In that case the increase will become effective on the first pay period following the anniversary date. An apprentice will receive his increase to journeyman rate on the first pay period following the date his ticket becomes effective.

- 3.05** No work shall be performed on Labour Day, except for the preservation of life or imminent danger to property.
- 3.06** In lieu of pay for the above recognized holidays the Employer shall pay an additional 4% of the employee's total hourly earnings each week, including overtime hours and premium time hours.

- 4.02** The Employer's liability to the said Fund or to any beneficiary or prospective beneficiary shall be strictly limited to remittance of the contributions in the amount and the manner, and at the times set out herein.
- 4.03** The above mentioned Health and Welfare Trust Fund shall be equally and jointly trusted by Employer and Union representatives.

ARTICLE FIVE - PENSION PLANS

- 5.01** The Employer shall contribute the amount specified in Article 3:00 to the Millwrights Pension Trust Fund of Alberta (Edmonton) for all hours EARNED by employees covered by this Agreement. In the event that these Calgary members identified above become members of the Edmonton Pension Plan, then pension remittances shall be made to the Edmonton Pension Plan for these Calgary members. The change will be subject to, and effective as of the date identified by, written notification from both of the Boards of Trustees of the Edmonton and Calgary Plans to the CLR-A Millwrights Trade Division.

- 5.02** The Employer's liability to the Millwrights Pension Trust Fund of Alberta (Edmonton) or to any beneficiary or prospective beneficiary shall be strictly limited to remittance of the contributions in the amount and the manner, and at the times set out herein.
- 5.03** The above mentioned Pension Trust Funds shall be equally and jointly trustee'd by Employer and Union representatives.

- 6.02** The Employer's liability to the said Fund or to any beneficiary or prospective beneficiary shall be strictly limited to remittance of the contributions in the amount and the manner, and at the times set out herein.
- 6.03** The above mentioned Training Trust Fund shall be equally and jointly trustee'd by Employer and Union representatives.

ARTICLE SEVEN - HOURS OF WORK

- 7.01** The maximum of eight (8) hours shall constitute a normal day's work beginning at 8:00 a.m. and ending by 4:30 p.m. (except when one (1) hour lunch is taken in which case the normal day will end at 5:00 p.m.). The maximum normal work week shall be forty (40) hours beginning Monday at 8:00 a.m. and ending Friday at 4:30 p.m. The above schedule is intended to represent a normal work day or work week and is not to be construed as a guarantee of hours of work per day or per week or with respect to days in a week.

The Employer may vary the start/quit times by changing the scheduled starting time up to one hour at their option.

Variances beyond one (1) hour shall be agreed mutually by the Employer and the Business Representative of the Union and the consent to variance will not be unreasonably withheld.

A change in start/quit times or lunch hours shall be applied for a minimum of one week on the jobsite. In no circumstances shall split shifts be created, unless mutually agreed between the parties in writing.

- 7.02** Forty (40) hours shall constitute a work week, Monday through Friday. All other time worked shall be considered overtime and shall be paid for at the applicable overtime rate of pay.
- 7.03** The first two (2) hours of overtime per day, Monday through Friday inclusive, shall be paid at one and one-half (1½) times the applicable rate of pay. All other overtime hours, Monday through Friday inclusive, shall be paid at two (2) times the applicable rate of pay.
- 7.04** For the purposes of calculating overtime hours, overtime shall normally be scheduled upon the completion of the regular days shift. When an Employee is required to work prior to the commencement of his regular shift, such time shall be considered as overtime.
- 7.05** All hours worked on Saturday, Sunday and Statutory Holidays shall be paid at two (2) times the applicable rate of pay.
- 7.06** It is accepted that a worker may, from time to time, require personal time off from work to deal with personal matters. In order to facilitate this, a worker will accumulate one-half shift (either four hours on an eight hour shift or five hours on a ten hour shift) of unpaid personal absence allowance for each month worked up to a maximum accumulation of two full shifts. An initial one-half shift allowance will be credited upon the start of employment with additional units of one-half shift credited in the months worked subsequently, up to the maximum allowance of two shifts. A worker may request that they be preauthorized to take a personal unpaid absence providing they give a minimum of seven calendar days advance notice of their request to their authorized company representative. Where it is not practical to provide seven calendar days notice the worker must provide as much notice as they are capable of, it being understood that less notice may make it more difficult to accommodate a request for time off. Requests for time off that meet the above conditions will not be unreasonably denied subject to operational requirements.
- (a) A worker that is preauthorized to take personal time off pursuant to the above procedure, and who has accumulated sufficient personal absence allowance to cover their absence, will qualify for overtime premiums for any work performed either preceding or following the normal scheduled hours of work on the day they take their personal absence regardless of whether or not they have worked the full eight or ten hours as scheduled for that shift. In the case of a worker on a compressed work week schedule they would also be paid normal overtime premiums for any hours worked on the compressed work week day off. It is also understood that, provided such absences conform to these conditions, the absence will not disqualify the worker from working overtime scheduled for that week.

- (b) Personal absence allowances will be earned on the basis of minimum units of one-half shift and will be utilized on the basis of units of a minimum of one-half shift. An authorized personal absence of up to one-half shift will reduce the accumulated personal absence allowance by one-half shift. If time off exceeds one-half shift, the worker's accumulated personal absence allowance will be reduced by additional one-half shift units.
- (c) Overtime premiums as specified in this Collective Agreement will be paid for all hours worked in excess of eight hours in a day. In the case of a compressed work week, overtime premiums will be paid for hours worked in excess of ten in a day or forty in a week. A worker that is absent from work without pre-authorization as per the above procedure, including late arrivals or early quits will be subject to discipline in accordance with their employer's policies and may also be disqualified from working scheduled overtime in the week the absence occurs. Workers who are absent from work without pre-authorization, or workers that have been pre-authorized but who do not have sufficient personal absence allowance accumulated, must work the minimum normal hours as stipulated above prior to overtime premiums being paid. Saturdays, Sundays, and Statutory Holidays will be paid as per the Collective Agreement premiums for all hours worked on those days.
- (d) The Framework Bargaining Committees agree that they will meet to review the provisions of this Article during the months of March and April of 2013, or earlier should they both agree. The Parties to this Agreement agree that, should the Framework Bargaining Committees arrive at recommendations for changes, they will consider amending this article to conform to such recommendations.

