If it is determined that there is an underutilization of Local Resident Members the Parties will meet and address the issue.

ARTICLE TWELVE - TRAVEL, TRAVEL ALLOWANCE, TRANSPORTATION AND ACCOMMODATION

12.01 DAILY COMMUTING

The following conditions will apply on jobs within daily commuting distance of Edmonton, Calgary, or any location with a hiring hall, and on jobs from which employees commute daily from temporary accommodation provided or paid for by the Employer.

- (a) A forty-five (45) kilometer radius free zone from the center of the cities of Edmonton or Calgary (Geodetic Monument) or around any place in which employees are temporarily domiciled by the Employer shall be established. The location of the Geodetic Monument of Edmonton is 101st Street and Jasper Avenue and for Calgary, the Calgary Tower. No transportation or travel allowance shall be applicable within the free zone.

Notwithstanding the foregoing, on major construction projects located within the free zone, around the cities of Edmonton and Calgary, but beyond the city bus transportation system of those cities, where it is expected that the total construction workforce will exceed 750, the affected parties shall meet to discuss the viability of implementing a system of providing transportation to the site. The parties shall take into account such considerations as climate, seasons, road capacity, other projects and industries using the same corridors, workforce curves, and site infrastructure.

- (b) For projects beyond the forty-five kilometer (45 km) free zone for which daily travel is required, the Employer will have the following options;
 - to provide transportation and pay travel allowance, or
 - reimburse the employees, as a vehicle allowance, at the rate of thirty-nine cents (39¢) per kilometer traveled, each way between the edge of the free zone and the project job site daily and pay travel allowance.

The travel allowance shall be calculated based on traveling at 80 km per hour, at the employee's applicable base rate, from the point where the edge of the 45 km radius free zone intersects the road which takes the shortest, most appropriate route, to the project and return to the intersecting point.

Example - A Journeyman member traveling to a project located 40 road kilometers from the edge of the free zone at 80km per hour each way would receive the following for each day worked:

<u>Travel Allowance:</u> 80 km @ 80 km per hour	
1 hour at base rate of \$32.75 =	\$32.75
<u>Vehicle Allowance:</u>	+
80 km. @ \$0.39 cents per km. =	<u>\$31.20</u>
For a daily total of:	<u>\$63.95</u>

Where the employer provides the transportation the travel allowance would be paid but the vehicle allowance would not be payable.

The Coordinating Committee and the Alberta Building Trades Council shall examine, during January of each year of the Collective Agreement, the information published by Canada Revenue Agency respecting the vehicle allowance amounts that will not be treated as taxable income, and that will be permitted as business expenses for employers. Such information normally establishes a maximum rate for the first 5,000 km, and a lower rate for additional kilometres. The Coordinating Committee and the Council shall determine a rate that is midway between those two rates. The above vehicle allowance rate shall be adjusted, effective on the first pay period following May 1 of each year, to the rate so determined by the Coordinating Committee and the Council.

- (c) When an employee is being paid subsistence allowance in accordance with Article 12.04 (a)(iii) or (b)(iii), and when there is no accommodation available within 45 km. of the project on which the employee is engaged, the employer shall determine the location of the nearest available suitable accommodation, and shall determine the number of road kilometres beyond a 45 kilometre radius of the project that would be required to travel each way from the nearest available suitable accommodation, and shall calculate the travel allowance in accordance with the above provisions. In the event suitable accommodation within a 45 kilometre radius of the project becomes available, the payment of the travel allowance will cease.
- (d) Where the Employer supplies the transportation, such transportation shall, at a minimum, be a safe, clean and modern means of transportation with sufficient seating for each person allowing adequate comfort for adults. School buses shall not be used for such transportation. Where the employer is supplying transportation, and when the size of the crew is such that the capacity of a coach-type bus is required, such bus transportation will be provided. Pick up points shall be mutually agreed upon.
- (e) Employees who are transported to a job site but who refuse to start work at the prescribed time due to a picket line or other form of labour relations dispute will not be paid transportation or travel allowance for that day.
- (f) When the transportation provided by the Employer for the conveyance of employees is delayed by circumstances beyond the control of the employees, the employees shall be paid for all such time, up to a limit of two (2) hours at the applicable straight time rate.
- (g) If an employee is required by the Employer to move from one job to another during working hours, the Employer shall provide the transportation or pay vehicle allowance at the rate established by the formula in 12.01(b) above if the employee uses his own vehicle. The employee shall not suffer any loss of pay as a result of transferring between projects during working hours.
- (h) Employees required to travel out of a city or town to another job after working a shift, and before an eight (8) hour break occurs, shall be paid for all time traveled

at the rate of time and one-half the normal rate. If still traveling the following day, the employee shall be paid the normal rate for time traveled during the regular working day only.

