If the other party fails to select a nominee within 7 days thereafter

[excluding Saturdays, Sundays and Holidays], or if the parties' nominees fail to agree upon an Arbitrator within 3 working days of the appointment of the second nominee, either party may apply to the Director of Mediation Services to select an experienced and impartial Arbitrator.

- 18.02** The Board of Arbitration shall give their decision not later than 14 calendar days after appointment of Arbitrator except with consent of both parties, such limitation of time may be extended.
- 18.03** The Board of Arbitration may not change, modify or alter any of the terms of this Agreement. The parties may agree that arbitration shall be by a single Arbitrator.
- 18.04** Each of the parties shall bear the expenses of its nominee and the parties agree that the unsuccessful party will pay the expenses of the Arbitrator.
- 18.05** All processes and time limits in this grievance and arbitration procedure are imperative and mandatory and shall only be extended or modified by mutual agreement between the parties in writing.
- 18.06** At the request of either party to the grievance, if settlement is not reached under 18.01(a) & 18.01(b), the grievance shall proceed to Arbitration as per 18.01(d).

Re: Rapid Site Access Program

Whereas the Parties have entered into a Collective Agreement which shall remain in effect from the 1st day of May, 2016 (or the first Sunday after ratification, whichever is the latter), to the 30th day of April, 2020 as set out in the said Collective Agreement, and

Whereas:

- A.** The Parties are committed to creating a safer, healthier workplace free of risks associated with alcohol and/or other drug use. Historical trends suggest meeting this objective will correlate to a reduction in workplace incidents.
- B.** The Parties intend to reduce redundant substance testing and related costs and to expedite access to participating worksites.
- C.** Alcohol and other drug work rules, such as the Canadian Model for Providing a Safe Workplace: Alcohol and Drug Guidelines and Work Rule (the “Canadian Model”), are more effective if they are implemented in such a way as to preserve the dignity and privacy of participant workers.
- D.** Coordinating the exchange of sensitive information through a centralized third party provides greater control over the collection, use, disclosure, safeguards and storage of personal information.

Re: Rapid Site Access Program

Whereas the Parties have entered into a Collective Agreement which shall remain in effect from the 1st day of May, 2016 (or the first Sunday after ratification, whichever is the latter), to the 30th day of April, 2020 as set out in the said Collective Agreement, and

- C.** Alcohol and other drug work rules, such as the Canadian Model for Providing a Safe Workplace: Alcohol and Drug Guidelines and Work Rule (the “Canadian Model”), are more effective if they are implemented in such a way as to preserve the dignity and privacy of participant workers.
- D.** Coordinating the exchange of sensitive information through a centralized third party provides greater control over the collection, use, disclosure, safeguards and storage of personal information.

- E.** Retaining the continuity of information through a centralized third party is necessary in order to reduce redundant testing, expedite access to worksites and provide seamless after-care support to affected workers.
- F.** Comprehensive professional third party case administration provides for the effective delivery of education, compliance and, if necessary, accommodation strategies. Professional treatment, education, follow-up and after-care frameworks support affected workers in maintaining compliance with the Canadian Model and, if necessary, recovering from an addiction and/or dependency to alcohol or other drugs.
- G.** In 2004, the Department of Health and Human Services Substance Abuse and Mental Health Services Administration and, in 2008, leading experts in direct consultation, confirmed that laboratory oral fluid testing is accurate, reliable and appropriate for unannounced testing. Due to the shorter detection windows than found in urine testing, it was found oral fluid testing is not appropriate for follow-up testing and not appropriate for testing where prior notice of the test is given.
- H.** Several arbitration cases have accepted the validity of laboratory oral fluid testing but in none of those cases was the laboratory oral fluid testing itself the subject of challenge. Accordingly, at the time of signing this agreement the validity of laboratory oral fluid testing has yet to be established in Canadian law.

Now therefore, it is Agreed between the Parties hereto that:

- 1.** Subject to 2. and 3. below, the Parties support the implementation of the Rapid Site Access Program and the Union and Employer agree to be bound by and comply with the *Rapid Site Access Program Procedural Rules*, as amended from time to time.
- 2.** The Union's agreement in 1. above is subject to the adoption of laboratory based oral fluid testing for the random component of drug testing administered by the Rapid Site Access Program. However, in the event laboratory oral fluid testing is successfully challenged in law the Union agrees urine based testing shall apply.
- 3.** Subject to 2. above, where the Union does not agree to an amendment to the *Rapid Site Access Program Procedural Rules*, the Union may opt out of agreeing to said amendment by giving notice in writing to the registered employers' organization and the Rapid Site Access Administrative Committee.
- 4.** The Employer retains the sole right to review its participation in the Rapid Site Access Program. Subsequent to this review the Employers, at their sole discretion shall determine if the Employers will continue to participate or

cease participating in the Rapid Site Access Program. If the Employers determines it will no longer be participating in the Rapid Site Access Program it must file 60 day written notice with the Rapid Site Access Program Administrator and Union.

5. For Shop work, the Employer contributions shall be established by the Association and may be changed by the Board of Directors of the Association, and notice to an Employer and the Union from the Association respecting such amendment shall be sufficient. RSAP contributions shall be forwarded to the Association, at an address provided by the Association. These contributions shall be used by CLR to provide the funding, among other things, for the third party providers who are responsible for delivering the services in respect to the Rapid Site Access Program.
6. This Letter of Understanding shall be attached to and form part of the Collective Agreement entered into between the Parties.

Re: Referral for Case Managed Aftercare

Whereas:

An individual must be referred to a substance abuse expert following a failure to comply with the *Canadian Model for Providing a Safe Workplace: Alcohol and Drug Guidelines and Work Rule* (the “Canadian Model”). Once the individual is assessed by a substance abuse expert, recommendations are prepared and disclosed for the purpose of establishing expectations in accordance with the substance abuse expert’s recommendations, entering into a post assessment agreement and supporting compliance with prescribed aftercare.

Pursuant to the Union’s bylaws, after the Union becomes aware a Member has violated the Canadian Model or tested non-negative on a site-access A&D test, the Member must be assessed by a Substance Abuse Expert and comply with the resulting recommendations as a condition of being eligible for future dispatches.

There are advantages to referring Substance Abuse Expert recommendations to qualified third party professionals for administration on behalf of the Parties. Third party professionals are positioned to offer a higher level of:

- a) confidentiality,
- b) consistency, and
- c) expertise.

Contracting the administration of Substance Abuse Expert recommendations to third party professionals is expected to be more effective in meeting the safety objectives contained in the Canadian Model and increase the quality of service afforded to affected individuals.

Now therefore, it is Agreed between the Parties hereto that:

- 1) Substance Abuse Expert recommendations arising from Employer administered A&D tests conducted pursuant to the Canadian Model and arising from those who violate Article 3 of the Canadian Model shall be referred to and administered by the RSAP Third Party Administrator [currently, Homewood Health]. Such Substance Abuse Expert recommendations shall apply to employment and prospective employment in respect to any collective agreement for which the Union is signatory. Substance Abuse Expert recommendations shall be shared with a Employer only if they are in respect to a current Employee, one that has contravened Article 3 of the Canadian Model¹ while in the employ of that employer.
- 2) Service providers, including Homewood Health, will keep all information in accordance with applicable privacy laws.
- 3) The Association will provide the funding to the third party providers who are responsible for administering substance abuse expert recommendations.
- 4) This Letter of Understanding shall be attached to and form part of the Collective Agreement entered into between the Parties.