7.07 Starting time shall be at the main brass shack or where there is no brass shack at the area designated by the Employer. Sufficient pick-up time will be allowed prior to quitting time. A suitable signal shall be provided to give starting and quitting time where feasible.

7.08 Regular employees reporting to work shall be paid two (2) hours pay at regular rates if no work is available. Employees may be required to remain on site for these two (2) hours and perform any Millwright work requested.

New Employees requested to report for hiring shall be paid four (4) hours pay at regular rates if no work is available, plus applicable travel allowances, subsistence and meals. This clause shall not apply where the

Employer has notified the union(s) in reasonable time, that the employee is not eligible for re-hire for just cause.

7.09 Two (2) work (coffee) breaks of ten (10) minutes duration will be allowed each day during normal working hours, one in the first half and one in the second half of each shift, or shifts. If overtime is worked beyond the normal working day, then the employee will be allowed a coffee break at the end of the normal shift and every two (2) hours between meals thereafter. Such breaks to be taken in regular lunch room or suitable enclosed, weatherproof, clean, heated areas.

On a compressed work week scheduled pursuant to Article 7.13, or on regular eight hour days when two or more hours of overtime has been scheduled, employees shall be permitted a break of fifteen (15) minutes in the first half and fifteen minutes (15) minutes in the second half of such shifts.

7.10 Where Employees are required to work in excess of ten (10) hours in a single shift, they shall be provided immediately after ten (10) hours, with a suitable meal (hot where possible) and every four (4) hours thereafter until the shift is ended. The cost of the meal(s) and the time consuming same shall be paid for at the straight time rates contained in this Agreement, to a maximum of one half (1/2) hour in duration. Where the Employer is paying subsistence, this clause shall also apply.

Should an employee not be provided with meals as set out in the preceding paragraph, he shall receive one-half (1/2) hour's pay at the applicable rate for each meal not provided. These conditions shall not exceed more than 14 calendar days.

7.11 Where a supervisor is required to:

- (i) start up to one (1) hour earlier, or
- (ii) finish up to one (1) hour later, or
- (iii) start up to one half (1/2) hour earlier and finish up to one half (1/2) hour later

than the supervisor's crew, for the purposes of organizing work or facilitating a transition to another shift, the provisions of 7.09 will not apply unless those provisions are applicable to the rest of the crew.

7.12 Where compressed work weeks are worked, recognizing emergency situations will arise, if the Contractor has not scheduled in excess of the ten (10) hour shift, the Contractor shall be granted a one (1) hours extension where the Contractor need not supply a hot meal.

7.13 Under no circumstances shall any form of payment be made to the Employee in lieu of the Employer providing such meal(s) unless prior

agreement has been reached between the Employer and the Business Manager of the Union, or his Representative.

7.14 **COMPRESSED WORK WEEK**

The regular hours of work may be worked, as an option, on the basis of four (4) days times ten (10) hours per day Monday through Thursday, provided always that once this option is applied, the contractor shall complete at least a full weeks work on this shift. This Monday to Thursday schedule may be varied by mutual consent between the Employer and the Union and such consent will not be unreasonably withheld. The above schedule is intended to represent a normal work day or work week and is not to be construed as a guarantee of hours of work per day or per week or with respect to days in a week. The Employer may vary the start/quit times by up to thirty (30) minutes at his option. Variances of greater than thirty (30) minutes shall be mutually agreed between the Employer and the Union.

7.15 Where this option is worked, pursuant to Article 7.13, all hours in excess of ten (10) hours per day Monday through Thursday, shall be paid for at two (2) times the applicable rate of pay. When the subsequent Friday is worked, the first ten hours shall be paid at one and one-half (1½) times the applicable rate of pay.

7.16 When job circumstances merit a change in the hours of work, the Employer shall notify the Union office at least seven (7) calendar days, where practical, before such change becomes effective.

7.17 When a compressed work week is being worked and a statutory holiday falls on a regularly scheduled work day(s) off, then the following regularly scheduled work day(s) will be observed in lieu thereof unless varied by mutual consent. When a statutory holiday falls in the middle of a work week, the Union and the Employer shall mutually agree to the work schedule for that week. Work performed on the date on which the Statutory Holiday falls will be paid at the overtime rates otherwise required by the Collective Agreement, and work performed on the day on which the Statutory Holiday is then observed will be paid at double time.

7.18 The parties understand and agree that on remote jobsites or where special conditions apply, scheduling of extended work weeks/days off may be beneficial to the completion of the work and in those circumstances the parties will mutually agree to a work schedule to meet job conditions.

SHIFT WORK

- 7.19** Shift work may be performed at the option of the Employer, however, when shift work is performed at least two (2) full shifts must be worked in any twenty-four (24) hour period and each of these shifts must continue for at least three (3) consecutive regular working days. Should each of the shifts outlined above not continue for a period of three (3) consecutive working days, all hours worked shall be deemed overtime and paid at the applicable rates contained in this portion of this Agreement.
- 7.20** Where a shift is commenced and has run for at least the three (3) consecutive days referred to above, should the shift terminate in the middle of the week, or an employee hires on in a week in which a shift ends, affected employee(s) shall only be entitled to shift premium on regular hours of work.
- By mutual agreement, shifts may be established for periods of less than three (3) consecutive regular working days and in such an event, the deemed overtime that would otherwise be payable shall not apply.
- 7.21** The first shift shall work a normal shift as set out in clause 7.01 of this Agreement, with the applicable overtime rate after eight (8) hours of work.
- 7.22** Shifts commencing at any time after 3:00 p.m. shall work eight (8) hours. The hourly rate for employees on shifts shall be \$3.00 per hour greater than their applicable day time rate of pay. In no event shall this hourly rate be greater than the applicable overtime rate plus shift differential.
- 7.23** No employee shall work more than one (1) straight time shift in each consecutive twenty-four (24) hour period. An employee shall continue to receive the overtime rate, plus shift differential, after each shift until a break of eight (8) consecutive hours occurs, exclusive of travel allowance.
- 7.24** When an employee loses a regular day through the implementation or termination of shift work, then the Employee shall be paid a regular days pay for the day lost.
- 7.25** Where the owner/client may require work to be done on a single shift basis at start/quit times that may be at variance with the start/quit for a regular shift, single shift operations shall be permitted subject to the payment of shift differential. The shift differential shall be paid on all hours worked and at the highest rate that the employee would have been entitled to if the operation would consist of more than one shift. Overtime shall be payable on all hours in excess of eight (8) hours per day and forty (40) hours per week and on Saturdays, Sundays, or Statutory Holidays.

