation of employment on the original work site for the purposes of accumulation of entitlement to transportation allowances and rotational leave.

11.06 ROTATIONAL LEAVE (TURNAROUNDS)

[There is an agreed interpretation of the below provisions that clarifies that the interpretation is that time spent off the jobsite due to a jobsite closure or scheduled vacation of one work week (5 days or 4 days as the case may be) or longer will not be counted towards the accumulation of calendar days credited towards earning a turnaround leave. A June 1, 2004 letter of interpretation signed on behalf of the Coordinating Committee and the ABTC confirms this understanding.]

- (a) On jobs located beyond a Three Hundred (300) km radius to a maximum of Four Hundred and seventy-five (475) km. from the centre of Edmonton or Calgary or other hiring hall location, the Employer shall:

- (i) Pay an allowance of \$174.00 after thirty-five (35) calendar days of employment on the job and thereafter for each subsequent thirty-five (35) calendar days of employment on the job.

Where Employees accept Employer supplied transportation they shall not be entitled to the above allowance.

- (ii) Allow Employees five (5) working days leave after each thirty-five (35) calendar days of employment on the job.
- (b) The Rotational Leave Allowances set out herein shall be subject to review in January of each year of the agreement. In the event that there is an adjustment in the vehicle allowance, pursuant to article 11.02 (a)(i) for 2013 and / or 2014, each allowance amount shall be adjusted by the same percentage adjustment as the vehicle allowance adjustment, effective the first pay period following May 1st of the respective year. For example, if for 2016, the vehicle allowance is increased by 4%, each allowance shall be increased by 4%, rounded to the nearest dollar, and effective on the first pay period following the 1st of May, 2016.
 - (c) On jobs located beyond a Four Hundred and Seventy-five (475) km radius from the centre of Edmonton or Calgary or other hiring hall location, the Employer shall:

 - (ii) Allow Employees Five (5) working days leave after each thirty-five (35) calendar days of employment on the job.
 - (d) It is further understood and agreed that the above described trips be on a rotation basis and at no time more than twenty-five percent (25%) of the working force shall be on such home leave.
 - (e) Where the Employer supplies transportation the Employee shall not be entitled to the above allowances, subject to the provisions of 11.05 (a.2) above.

This shall become the Non-Certified Labourer Rate. The Trainee rates shall be at the same percentages stipulated in 13.02 of the Certified Labourer rate.

13.04 (a) **Labour Foremen** shall receive not less than (\$3.75) per hour over the highest classification working under them. Labour Foremen shall be those workers who normally do Labourers' craft work during the course of their employment and/or are designated as Labour Foremen on the company payroll.

(d) A Foreman who has been appointed and possesses the Alberta Industry and Training designation of Industrial Construction Crew Supervisor (ICCS) will receive a premium of (\$1.00) for each hour worked.

13.05 (a) If any Contractor is found by the Trustees of the respective funds to be in default in remitting payments required to be made pursuant to Articles 16, 17, and 18 of the Agreement and if such default continues for 20 days thereafter, the contractor shall pay to the applicable Trust Fund as

liquidated damages and not as a penalty, an amount equal to 10% of the arrears for each month or part thereof in which the contractor is in default. - (e) In the event the above calculations do not result in an increase in 2015 and 2016, the Framework Bargaining Committee shall reconvene discussions in the first week of September, 2016.

3. Calculations for Commercial/Institutional Work

- (a) The Commercial/Institutional Certified Craft Labourer gross rate will be adjusted by the same percentage (%) adjustment applicable to the Industrial Certified Craft Labourer gross rate.
- (b) Any wage adjustment as calculated by the wage determination formula would be applied in May each year of the agreement. If a wage adjustment is calculated for November in any year of the agreement for Industrial, that adjustment will be carried forward to the following May combined with the May wage adjustment. - (c) The wage adjustment calculation will apply to the Certified Craft Labourer gross rate as stipulated above. The wage adjustments for other classifications in the collective agreement will be distributed as per the wage schedule.
- (d) In no case shall the total of the May wage adjustment in each year exceed 3%.

4. Wage Schedules

The Parties shall, upon completing a wage adjustment calculation, forthwith prepare, publish, post and distribute a wage schedule resulting therefrom. The final determination of the wage schedules shall be issued no later than the 7th day of March or September, for the May and November adjustments, respectively.