12.02 INITIAL AND RETURN TRANSPORTATION TO REMOTE SITES

- (a) Employees directed or dispatched to work sites located beyond a radius where daily commuting allowance under 12.01(b) would apply shall be paid travel allowance for initial travel and transportation to the project and return subject to the conditions in (b) below, based upon a radius from the cities of Edmonton or Calgary or other hiring hall location, as applicable, as follows:
- (i) up to 200 kilometers - \$70.00 each way;
 - (ii) 200 kilometers to 300 kilometers - \$100.00 each way;
 - (iii) 300 kilometers to 375 kilometers, and the Empress area - \$120.00 each way;
 - (iv) over 375 kilometers to 475 kilometers \$180.00 each way, or actual Airfare if suitable proof of air transport is provided to the employer.
 - (v) over 475 kilometers - as mutually agreed between the Parties to this Agreement to a maximum of \$275.00 each way or air fare inclusive of taxes in the event this is the most practical method of accessing the project/jobsite.
- (b) Notwithstanding the provisions of (a) above, when transportation is provided by the Employer, no travel allowance will be paid.
- (i) When transportation is provided by means of weekly bussing, an employee, at the time of dispatch, will be allowed to elect to use the bus or to receive collective agreement initial / return / rotation allowances. Buses must comply with article 12.01 (d).
 - (ii) An employee who has elected collective agreement initial / return / rotation allowances will no longer be paid any such payments not yet received if a new bus route is established and the employee elects to use it. Such an employee will not be required to return payments received to that point.
 - (iii) An employee who has elected collective agreement initial / return / rotation allowances and who is found using bus transportation will become disentitled to further collective agreement initial / return / rotation allowances, as one consequence.
 - (iv) If an employee who elects collective agreement initial / return / rotation allowances uses bus transportation for his initial trip that employee will not receive the initial allowance payment. This circumstance will not be a violation as discussed in the previous point.
 - (v) Regulations shall be established for the use of bus transportation governing behaviour and the use of, e.g., alcohol, tobacco and other substances.

- (vi) Notwithstanding the foregoing, an employee who has elected to use provided busses, and who is hired, laid off, or terminated on a day when weekly bussing is not available shall be reimbursed the cost of a one-way commercial bus ticket to/from Edmonton or Calgary, whichever is applicable, and transportation to/from the site to the nearest commercial bus terminal, or equivalent taxi fare.
- (c) Employees will qualify for and receive, with the next regular pay, initial transportation allowance to the job site after being employed at the site for either fifteen (15) calendar days or completion of the job, whichever is the lesser. Should the employee remain on the job until completion of thirty (30) calendar days, or until completion of the dispatched job requirement, whichever may be the lesser, they shall receive the return transportation allowance to be paid with his final pay cheque.

If the employee is transferred to a different work site which is outside the same geographical region for which the transportation allowance was to apply (e.g. the Fort McMurray region, the Cold Lake Region, etc.), that employee will be paid any outstanding transportation allowance(s) with their next regular pay. If the employee is transferred to a different work site that is within the same geographical region to which the transportation allowance was to apply, the employee's employment on that different work site shall be deemed to be a continuation of employment on the original work site for the purposes of accumulation of entitlement to transportation allowances and rotational allowances where applicable. Should an employee choose not to accept a transfer, he/she shall be paid all applicable travel allowances and be considered to be laid off.

12.03 ROTATIONAL LEAVE (TURNAROUNDS)

- (a) On jobs located beyond a Three Hundred (300) km radius to a maximum of Four Hundred and Seventy - Five (475) km from the centre of Edmonton or Calgary or other hiring hall location, the Employer shall:
 - (i) Pay an allowance of One Hundred and Forty Dollars (\$140.00) after Thirty-Five (35) calendar days of employment on the job and thereafter for each subsequent Thirty-Five (35) calendar days of employment on the job.
Where the Employee accepts Employer supplied transportation he shall not be entitled to the above allowance.
 - (ii) Allow Employees Five (5) working days leave after each Thirty-Five (35) calendar days of employment on the job.
- (b) On jobs located beyond a Four Hundred and Seventy - Five (475) km radius from the centre of Edmonton or Calgary or other hiring hall location, the Employer shall:
 - (i) Provide a negotiated transportation allowance, not to exceed scheduled air line air fare where scheduled air service is available, or pay an allowance of Two Hundred and Fifty Dollars (\$250.00) where airline service is not available, after Thirty-Five (35) calendar days of employment on the job

and thereafter for each subsequent Thirty-Five (35) calendar days of employment on the job.