ARTICLE EIGHT - PAYMENT CONDITIONS

- 8.01** Employers shall have the option to pay by payroll cheque or to pay by direct deposit to the bank account of the employee's choice. Where direct deposit is used, employees will be provided with pay summaries on payday which can be sent by fax to out of town jobs if necessary.
- 8.02** Not more than five (5) days' pay shall be held back.
- 8.03** All wages due, E.I. Separation Certificate and "Completed" Apprenticeship Book where applicable shall be given to the employee upon termination. When the pay office is not located at the job site, the employee's wages and E.I. Separation Certificate will be sent to him by courier or equivalent service within three (3) regular working days, or, arrangements can be made to pick them up at the Employer's Office in Calgary or Edmonton as applicable the next working day. Notwithstanding the above, in circumstances where the employee is being paid by direct deposit the final pay will be paid on the next regular pay day when the time owing would have been normally payable.
- 8.04** The employer agrees to provide, a complete statement for every employee each pay period, showing dates of the payroll period covered, social insurance number and showing separate totals of the following:
- (1) Straight time hours.
 - (2) Overtime hours.
 - (3) Shift premium paid.
 - (4) Statutory Holiday pay.
 - (5) Vacation pay.
- 8.05** The employer shall further provide each employee with a statement of his earnings for each period showing all amounts deducted.
- 8.06** Employees must advise the payroll department of their employer if they believe their final pay is late. The Employer will then have two working days following notification to get the final pay cheque to the employee. Failure to do so will result in a penalty of four (4) hours at the applicable basic hourly rate of pay for each 24 hour period of delay beyond the two working days within which the pay should have been postmarked. Such intervals shall only be deemed to include working days and shall remain exclusive of week-ends and holidays. It is understood, however, that extenuating circumstances can arise, and that despite all good faith efforts and for reasons beyond the control of the Employer, payments may be delayed. In such cases the onus shall be on the Employer to notify the Union, prior to the time by which the cheque is required to be available or required to be post marked, of the details of such circumstances. In such cases the payment of the late remittance amount shall be waived.

- 8.07** Where an Employee performs work that would require the Employer to contribute hourly contributions to the Trust Funds set out in this Agreement, at such an hourly contribution rate as may from time to time be applicable in this Collective Agreement, then the Employer shall and shall be deemed to have kept such an amount separate and apart from his own monies and shall be deemed to hold the sum so deducted in trust on behalf of the employees until the Employer has paid such monies to the applicable trust fund. Further, in the event of any liquidation, assignment or bankruptcy of such an Employer, an amount equal to the amount that is owed to the applicable Trust Fund by the Employer on whose behalf Employees have performed work entitling them to receive contributions to the fund(s) as is herein before provided for, is deemed to be held in trust for the Trustees of these Trust Fund(s) and such a fund shall be deemed to be separate from and form no part of the estate in liquidation, assignment or bankruptcy, whether or not that amount has in fact been kept separate and apart from the Employer's own money or from the assets of the estate.

ARTICLE NINE - NOTICE OF TERMINATION OF EMPLOYMENT

- 9.01** When an employee's employment is terminated by the Employer, a minimum of two (2) hours verbal notice shall be given to the affected employee. Within that time the employee shall use such period as he may deem to clear his affairs, i.e. tools, tool crib, accommodation, belongings, etc.
- 9.02** When an employee leaves of his own accord, he shall give the Employer two (2) hours' verbal notice of his intention.
- 9.03** When an employee is notified of his termination the respective steward shall be notified.
- 9.04** When a layoff occurs, members of the Local Union shall be given preference of employment over permit or applicant members in the work for which they are qualified. This clause will apply except by mutual agreement between the Employer and the Union.
- 9.05** Should a layoff of an employee occur while he is not on site, he shall be compensated two (2) hours pay, plus travel allowance where applicable providing the employee arrives back at the site to pick up his tools.

In circumstances when the employee is hired and is requested by the employer to not supply all the tools as listed in article 10.03 then this clause will not apply.

- 10.05** Apprentices shall not be required to supply precision tools, such as a micrometer, dial indicator or precision levels, but shall be expected to have some of the tools of the trade as befits their experience.
- 10.06** All work within the scope of this Agreement requiring precision tools, qualifications, skills and ability of a Millwright, shall be performed by members of the Union. - 10.12** Members staying in Employer supplied accommodations who are injured on the job and become a Workers Compensation Board case, and who require transportation cost not covered by Workers Compensation Board back to the job shall be paid such transportation costs.

ARTICLE ELEVEN - LOCAL RESIDENTS

11.01 (a) A local resident is an individual who resides within a seventy-five (75) kilometer radius of the centre of a job site which is beyond daily commuting distance from Edmonton or Calgary or other locations where a hiring hall is located, and has resided within such radius of the site for a period of not less than six months prior to being engaged on the project. It is understood that the hiring of local residents shall be subject to the hiring all procedures and prerogatives set out in this agreement.

(b) Process for Determining Local Status

Where a question arises as to whether a candidate for employment qualified as a local resident, the designated representatives of the Employer and the Union shall determine the individual's acceptability as to residency only. The Joint Labour Management Committee may provide direction in addition to the guidelines set out below to determine the "real residency" test for those people wishing to be designated as a local resident.

(c) Guidelines for determining "Real Residency"

In making the determination as to whether a person is a "Local Resident" for the purposes of the Collective Agreement, the following factors will be taken into consideration:

- the dwelling place of the person's spouse and dependents;
- personal property and social ties to the community;
- residential ties elsewhere;
- permanence and purpose of residence in a particular community;
- documentation of:
 - (i) property tax and rent receipts, telephone, gas or other utility receipts;
 - (ii) driver's license
 - (iii) vehicle registration or pink card;
 - (iv) income tax;
 - (v) unemployment insurance documents;
 - (vi) voters' list registration;
 - (vii) employee benefit fund administration registrations.