5. Effective Dates

Re: Pension Contribution Reallocation for Pensioners

Whereas the Parties have entered into a Collective Agreement which shall remain in effect from May 1, 2015 through April 30, 2019 as set out in the said Collective Agreement, and

Whereas the Parties mutually desire to have the employer pension contributions contained within said collective agreement ceased and reallocated upon the conditions outlined in this Letter of Understanding being met, and

Whereas adjustments to the gross rate are necessary to ensure that the Employer does not incur increased costs for WCB, EI, and CPP charges resulting from a higher base rate, and

Now Therefore it is Agreed that the affected employees will be compensated according to the wage schedule contained within this Letter of Understanding upon the following conditions being met:

1. An employee must be age 62 or older and collecting pension benefits from the Labourers' Pension Fund of Western Canada and must produce documentation satisfactory to the Union. A letter will be provided to the employee, signed by the union which must be submitted to the employer as proof of meeting this requirement.
2. If the employee is currently working for a particular Employer, then that Employer must receive at least three weeks written notice (which has been signed and approved by the Union) from that employee of the employee's desire to be compensated according to the wage schedule contained in this Letter of Understanding, and
3. The employee accepts that once starting to be compensated according to the wage schedule contained in this Letter of Understanding with a particular employer then that decision cannot be reversed as long as the employee is in the employ of that employer, and

4. The employee cannot be working for the employer in the Trainee or Entry Level Classification, and
5. If the employee is being dispatched by the union to the employer and desires to be paid according to a wage schedule contained in this Letter of Understanding then the union must provide documentation that satisfies 1, 3, and 4 above.

Upon all of these conditions being met the wage schedule for the affected employees shall be:

Part A – Industrial Work:

Certified Construction Craft Labourer

Effective Date	Base Rate	Holiday & Vacation	Health & Welfare	Pension	Training	Gross Rate
May 3/15	\$39.46	\$3.95	\$2.06	\$0.00	\$0.45	\$45.92

Uncertified Labourer

Effective Date	Base Rate	Holiday & Vacation	Health & Welfare	Pension	Training	Gross Rate
May 3/15	\$36.96	\$3.70	\$2.06	\$0.00	\$0.45	\$43.17

NOTE – THESE ABOVE WAGE SCHEULES MAY BE MODIFIED IN ACCORDANCE WITH POTENTIAL ADJUSTMENT TO THE WAGE SCHEDULE FOR EACH YEAR OF THE AGREEMENT NOTED AT ARTICLE 13.01 (INDUSTRIAL PORTION) IN THE COLLECTIVE AGREEMENT.

Part B – Commercial Work

Certified Construction Craft Labourer

Effective Date	Base Rate	Holiday & Vacation	Health & Welfare	Pension	Training	Gross Rate
May 3/15	\$28.60	\$2.86	\$1.76	\$0.00	\$0.20	\$33.42

Uncertified Labourer

Effective Date	Base Rate	Holiday & Vacation	Health & Welfare	Pension	Training	Gross Rate
May 3/15	\$26.68	\$2.67	\$1.76	\$0.00	\$0.20	\$31.31

Bricklayer Helper

Effective Date	Base Rate	Holiday & Vacation	Health & Welfare	Pension	Training	Gross Rate
May 3/15	\$30.69	\$3.07	\$1.76	\$0.00	\$0.20	\$35.72

Furthermore, as part of the conditions for implementing this reallocation of pension contributions the parties agree to the following:

- There are no requirements for the Employer to remit pension contributions under the said collective agreement to the Labourers' Pension Fund of Western Canada on behalf of employees paid according to the wage schedules contained in this Letter of Understanding.
- Should employer pension contributions change during the life of the 2015-2019 collective agreement then the parties will mutually agree to a revised wage schedule that reflects the 2011 ratio of amounts reallocated to Wages and Holiday & Vacation pay to the 2011 employer pension contribution.
- Wage schedules for workers under this option will be adjusted by a formula that will provide a total of 80% of the pension contribution increase that would normally be contributed to the pension trust fund on behalf of the employee. This amount will be distributed to the Base Rate and Holiday and Vacation Rate as per the established distribution method. (i.e. Pension adjustment \$1.00 x 80% = \$0.80 added to pensioner gross rate).

This Letter of Understanding shall be attached to and form part of the 2015-2019 Collective Agreement.

Re: Rapid Site Access Program

Whereas the Parties have entered into a Collective Agreement which shall remain in effect from May 1, 2015 through April 30, 2019 as set out in the said Collective Agreement, and

Whereas:

- A. The Parties are committed to creating a safer, healthier workplace free of risks associated with alcohol and/or other drug use. Historical trends suggest meeting this objective will correlate to a reduction in workplace incidents.
- B. The Parties intend to reduce redundant substance testing and related costs and to expedite access to participating worksites.
- C. Alcohol and other drug work rules, such as the *Canadian Model* for Providing a Safe Workplace: Alcohol and Drug Guidelines and Work Rule (the "*Canadian Model*"), are more effective if they are implemented in such a way as to preserve the dignity and privacy of participant workers.
- D. Coordinating the exchange of sensitive information through a centralized third party provides greater control over the collection, use, disclosure, safeguards and storage of personal information.
- E. Retaining the continuity of information through a centralized third party is necessary in order to reduce redundant testing, expedite access to worksites and provide seamless after-care support to affected workers.
- F. Comprehensive professional third party case administration provides for the effective delivery of education, compliance and, if necessary, accommodation strategies. Professional treatment, education, follow-up and after-care frameworks support affected workers in maintaining compliance with the *Canadian Model* and, if necessary, recovering from an addiction and/or dependency to alcohol or other drugs.