- (ii) Allow Employees Five (5) working days leave after each Thirty-Five (35) calendar days of employment on the job.
- (c) It is further understood and agreed that the above described trips be on a rotation basis and at no time more that twenty-five percent (25%) of the working force shall be on such home leave.
- (d) Where the Employer supplies transportation the Employee shall not be entitled to the above provisions, subject to the provisions of 12.02 (b), save and except that the Employee shall remain eligible for rotational leave as per clauses 12.03 (a) (ii), 12.03 (b) (ii), and 12.03 (c).

12.04 ACCOMMODATION, ROOM & BOARD

- (a) Applicable within a 475 kilometer radius of the Cities of Edmonton and Calgary (excluding National Parks)

When an employee is directed or dispatched to work on an out-of-town job, the employer will provide:

- (i) camp accommodation, which shall be available seven days per week; or
- (ii) mutually agreed room and board; or
- (iii) for each day worked, reimbursement toward the expense of the employee's board and lodging, and any goods and services tax paid by the employee in the purchase of board and lodging, by way of a subsistence allowance in the amount of eighty-five dollars (\$85.00) throughout the Province of Alberta except for:
 - the Fort McMurray region where the rate will be one hundred and twenty-five dollars (\$125.00).
- (iv) On a project / jobsite located over two hundred and fifty (250) radius kilometers from the geographic centers of either the City of Edmonton or Calgary (as applicable) one additional day's subsistence shall be paid for the use of accommodation for the night following the last day worked, provided that the Employee presents a bona-fide commercial receipt to his Employer for each occasion the accommodation is used. Where the Employer or his client is providing a free bus trip back to the city on the same day as the last shift of the week, this provision shall not be applicable.

Board and room will be supplied or the daily expense allowance will be paid for any Statutory Holiday which falls on a scheduled work day other than a Monday or Friday (Thursday where a compressed work week schedule is in effect) provided the employee reports for work on the work day immediately preceding and following the Statutory Holiday.

- (b) Applicable beyond a 475 kilometer radius of the Cities of Edmonton and Calgary (excluding National Parks and Northwest Territories)

When an employee is directed or dispatched to work on an out-of-town job which will last at least five days, the employer will provide, on a seven (7) days per week basis:

- (i) camp accommodation; or
- (ii) mutually agreed room and board; or
- (iii) reimbursement toward the expense of the employee's board and lodging, and any goods and services tax paid by the employee in the purchase of board and lodging, by way of a subsistence allowance in the amount of eighty-five dollars (\$85.00) per day.

Employees failing to report for work on the work day immediately preceding and following a week-end or Statutory Holiday will receive the above for days worked only.

- (c) In the event that any difference arises respecting the adequacy of accommodation provided by the employer pursuant to clauses 12.04(a)(ii) or 12.04(b)(ii) above, the difference shall be referred to a balanced committee of appointees of the Building Trades Council and the Coordinating Committee of registered employers' organizations, which committee shall make a final and binding decision within five days from the date of referral.
- (d) The parties agree that wherever practical and workable in all of the circumstances of the project, camp accommodation is preferable to the provision of room and board, and that the provision of room and board is preferable to the payment of subsistence allowance. However, any of these three options will satisfy the employer's obligations pursuant to this article.
- (e) (i) In certain situations, employees may be dispatched or directed to work on projects which are in an area where the cost of available suitable single room accommodation and/or meals may be in excess of the daily rate of subsistence set out in this Article. In such a case, the employer shall provide one of the following options:
 - provide suitable room and board; or
 - directly pick up the cost of the room and pay a meal allowance to be determined as is set out in this Article; or
 - the subsistence allowance shall be reviewed and, if necessary, adjusted by the following procedure:
- (ii) Either the subsistence allowance may be adjusted by mutual consent between the Employer and the Union, or the Business Manager of the Union may request that the Executive Director of the Alberta Building Trades Council issue a formal written request to the Coordinating Committee of Registered Employers' Organization that a Subsistence Review Committee be established. Alternatively an Employer may request that the Coordinating Committee of Registered Employers' Organizations issue a formal written request to the Executive Director of

the Alberta Building Trades Council that a Subsistence Review Committee be established. Upon formal written request the Subsistence Review Committee shall meet within five (5) working days of such request.

- (iii) The Subsistence Review Committee will consist of one (1) representative appointed by the Alberta Building Trades Council and one (1) representative appointed by the Employers' Coordinating Committee. Neither appointee shall be directly involved with the issue at hand.