11.02 Local Residents residing within a forty-five (45) km. radius of the job site shall not be entitled to receive transportation or vehicle allowance, travel allowance, initial and return travel allowance, room and board or subsistence, or camp accommodations, or rotational leave provisions.

11.03 Local residents residing between a forty-five (45) km radius and a seventy-five (75) km radius of the job site shall not be entitled to receive initial and return travel allowance, room and board or subsistence, or camp accommodations, or rotational leave provisions, but shall be paid a travel allowance of thirty-six dollars (\$36.00) per day worked to cover transportation expenses and travel allowance, or if transportation is supplied by the Employer, a daily travel allowance of nineteen dollars (\$19.00) will be paid for each day worked.

For the purposes of determining local residents in the Fort McMurray area, residents of Anzac and Sapræ Creek will be considered to be residents of Fort McMurray for projects north of Fort McMurray and residents of Fort McKay will be considered to be residents of Fort McMurray for projects located south of Fort McMurray.

11.04 Where a Camp Kitchen is established and where all workers, generally, on the project who are not Local Residents attend at the Camp Kitchen to eat their lunches, a Local Resident Employee shall be provided the same noon meal without cost to himself. In those instances where bagged lunches are provided to camp residents and hot soup is delivered to the jobsite, local residents shall be entitled to pick up hot soup as well.

11.05 Where a Local Resident Employee is required to work overtime, he shall be entitled to overtime meals in accordance with this Agreement.

11.06 The parties agree that the early participation of qualified local resident employees in work undertaken under this agreement is most desirable and will be strongly promoted. In support of this the Union agrees that local qualified tradesmen will be given an opportunity to join the Union and will be dispatched to the job when positions become available, subject to the mutual agreement of the parties.

The Parties to the Collective Agreement agree that they will undertake a monitoring process to evaluate the employment status of Local Resident Members residing in the Wood Buffalo region, and such other region where a client expresses a concern during the term of the Agreement. If it is determined that there is an underutilization of Local Resident Members the Parties will meet and address the issue.

ARTICLE TWELVE - TRAVEL, TRAVEL ALLOWANCE, TRANSPORTATION AND ACCOMMODATION

12.01 DAILY COMMUTING

The following conditions will apply on jobs within daily commuting distance of Edmonton, Calgary, or any location with a hiring hall, and on jobs from which employees commute daily from temporary accommodation provided or paid for by the Employer.

- (a) A forty-five (45) kilometer radius free zone from the center of the cities of Edmonton or Calgary (Geodetic Monument) or around any place in which employees are temporarily domiciled by the Employer shall be established. The location of the Geodetic Monument of Edmonton is 101st Street and Jasper Avenue and for Calgary, the Calgary Tower. No transportation or travel allowance shall be applicable within the free zone [subject to 12.01 (a)(i) and 12.01 (a)(ii)].
- (i) The time in transit on buses between the site and the camp shall be determined by representatives of the Building Trades of Alberta and of the Coordinating Committee of Registered Employers' Organizations, based on an average during a reference week of five test runs each way, conducted coincident with the times when workers are in transit. This determination should be carried out twice per year, with any adjustment resulting from a determination applicable until the next determination. Workers shall be paid an allowance for time regularly and routinely in excess of forty five minutes each way, for travel within the applicable free zone. The allowance shall be calculated on the regular straight time base rate of each worker. The allowance will be paid only to workers who ride on the provided buses, and only for the days on which they ride the buses.
- (ii) Notwithstanding the foregoing, on major construction projects located within the free zone, around the cities of Edmonton and Calgary, but beyond the city bus transportation system of those cities, where it is expected that the total construction workforce will exceed five hundred (500), the affected parties shall meet to discuss the viability of implementing a system of providing transportation to the site. The parties shall take into account such considerations as climate, seasons, road capacity, other projects and industries using the same corridors, workforce curves, and site infrastructure.
- (b) For projects beyond the forty-five kilometer (45 km) free zone for which daily travel is required, the Employer will have the following options;
- to provide transportation and pay travel allowance, or
 - reimburse the employees, as a vehicle allowance, at the rate of forty-nine cents (49¢) per kilometer traveled, each way between the edge of the free zone and the project job site daily and pay travel allowance.

The travel allowance shall be calculated based on traveling at 80 km per hour, at the employee's applicable base rate, from the point where the edge of the 45 km radius free zone intersects the road which takes the shortest, most appropriate route, to the project and return to the intersecting point.

Example - A Journeyman member traveling in June, 2011 to a project located 40 road kilometers from the edge of the free zone at 80km per hour each way would receive the following for each day worked:

<u>Travel Allowance:</u> 80 km @ 80 km per hour	
1 hour at base rate of \$42.38 =	\$42.38
<u>Vehicle Allowance:</u>	+
80 km. @ \$0.49 cents per km. =	<u>\$39.20</u>
For a daily total of:	<u>\$81.58</u>

Where the employer provides the transportation the travel allowance would be paid but the vehicle allowance would not be payable.

The Coordinating Committee and the Alberta Building Trades Council shall examine, during January of each year of the Collective Agreement, the information published by Canada Revenue Agency respecting the vehicle allowance amounts that will not be treated as taxable income, and that will be permitted as business expenses for employers. Such information normally establishes a maximum rate for the first 5,000 km, and a lower rate for additional kilometres. The Coordinating Committee and the Council shall determine a rate that is midway between those two rates. The above vehicle allowance rate shall be adjusted, effective on the first pay period following May 1 of each year, to the rate so determined by the Coordinating Committee and the Council.

- (c) When an employee is being paid subsistence allowance in accordance with Article 12.04 (a)(iii) or (b)(iii), and when there is no accommodation available within 45 km. of the project on which the employee is engaged, the employer shall determine the location of the nearest available suitable accommodation, and shall determine the number of road kilometres beyond a 45 kilometre radius of the project that would be required to travel each way from the nearest available suitable accommodation, and shall calculate the travel allowance in accordance with the above provisions. In the event suitable accommodation within a 45 kilometre radius of the project becomes available, the payment of the travel allowance will cease.