- G. In 2004, the Department of Health and Human Services Substance Abuse and Mental Health Services Administration and, in 2008, leading experts in direct consultation, confirmed that laboratory oral fluid testing is accurate, reliable and appropriate for unannounced testing. Due to the shorter detection windows than found in urine testing, it was found oral fluid testing is not appropriate for follow-up testing and not appropriate for testing where prior notice of the test is given.
- H. Several arbitration cases have accepted the validity of laboratory oral fluid testing but in none of those cases was the laboratory oral fluid testing itself the subject of challenge. Accordingly, at the time of signing this agreement the validity of laboratory oral fluid testing has yet to be established in Canadian law.

Now therefore, it is Agreed between the Parties hereto that:

- 1. Subject to (2) and (3) below, the Parties support the implementation of the Rapid Site Access Program and the Union and Employer agree to be bound by and comply with the Rapid Site Access Program Procedural Rules, as amended from time to time.
- 2. The Union's agreement in (1) above is subject to the adoption of laboratory based oral fluid testing for the random component of drug testing administered by the Rapid Site Access Program. However, in the event laboratory oral fluid testing is successfully challenged in law the Union agrees urine based testing shall apply.
- 3. Subject to (2) above, where the Union does not agree to an amendment to the Rapid Site Access Program Procedural Rules, the Union may opt out of agreeing to said amendment by giving notice in writing to the registered employers' organization and the Rapid Site Access Administrative Committee.
- 4. For Industrial work, the employer contributions shall be established by the Association and may be changed by the Board of Directors of Construction Labour Relations – An Alberta Association, and notice to an Employer and the Union from the Association respecting such amendment shall be sufficient. RSAP contributions shall be forwarded to the Association. These contributions shall be used by the Association to provide the funding, among other things, for the third party providers who are responsible for delivering the services in respect to the Rapid Site Access Program.
- 5. This Letter of Understanding shall be attached to and form part of the 2015-2019 Collective Agreement entered into between the Parties.

Re: Referral for Case Managed Aftercare

Whereas

An individual must be referred to a substance abuse expert following a failure to comply with the *Canadian Model* for Providing a Safe Workplace: Alcohol and Drug Guidelines and Work Rule (the “*Canadian Model*”). Once the individual is assessed by a substance abuse expert, recommendations are prepared and disclosed for the purpose of establishing expectations in accordance with the substance abuse expert’s recommendations, entering into a post assessment agreement, and supporting compliance with prescribed aftercare.

Pursuant to the Union’s bylaws, after the Union becomes aware a member has violated the *Canadian Model* or tested non-negative on a site-access A&D test; the member must be assessed by a substance abuse expert and comply with the resulting recommendations as a condition of being eligible for future dispatches.

There are advantages to referring substance abuse expert recommendations to qualified third party professionals for administration on behalf of the Parties. Third party professionals are positioned to offer a higher level of:

- a) confidentiality,
- b) consistency, and
- c) expertise.

Contracting the administration of substance abuse expert recommendations to third party professionals is expected to be more effective in meeting the safety objectives contained in the *Canadian Model* and increase the quality of service afforded to affected individuals.

Now therefore, it is Agreed between the Parties hereto that:

- 1) Substance abuse expert recommendations arising from contractor administered A&D tests conducted pursuant to the *Canadian Model* and arising from those who violate Article 3 of the *Canadian Model* shall be referred to and administered by Organizational Health Incorporated (third party professionals). Such substance abuse expert recommendations shall apply to employment and prospective employment in respect to any collective agreement for which the Union is signatory. Substance abuse expert recommendations shall be shared with a contractor only if they are in respect to a current employee, one that has contravened article 3 of the *Canadian Model* while in the employ of that employer.
- 2) Service providers including Organizational Health Incorporated will keep all information in accordance with applicable privacy laws.
- 3) The Association will provide the funding to the third party providers who are responsible for administering substance abuse expert recommendations.
- 4) This Letter of Understanding shall be attached to and form part of the 2015-2019 Collective Agreement entered into between the Parties.