The Subsistence Review Committee will undertake such investigation as is necessary to determine whether the allowance paid will allow an Employee to purchase available accommodation and three (3) meals per day in the community or communities where Employees will be domiciled. In the event that the Committee determines that the allowance is insufficient to purchase such lodging and meals the Committee shall determine the amount by which the subsistence allowance shall be adjusted. A decision of the Committee as to whether the allowance is sufficient or whether a specified adjustment is necessary shall be final and binding provided that both appointees mutually agree with the resolve. Any such mutually agreed upon decision shall be issued within five (5) days from the date of referral, or such longer period as may be agreed by the Coordinating Committee and the Building Trades.

- (iv) In the event the Committee fails to make the required determination or determinations within the period allowed, the meal and lodging costs ascertained by the Committee shall be referred, together with such other relevant evidence and argument as may be submitted by the parties, to an Umpire who shall be appointed within five (5) days in accordance with the provisions of Articles 13.05 and 13.09. The Umpire shall render a final and binding decision as to whether the subsistence allowance is sufficient to allow an Employee to purchase accommodation and meals in the subject community or communities, and if it is not the amount by which the allowance should be adjusted to afford the purchase of available lodging and meals. The decision of the Umpire shall be rendered within five (5) full days of the Umpire's appointment, or such longer period as may be agreed by the Coordinating Committee and the Building Trades. The decision of the Umpire shall have the same binding effect and shall be subject to the same limited review as a decision of an arbitrator in grievance proceedings. The fees and disbursements of the Umpire shall be borne equally by the Coordinating Committee and the referring Union.
- (v) The Subsistence Review Committee and/or the Umpire shall enter into a review when determining subsistence costs and in order to come to the conclusions that are necessary to carry out the objects of this clause some guidelines are included;

- In the appropriate case the ability to decide on whether or not an increase in subsistence allowance shall be made retroactively to the date the matter was submitted to the Subsistence Review Committee.
- To determine seasonal adjustments due to tourism, availability of rooms, etc. which may affect the rate of subsistence over the entire course of a job; i.e. an increase in costs during the tourism season followed by a decrease at the end of tourism season or some other such situation.
- Determine an appropriate accommodation cost based on what hotel rooms are available, how many such rooms are available, what hotels/motels to look at.
- The cost of meals based upon the range of standard camp meals routinely served in a camp pursuant to the Camp Rules, which are adopted in this Collective Agreement, over an average weekly period.
- Such other reasonable and ancillary powers as may be necessary to achieve the purpose of this clause.

There shall be no more than one reference of these matters to a Subsistence Review Committee Umpire with respect to any community in any calendar year unless it can be shown that there has been a material change of circumstances within that calendar year. Such a review within the calendar year may be made by either the Employer or the Union.

(f) Applicable to all Regions

- (i)** Employees unable to work due to legitimate illness, material shortage, job site conditions, or inclement weather shall receive their board and room or daily allowance during the period such circumstances continue where an employee cannot leave his temporary accommodation, up to a maximum of three (3) days.
- (ii)** If an employee who is being provided with subsistence allowance chooses to leave a jobsite prior to the normal quitting time without receiving consent from his employer, the employee will receive a prorated amount of subsistence based upon the number of hours the employee worked in the work day, compared to the regularly scheduled hours of work for the day.
If the employee leaves prior to the normal quitting time with the consent of the employer they will receive the normal daily subsistence allowance for that day.
- (iii)** All camps must meet the specifications as negotiated by Alberta Provincial Building Trades Council and Alberta Construction Labour Relations Association 1999 - 2008 camp rules and regulations, or any successor thereto.

- (iv) All grievances concerning a camp will be resolved through the grievance procedure provided in the A.B.T.C. / C.L.R.A. Camp Rules and Regulations.
- (v) If an employee, who is housed in a camp, is required by the Employer to transfer from one camp room to another, the employee shall be paid two hour's pay at the straight time basic hourly rate as full compensation for the time to move belongings.

ARTICLE THIRTEEN - GRIEVANCE PROCEDURE

All grievances shall be finally and conclusively settled without stoppage of any part of the Employer's work in the following manner:

13.02 To solve a grievance, an employee shall first either himself or accompanied by such persons as he shall choose, discuss it with his foreman, his steward, or with the Employer management, and if they agree, their decision shall be brought to the attention of Union and Management.

13.03 If satisfaction is not received then, within fifteen (15) working days of the initial occurrence of the event complained of, the grievor or the Union shall file with the job superintendent or manager a grievance, in writing, which shall contain the following information:

- (a) articles and clauses allegedly violated;
- (b) efforts made to solve alleged violation;
- (c) pertinent names, dates and facts concerning alleged violation;
- (d) remedy requested;
- (e) signature of the grievor.