- (d) Where the Employer supplies the transportation, such transportation shall, at a minimum, be a safe, clean and modern means of transportation with sufficient seating for each person allowing adequate comfort for adults. School buses shall not be used for such transportation. Where the employer is supplying transportation, and when the size of the crew is such that the capacity of a coach-type bus is required, such bus transportation will be provided. Pick up points shall be mutually agreed upon.
- (e) Employees who are transported to a job site but who refuse to start work at the prescribed time due to a picket line or other form of labour relations dispute will not be paid transportation or travel allowance for that day.
- (f) When the transportation provided by the Employer for the conveyance of employees is delayed by circumstances that are reasonably within the control of the Employer or the bussing company, the Employees shall be paid for all such time in excess of 15 minutes beyond the scheduled departure time, up to a limit of two (2) hours at the applicable straight time rate.
- (g) If an employee is required by the Employer to move from one job to another during working hours, the Employer shall provide the transportation or pay vehicle allowance at the rate established by the formula in 12.01(b) above if the employee uses his own vehicle. The employee shall not suffer any loss of pay as a result of transferring between projects during working hours.
- (h) Employees required to travel out of a city or town to another job after working a shift, and before an eight (8) hour break occurs, shall be paid for all time traveled at the rate of time and one-half the normal rate. If still traveling the following day, the employee shall be paid the normal rate for time traveled during the regular working day only.

12.02

INITIAL AND RETURN TRANSPORTATION TO REMOTE SITES

- (a) Employees directed or dispatched to work sites located beyond a radius where daily commuting allowance under 12.01(b) would apply shall be paid travel allowance for initial travel and transportation to the project and return subject to the conditions in (b) below, based upon a radius from the cities of Edmonton or Calgary or other hiring hall location, as applicable, as follows:
 - (i) up to 200 kilometers - \$84.00 each way;
 - (ii) over 200 kilometers to 300 kilometers - \$120.00 each way;

- (iii) over 300 kilometers to 375 kilometers, and the Empress area - \$144.00 each way;
 - (iv) over 375 kilometers to 475 kilometers \$216.00 each way, or actual Airfare if suitable proof of air transport is provided to the employer.
 - (v) over 475 kilometers - as mutually agreed between the Parties to this Agreement to a maximum of \$330.00 each way or air fare inclusive of taxes in the event this is the most practical method of accessing the project/jobsite.
 - (vi) The Initial and Return Transportation Allowances set out herein shall be subject to review in January 2013 and January 2014. In the event that there is an adjustment in the vehicle allowance, pursuant to article 12.01 (b) for 2013 and / or 2014, each allowance amount shall be adjusted by the same percentage adjustment as the vehicle allowance adjustment, effective the first pay period following May 1st of the respective year. For example, if for 2013, the vehicle allowance is increased by 4%, each allowance shall be increased by 4%, rounded to the nearest dollar, and effective on the first pay period following the 1st of May, 2013.
- (b) When transportation is provided by the employer by way of air, bus, or other acceptable surface transportation, prior to the commencement and following the conclusion of a work cycle (being scheduled days of work for which there is no more than a one day of rest scheduled within consecutive scheduled days), an employee, at the time of dispatch, will be allowed to elect to use the such employer provided transportation or to receive collective agreement initial/return/rotation allowances. Buses must comply with Article 12.01 (d).
- An employee who has elected collective agreement initial/return/rotation allowances will no longer be paid any such payments not yet received if transportation is established and the employee elects to use it. Such an employee will not be required to return payments received to that point.
 - An employee who has elected collective agreement initial/return/rotation allowances and who is found using employer provided transportation will become disentitled to further collective agreement initial/return/rotation allowances, as one consequence.
 - If a person who elects collective agreement initial/return/rotation allowances uses employer provided transportation for his initial trip that person will not receive the initial allowance payment. This circumstance will not be a violation as discussed in the previous point.

- Regulations shall be established for the use of employer provided transportation governing behaviour and the use of, e.g., alcohol, tobacco and other substances.
 - Notwithstanding the foregoing, an employee who has elected to use employer provided transportation and who is hired, laid off, or terminated on a day when such transportation is not available shall be reimbursed the cost of a one-way commercial bus ticket to Edmonton or Calgary, whichever is applicable, and transportation from the site to the nearest commercial bus terminal, or equivalent taxi fare.
- (c) Employees will qualify for and receive, with the next regular pay, initial transportation allowance to the job site after being employed at the site for either fifteen (15) calendar days or completion of the job, whichever is the lesser.

Should the employee remain on the job until completion of thirty (30) calendar days, or until completion of the dispatched job requirement, whichever may be the lesser, they shall receive the return transportation allowance to be paid with his final pay cheque.

If the employee is transferred to a different work site which is outside the same geographical region for which the transportation allowance was to apply (e.g. the Fort McMurray region, the Cold Lake Region, etc.), that employee will be paid any outstanding transportation allowance(s) with their next regular pay. If the employee is transferred to a different work site that is within the same geographical region to which the transportation allowance was to apply, the employee's employment on that different work site shall be deemed to be a continuation of employment on the original work site for the purposes of accumulation of entitlement to transportation allowances and rotational allowances where applicable. Should an employee choose not to accept a transfer, he/she shall be paid all applicable travel allowances and be considered to be laid off.

12.03

ROTATIONAL LEAVE (TURNAROUNDS)

- (a) On jobs located beyond a Three Hundred (300) km radius to a maximum of Four Hundred and Seventy - Five (475) km from the centre of Edmonton or Calgary or other hiring hall location, the Employer shall:
- (i) Pay an allowance of One Hundred and Sixty-Eight Dollars (\$168) after Thirty-Five (35) calendar days of employment on the job and thereafter for each subsequent Thirty-Five (35) calendar days of employment on the job.

Where the Employee accepts Employer supplied transportation he shall not be entitled to the above allowance.

