FUNDING MODEL

This Funding Model for the Rapid Site Access Program is effective for the following trades under the registration certificates held by Construction Labour Relations—An Alberta Association (CLRa) **in respect to all industrial hours worked and some maintenance hours worked:**

Carpenters
Insulators
Ironworkers Structural
Mechanical
Operating Engineers
Sheet Metal

Cement Masons
Ironworkers Reinforcing
Labourers - Construction
Millwrights
Plasterers
Sheeters, Deckers and Cladders

The funding rates are set by the CLRa Board of Directors and as at **January 1, 2016** are as follows:

Industrial Construction:	12.0¢/per hour worked
Commercial Construction:	N/A
Short Term and Shutdown Maintenance: (e.g. National Maintenance Agreement)	12.0¢/per hour worked
Long Term Maintenance: (e.g. General President's Agreement)	6.0¢/per hour worked
Fabrication Shops (who voluntarily choose to participate)	6.0¢/per hour worked

Note: The National Maintenance Agreement and the General President's Agreement make reference to the RSAP remittances applicable to maintenance.

Note: Fabrication facilities are bound to this funding model only if they voluntarily participate in the program. The funding for the fabrication shops will only be applicable once voluntary application to participate has been received and approved by the Board of Directors. Under these circumstances, the timing of implementation and funding commencement will be set in consultation with the voluntary applicant organization.