Within five (5) working days of receipt of the alleged grievance described in 1 above, the Employer (Union) shall issue a reply in writing, by registered mail or by personal delivery to the grievor, the job steward or a business agent of the Union involved.

13.04 Pre-Arbitration Process

- (a) If a grievance has not been resolved following the preceding steps of the Grievance Procedure, the grievance shall be referred to a Joint Grievance Panel (JGP), unless one of the parties to the grievance serves notice of an intention to bypass the JGP in favour of referring the matter directly to arbitration.

- (b) In the event a party serves notice of an intention to bypass the Joint Grievance Panel, the matter may be referred to arbitration within 5 days (excluding Saturdays, Sundays, and Statutory Holidays) of such notice being served.
- (c) Such Joint Grievance Panel will consist of two appointees of the Employer and two appointees of the Union. No person shall be appointed who has a direct personal interest in the subject matter of the grievance, and/or has had a direct personal involvement in earlier attempts to settle the grievance. No representative of/spokesman for the Union or for the subject Registered Employers' Organization shall be appointed.
- (d) The Joint Grievance Panel shall hold a hearing into the matter within ten days (excluding Saturdays, Sundays, and Statutory Holidays) of being appointed and shall issue their recommendation forthwith, but in any event within three days (excluding Saturdays, Sundays, and Statutory Holidays) of the date the hearing was held.
- (e) Each of the parties shall advise the other, within five days of receipt of the recommendation (excluding Saturdays, Sundays, and Statutory Holidays), as to whether they accept or reject the recommendation.
- (f) In the event the parties to the grievance accept the recommendation of the JGP, the grievance shall accordingly be resolved, and the parties shall implement the recommendation within ten days (excluding Saturdays, Sundays, and Statutory Holidays), or in any event in accordance with such other implementation schedule as may be included in the JGP recommendations.
- (g) In the event either Party determines that it is not prepared to accept the recommendation of the JGP, either Party may then refer the matter to Arbitration within 10 days (excluding Saturdays, Sundays, and Statutory Holidays) of receipt of the JGP recommendations.
- (h) No lawyers shall be permitted to participate in the JGP proceedings

13.05 If the grievance is not concluded pursuant to Clause 13.03, within five (5) working days, or pursuant to the pre-arbitration procedure at 13.04, then either of the parties may notify the other party in writing of its desire to submit the difference to arbitration, and the notice shall contain a statement of the difference and the name of the first party's appointee to an arbitration board. The recipient of the notice shall within five (5) working days inform the other party of the name of its appointee to the arbitration board. The two appointees so selected shall, within five (5) working days of the appointment of the second appointee, appoint a third person who shall be the chairman.

13.06 If the recipient of the notice fails to appoint an arbitrator with the time limits under Clause 13.05, the appointment shall be made by the Minister of Labour upon the request of either party. If the two appointees fail to agree upon a chairman within the time limit under Clause 13.05, the appointment shall be made by the Minister of Labour upon the request of either party.

- 13.07** The arbitration board shall hear and determine the difference and shall issue an award in writing and the decision shall be final and binding upon the parties and upon any employee affected by it. The decision of a majority is the award of the arbitration board, but if there is no majority, the decision of the chairman governs and it shall be deemed to be the award of the board.
- 13.08** Each party to the difference shall bear the expense of its respective appointee to the arbitration board and the two parties shall bear equally the expenses of the chairman.
- 13.09** The arbitration board by its decision shall not alter, amend or change the terms of the Collective Agreement.
- 13.10** In lieu of this "Arbitration Board" referred to in Articles 13.05 through 13.09, a single arbitrator in accordance with the Alberta Labour Relations Code may be instituted by mutual agreement of the parties.
- 13.11** The Employer or the Union may institute a grievance under the terms of this Agreement.
- 13.12** The Employer may initiate a grievance with the Union providing the subject matter of the grievance has been discussed with the grieving Employer's Superintendent, the Steward, or the Union, so there will be an opportunity of dealing with the complaint. A grievance submitted to the Union by the Employer must follow the procedures of Article Thirteen (13.00) except the steps taken by the Employee and/or the Union and the Employer shall be reversed. A grievance submitted to the Employer by the union must follow the procedures of Article Thirteen (13.00).
- 13.13** No grievance shall be held to be invalid by reason of any defect of form or any technical irregularity.
- 13.14** The Arbitration Board or Arbitrator shall give its decision not later than fourteen (14) days after its appointment, except that with the consent of both parties, such limitation of time may be extended.