- (ii) Allow Employees Five (5) working days leave after each Thirty-Five (35) calendar days of employment on the job.
- (b) On jobs located beyond a Four Hundred and Seventy - Five (475) km radius from the centre of Edmonton or Calgary or other hiring hall location, the Employer shall:
 - (i) Provide a negotiated transportation allowance, not to exceed scheduled air line air fare where scheduled air service is available, or pay an allowance of Three Hundred Dollars (\$300) where airline service is not available, after Thirty-Five (35) calendar days of employment on the job and thereafter for each subsequent Thirty-Five (35) calendar days of employment on the job.
 - (ii) Allow Employees Five (5) working days leave after each Thirty-Five (35) calendar days of employment on the job.
- (c) The Rotational Leave Allowances set out herein shall be subject to review in January 2013 and January 2014. In the event that there is an adjustment in the vehicle allowance, pursuant to article 12.01 (b) for 2013 and / or 2014, each allowance amount shall be adjusted by the same percentage adjustment as the vehicle allowance adjustment, effective the first pay period following May 1st of the respective year. For example, if for 2013, the vehicle allowance is increased by 4%, each allowance shall be increased by 4%, rounded to the nearest dollar, and effective on the first pay period following the 1st of May, 2013.
- (d) It is further understood and agreed that the above described trips be on a rotation basis and at no time more that twenty-five percent (25%) of the working force shall be on such home leave.
- (e) Where the Employer supplies transportation the Employee shall not be entitled to the above provisions, subject to the provisions of 12.02 (b), save and except that the Employee shall remain eligible for rotational leave as per clauses 12.03 (a) (ii), 12.03 (b) (ii), and 12.03 (c).
- (f) Time spent away from a jobsite due to a jobsite closure or scheduled vacation of one work week (5 days or 4 days as the case may be) or longer will not be credited towards the accumulation of calendar days for earning a turnaround leave.

12.04 ACCOMMODATION, ROOM & BOARD

- (a) Applicable within a 475 kilometer radius of the Cities of Edmonton and Calgary (excluding National Parks)

When an employee is directed or dispatched to work on an out-of-town job, the employer will provide:

- (i) camp accommodation, which shall be available seven days per week; or
- (ii) mutually agreed room and board; or
- (iii) for each day worked, reimbursement toward the expense of the employee's board and lodging, and any goods and services tax paid by the employee in the purchase of board and lodging, by way of a subsistence allowance in the amount of one hundred and ten dollars (\$110.00) per day throughout the Province of Alberta except for subsistence rates established for specific communities and regions as posted at www.cbra.org.
- (iv) On a project / jobsite located over two hundred and fifty (250) radius kilometers from the geographic centers of either the City of Edmonton or Calgary (as applicable) one additional day's subsistence shall be paid for the use of accommodation for the night following the last day worked, provided that the Employee presents a bona-fide commercial receipt to his Employer for each occasion the accommodation is used. Where the Employer or his client is providing a free bus trip back to the city on the same day as the last shift of the week, this provision shall not be applicable.

Board and room will be supplied or the daily expense allowance will be paid for any Statutory Holiday which falls on a scheduled work day other than a first or last day of a scheduled shift provided the employee reports for work on the work day immediately preceding and following the Statutory Holiday.

- (b) Applicable beyond a 475 kilometer radius of the Cities of Edmonton and Calgary (excluding National Parks and Northwest Territories)

When an employee is directed or dispatched to work on an out-of-town job which will last at least five days, the employer will provide, on a seven (7) days per week basis:

- (i) camp accommodation; or
- (ii) mutually agreed room and board; or

- (iii) reimbursement toward the expense of the employee's board and lodging, and any goods and services tax paid by the employee in the purchase of board and lodging, by way of a subsistence allowance in the amount of one hundred dollars ten (\$110.00) per day, except for subsistence rates established for specific communities and regions as posted at www.clra.org.

Employees failing to report for work on the work day immediately preceding and following a week-end or Statutory Holiday will receive the above for days worked only.

- (c) In the event that any difference arises respecting the adequacy of accommodation provided by the employer pursuant to clauses 12.04(a)(ii) or 12.04(b)(ii) above, the difference shall be referred to a balanced committee of appointees of the Building Trades Council and the Coordinating Committee of registered employers' organizations, which committee shall make a final and binding decision within five days from the date of referral.
- (d) The parties agree that wherever practical and workable in all of the circumstances of the project, camp accommodation is preferable to the provision of room and board, and that the provision of room and board is preferable to the payment of subsistence allowance. However, any of these three options will satisfy the employer's obligations pursuant to this article.
- (e) (i) In certain situations, employees may be dispatched or directed to work on projects which are in an area where the cost of available suitable single room accommodation and/or meals may be in excess of the daily rate of subsistence set out in this Article. In such a case, the employer shall provide one of the following options:
- provide suitable room and board; or
 - directly pick up the cost of the room and pay a meal allowance to be determined as is set out in this Article; or
 - the subsistence allowance shall be reviewed and, if necessary, adjusted by the following procedure:
- (ii) Either the subsistence allowance may be adjusted by mutual consent between the Employer and the Union, or the Business Manager of the Union may request that the Executive Director of the Alberta Building Trades Council issue a formal written request to the Coordinating Committee of Registered Employers' Organization that a

Subsistence Review Committee be established. Alternatively an Employer may request that the Coordinating Committee of Registered Employers' Organizations issue a formal written request to the Executive Director of the Alberta Building Trades Council that a Subsistence Review Committee be established. Upon formal written request the Subsistence Review Committee shall meet within five (5) working days of such request.

- (iii) The Subsistence Review Committee will consist of one (1) representative appointed by the Alberta Building Trades Council and one (1) representative appointed by the Employers' Coordinating Committee. Neither appointee shall be directly involved with the issue at hand.

The Subsistence Review Committee will undertake such investigation as is necessary to determine whether the allowance paid will allow an Employee to purchase available accommodation and three (3) meals per day in the community or communities where Employees will be domiciled. In the event that the Committee determines that the allowance is insufficient to purchase such lodging and meals the Committee shall determine the amount by which the subsistence allowance shall be adjusted. A decision of the Committee as to whether the allowance is sufficient or whether a specified adjustment is necessary shall be final and binding provided that both appointees mutually agree with the resolve. Any such mutually agreed upon decision shall be issued within five (5) days from the date of referral, or such longer period as may be agreed by the Coordinating Committee and the Building Trades.

- (iv) In the event the Committee fails to make the required determination or determinations within the period allowed, the meal and lodging costs ascertained by the Committee shall be referred, together with such other relevant evidence and argument as may be submitted by the parties, to an Umpire who shall be appointed within five (5) days in accordance with the provisions of Articles 13.05 and 13.09. The Umpire shall render a final and binding decision as to whether the subsistence allowance is sufficient to allow an Employee to purchase accommodation and meals in the subject community or communities, and if it is not the amount by which the allowance should be adjusted to afford the purchase of available lodging and meals. The decision of the Umpire shall be rendered within five (5) full

days of the Umpire's appointment, or such longer period as may be agreed by the Coordinating Committee and the Building Trades. The decision of the Umpire shall have the same binding effect and shall be subject to the same limited review as a decision of an arbitrator in grievance proceedings. The fees and disbursements of the Umpire shall be borne equally by the Coordinating Committee and the referring Union.

- (v) The Subsistence Review Committee and/or the Umpire shall enter into a review when determining subsistence costs and in order to come to the conclusions that are necessary to carry out the objects of this clause some guidelines are included;
- In the appropriate case the ability to decide on whether or not an increase in subsistence allowance shall be made retroactively to the date the matter was submitted to the Subsistence Review Committee.
 - To determine seasonal adjustments due to tourism, availability of rooms, etc. which may affect the rate of subsistence over the entire course of a job; i.e. an increase in costs during the tourism season followed by a decrease at the end of tourism season or some other such situation.
 - Determine an appropriate accommodation cost based on what hotel rooms are available, how many such rooms are available, what hotels/motels to look at.
 - The cost of meals based upon the range of standard camp meals routinely served in a camp pursuant to the Camp Rules, which are adopted in this Collective Agreement, over an average weekly period.
 - Such other reasonable and ancillary powers as may be necessary to achieve the purpose of this clause.

There shall be no more than one reference of these matters to a Subsistence Review Committee Umpire with respect to any community in any calendar year unless it can be shown that there has been a material change of circumstances within that calendar

year. Such a review within the calendar year may be made by either the Employer or the Union.

- (f) **Applicable to all Regions**
 - (i) Employees unable to work due to legitimate illness, material shortage, job site conditions, or inclement weather and for whom it is not practical to return to their respective primary Alberta residence shall receive their board and room or daily allowance for those days they were scheduled to work, during the period such circumstances continue, up to a maximum of three (3) days.
 - (ii) If an employee who is being provided with subsistence allowance chooses to leave a jobsite prior to the normal quitting time without receiving consent from his employer, the employee will receive a prorated amount of subsistence based upon the number of hours the employee worked in the work day, compared to the regularly scheduled hours of work for the day.
If the employee leaves prior to the normal quitting time with the consent of the employer they will receive the normal daily subsistence allowance for that day.
 - (iii) All camps must meet the specifications as set out in the Building Trades of Alberta and Construction Labour Relations, an Alberta Association 2010 - 2018 camp rules and regulations, or any successor thereto.
 - (iv) All grievances concerning a camp will be resolved through the grievance procedure provided in the B.T.A. / C.L.R.A. Camp Rules and Regulations.
 - (v) If an employee, who is housed in a camp, is required by the Employer to transfer from one camp room to another, the employee shall be paid two hour's pay at the straight time basic hourly rate as full compensation for the time to move belongings.

ARTICLE THIRTEEN - GRIEVANCE PROCEDURE

13.01 "GRIEVANCE" means any difference concerning the interpretation, application, operation or any alleged violation of this Agreement, or any question as to whether any difference is arbitrable arising between the parties or persons bound by the Collective Agreement and "PARTY" means one of the parties to this Agreement.

All grievances shall be finally and conclusively settled without stoppage of any part of the Employer's work in the following manner:

13.02 To solve a grievance, an employee shall first either himself or accompanied by such persons as he shall choose, discuss it with his foreman, his steward, or with the Employer management, and if they agree, their decision shall be brought to the attention of Union and Management.

13.03 If satisfaction is not received then, within fifteen (15) working days of the initial occurrence of the event complained of, the grievor or the Union shall file with the job superintendent or manager a grievance, in writing, which shall contain the following information:

- (a) articles and clauses allegedly violated;
- (b) efforts made to solve alleged violation;
- (c) pertinent names, dates and facts concerning alleged violation;
- (d) remedy requested;
- (e) signature of the grievor.

Within five (5) working days of receipt of the alleged grievance described in 1 above, the Employer (Union) shall issue a reply in writing, by registered mail or by personal delivery to the grievor, the job steward or a business agent of the Union involved.

13.04 Pre-Arbitration Process

- (a) If a grievance has not been resolved following the preceding steps of the Grievance Procedure, the grievance shall be referred to a Joint Grievance Panel (JGP), unless one of the parties to the grievance serves notice of an intention to bypass the JGP in favour of referring the matter directly to arbitration.

- (c) Such Joint Grievance Panel will consist of two appointees of the Employer and two appointees of the Union. No person shall be appointed who has a direct personal interest in the subject matter of the grievance, and/or has had a direct personal involvement in earlier attempts to settle the grievance. Schedule 1: Example Calculations

The following are examples only, for the purposes of explaining the formulae in the Letter of Understanding re Wage Determination, and are not to be used for determining compensation.

Example 1: January 2012 Calculation for Trade X:

Hypothetically:

- Gross Wage Rate for Trade X = \$54.00
- CPI Change December 2010 – December 2011 = 1.5% (under the 2% minimum).
- Group 4 Average Wage = \$55.00
(Assume the Total of the Industrial Gross Rates Effective on April 1st, 2012 for Boilermaker, Bricklayer Refractory, Carpenter, Electrician, Millwright, and Pipefitter, divided by 6 = \$55.00)

May 2012 increase for Trade X: $(2\% \div 2) \times \$55.00 = \0.55

November 2012 increase for Trade X: $(2\% \div 2) \times \$54.00 = \0.54

Example 2: January 2013 Calculation for Trade X:

Hypothetically:

- Oil Price Average, July – December 2012 = \$96.66
- CPI Change December 2011 – December 2012 = 1.5%.
- Group 4 Average Wage April 1st, 2013 = \$55.00

May 2013 increase for Trade X: $((1\frac{1}{2}\% + \frac{1}{2}\%) \div 2) \times \$55.00 = \$0.55$

Example 3: July 2013 Calculation for Trade X:

Hypothetically:

- April 1st, 2013 Gross Wage Rate for Trade X = \$54.00
- Oil Price Average, January – June, 2013 = \$91.55
- CPI Change June 2012 – June 2013 = 1.5%.

November 2013 increase for Trade X: $((1\frac{1}{2}\% + \frac{1}{2}\%) \div 2) \times \$54.00 = \$0.54$

Check against 2013 annual 5% limit:

$\$0.55 + \$0.54 = \$1.09$, which is less than the 2013 limit of $\$54.00 \times 5\% = \2.70

Re: Special Project Needs Agreements ("SPNA")

Whereas the Parties have entered into a Collective Agreement which shall remain in effect from May 1, 2011 through April 30, 2015 as set out in the said Collective Agreement, and

Whereas the Parties hereto understand that certain of the provisions of the said Collective Agreement may not be appropriate in the competition for certain projects, and

Whereas the Parties are jointly committed to the enhancement and retention of the share of the market performed by Employers and employees who are bound by the said Collective Agreement,

8. Within 20 days of the receipt of any application, the Chair of the Coordinating Committee shall deliver to the Parties to this Collective Agreement a proposed form of SPNA. The only change to the applicable Template shall be the location of the project, the scope of the work and the effective date.

Re: Rapid Site Access Program

Whereas the Parties have entered into a Collective Agreement which shall remain in effect from May 1, 2011 through April 30, 2015 as set out in the said Collective Agreement, and

Whereas:

- A. The Parties are committed to creating a safer, healthier workplace free of risks associated with alcohol and/or other drug use. Historical trends suggest meeting this objective will correlate to a reduction in workplace incidents.
- B. The Parties intend to reduce redundant substance testing and related costs and to expedite access to participating worksites.
- C. Alcohol and other drug work rules, such as the Canadian Model for Providing a Safe Workplace: Alcohol and Drug Guidelines and Work Rule (the "Canadian Model"), are more effective if they are implemented in such a way as to preserve the dignity and privacy of participant workers.
- D. Coordinating the exchange of sensitive information through a centralized third party provides greater control over the collection, use, disclosure, safeguards and storage of personal information.
- E. Retaining the continuity of information through a centralized third party is necessary in order to reduce redundant testing, expedite access to worksites and provide seamless after-care support to affected workers.
- F. Comprehensive professional third party case administration provides for the effective delivery of education, compliance and, if necessary, accommodation strategies. Professional treatment, education, follow-up and after-care frameworks support affected workers in maintaining compliance with the Canadian Model

and, if necessary, recovering from an addiction and/or dependency to alcohol or other drugs.

- G. In 2004, the Department of Health and Human Services Substance Abuse and Mental Health Services Administration and, in 2008, leading experts in direct consultation, confirmed that laboratory oral fluid testing is accurate, reliable and appropriate for unannounced testing. Due to the shorter detection windows than found in urine testing, it was found oral fluid testing is not appropriate for follow-up testing and not appropriate for testing where prior notice of the test is given.
- H. Several arbitration cases have accepted the validity of laboratory oral fluid testing but in none of those cases was the laboratory oral fluid testing itself the subject of challenge. Accordingly, at the time of signing this agreement the validity of laboratory oral fluid testing has yet to be established in Canadian law.

Now therefore, it is Agreed between the Parties hereto that:

1. Subject to (2) and (3) below, the Parties support the implementation of the Rapid Site Access Program and the Union and Employer agree to be bound by and comply with the Rapid Site Access Program Procedural Rules, as amended from time to time.
2. The Union's agreement in (1) above is subject to the adoption of laboratory based oral fluid testing for the random component of drug testing administered by the Rapid Site Access Program. However, in the event laboratory oral fluid testing is successfully challenged in law the Union agrees urine based testing shall apply.
3. Subject to (2) above, where the Union does not agree to an amendment to the Rapid Site Access Program Procedural Rules, the Union may opt out of agreeing to said amendment by giving notice in writing to the registered employers' organization and the Rapid Site Access Administrative Committee.
4. For Industrial work, the employer contributions shall be established by the CLR and may be changed by the Board of Directors of Construction Labour Relations – An Alberta Association, and notice to an Employer and the Union from the Association respecting such amendment shall be sufficient. RSAP contributions shall be forwarded to Construction Labour Relations at #207, 2725 – 12th Street N.E., Calgary Alberta T2E 7J2. These contributions shall be used by CLR to provide the funding, among other things, for the third party providers who are responsible for delivering the services in respect to the Rapid Site Access Program.
5. This Letter of Understanding shall be attached to and form part of the Collective Agreement entered into between the Parties.

Re: Referral for Case Managed Aftercare

Whereas

An individual must be referred to a substance abuse expert following a failure to comply with the Canadian Model for Providing a Safe Workplace: Alcohol and Drug Guidelines and Work Rule (the "Canadian Model"). Once the individual is assessed by a substance abuse expert, recommendations are prepared and disclosed for the purpose of establishing expectations in accordance with the substance abuse expert's recommendations, entering into a post assessment agreement, and supporting compliance with prescribed aftercare.

Pursuant to the Union's bylaws, after the Union becomes aware a member has violated the Canadian Model or tested non-negative on a site-access A&D test; the member must be assessed by a substance abuse expert and comply with the resulting recommendations as a condition of being eligible for future dispatches.

There are advantages to referring substance abuse expert recommendations to qualified third party professionals for administration on behalf of the Parties. Third party professionals are positioned to offer a higher level of:

- a) confidentiality,
- b) consistency, and
- c) expertise.

Contracting the administration of substance abuse expert recommendations to third party professionals is expected to be more effective in meeting the safety objectives contained in the Canadian Model and increase the quality of service afforded to affected individuals.

Now therefore, it is Agreed between the Parties hereto that:

- 1) Substance abuse expert recommendations arising from contractor administered A&D tests conducted pursuant to the Canadian Model and arising from those who violate Article 3 of the Canadian Model shall be referred to and administered by

Organizational Health Incorporated (third party professionals). Such substance abuse expert recommendations shall apply to employment and prospective employment in respect to any collective agreement for which the Union is signatory. Substance abuse expert recommendations shall be shared with a contractor only if they are in respect to a current employee, one that has contravened article 3 of the Canadian Model* while in the employ of that employer.

- 2) Service providers including Organizational Health Incorporated will keep all information in accordance with applicable privacy laws.
- 3) The Association will provide the funding to the third party providers who are responsible for administering substance abuse expert recommendations.
- 4) This Letter of Understanding shall be attached to and form part of the Collective Agreement entered into between the Parties.
